FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Section 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes,* the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This volume represents the fulfillment of this obligation for the Regular Session of the House of Representatives of 1986.

The text of a bill is spread in full when it receives a first reading. The vote on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended. Rolls calls on motions to pass legislation have been compiled at Appendix A.

Mrs. Shan Stone Gray, Mrs. Jeanne Wallace, Mrs. Myra Aitken and Mrs. Delores Dearborn prepared the 1986 House Journal. The edited copy and index found in this volume reflect the cooperative efforts of the commission's staff.

By amending the title to read:

"AN ACT relating to citizens of the Commonwealth and declaring an emergency."

Floor Amendment No. 1 to SB 233, by Representative Dawahare:

Amend printed copy of GA Copy of SB 233:

By adding on page 2, after line 9, the following:

"Section 2. KRS 161.600 is amended to read as follows:

(1) Effective July 1, 1978, a member of the retirement system may qualify for service retirement by meeting either of the following requirements:

(a) Attainment of age fifty-five (55) years and completion of five (5) years of Kentucky service, two (2) years of which are subsequent to July 1, 1941, or

(b) Completion of *twenty-seven (27)* [~~thirty (30)~~] years of Kentucky service, two (2) years of which are subsequent to July 1, 1941. [~~A member having less than thirty (30) years of service may retire with benefits reduced according to the following schedule:~~

~~29 years—90% of benefits~~

~~28 years—80% of benefits~~

~~27 years—70% of benefits.~~]

[~~(c)~~]

Benefits will be reduced in accordance with KRS 161.620 for persons qualifying under *paragraph* (a) *of this subsection* who are less than age sixty (60) years.

(2) Any member shall be automatically retired as of July 1 next following his seventieth (70th) birthday, providing, however, that a member reaching age seventy (70) and having fewer than five (5) years of Kentucky service, two (2) years of which are subsequent to July 1, 1941, shall receive a refund of the member's accumulated contributions as provided in KRS 161.470(6) in lieu of a retirement annuity.

(3) Any person who has been a teacher in Kentucky for twenty-seven (27) years or more and who withdraws from teaching after July 1, 1941, and before reaching the age of sixty-five (65) years may continue to pay into the fund each year, until the end of the fiscal year in which he reaches the age of sixty-five (65) years, the current contribution rate based on the annual compensation received during his last full year as a teacher. If he so elects he shall at any time be entitled to receive a retirement allowance as provided in KRS 161.620. No member shall make contributions as provided for above if such member is at the same time making contributions to another retirement system in Kentucky supported wholly or in part by public funds.

(4) Service credit in the Kentucky employes retirement system, the state police retirement system, the legislators' retirement plan, the county employes or the judicial retirement system may be used in meeting the service requirements of subsections (1)(a) and (1)(b) of this section, provided such service is subsequent to July 1, 1956.

(5) No retirement annuity shall be effective until written application and option election forms are filed with the retirement office in accordance with regulations of the board of trustees.

(6) The surviving spouse of an active contributing member, if named as beneficiary of the member's account, may purchase retirement credit that the member was eligible to purchase prior to his death.

Section 3. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

(a) For retirements effective July 1, 1980, and thereafter, the annual allowance for each year of service performed prior to July 1, 1941, shall be one hundred dollars ($100) and the annual allowance for each year of service performed after July 1, 1941, shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section.

(b) For retirements effective January 1, 1984, and thereafter the annual allowance shall be determined as set out in subsection (1)(a) of this section, except that the allowance for service performed after January 1, 1984, shall be valued at the annual rate of two and one-half percent (2 1/2%) of the final average salary for all members not employed by a state university or college. For purposes of implementing the change in the value of a year of service, the board of trustees shall establish by regulation, the value of services performed during the 1983-84 fiscal year but in no case shall the value of service performed during the 1983-84 fiscal year exceed two and one quarter percent (2.25%).

(c) If the member has five (5) years or more of Kentucky service, but less than *twenty-seven (27)* [~~thirty (30)~~] years of such service credit, the allowance shall be reduced actuarially for the number of years the member is less than sixty (60) years of age or by the number of years the service credit is less than *twenty-seven (27)* [~~thirty (30)~~] years, whichever is the lesser number. The board of trustees shall adopt an actuarial table of discounts for the purpose of calculating these allowances.

(2) Effective July 1, 1980, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option who has been retired at least ten (10) months shall be increased in the amount of one percent (1%).

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than eighty-eight dollars ($88) multiplied by the service credit years of the teacher, except that no retired teacher who was sixty (60) years of age or older at retirement, and who has five (5) years or more service credit in a position covered by the teachers' retirement system shall receive a monthly benefit of less than seventy-five dollars ($75). The above minimums shall be effective July 1, 1978, and shall apply to those members retiring on or subsequent to that date.

(4) The minimum provided in this section shall apply in the case of teachers retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the teacher and his beneficiary or beneficiaries as provided in the duly adopted option tables at the time of the member's retirement.

(5) Effective July 1, 1982, the monthly allowance of each member retired on or before July 1, 1981, and each recipient of a retirement option of such retired members shall be increased in the amount of one percent (1%)

of the monthly allowance for each year the member has been retired up to a maximum of five (5) years. The percentage increases shall be based on an assumed maximum allowance of one thousand dollars ($1,000) per month of annuity in effect the previous month.

(6) Effective July 1, 1983, the monthly allowance of each member retired on or before July 1, 1982, and each recipient of a retirement option of such retired member shall be increased in the amount of one percent (1%) of the monthly allowance for each year the member had been retired up to a maximum of five (5) years. The percentage increases shall be based on an assumed maximum allowance of one thousand dollars ($1,000) per month of annuity in effect the previous month.

(7) Effective July 1, 1980, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of such child or until such time as the mental condition creating the dependency no longer exists. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) The cost of providing the statutory cost-of-living increases for retired members during 1980-82 and 1982-84 shall be funded by annual appropriations from the state on an amortized basis over the lifetime of the recipients. When the earnings on investments of the retired teacher savings exceeds the actuarial assumed rate of interest, the board of trustees may allocate such excess earnings toward the funding of the amortized payments required during the 1982-84 biennium for the cost-of-living increases approved under subsections (5) and (6) of this section.

Section 4. KRS 161.540 is amended to read as follows:

(1) Effective *July 1, 1986* [~~July 1, 1984~~], each member shall contribute to the retirement system *nine and eight hundred and fifty-five thousandths percent (9.855%)* [~~nine and six-tenths percent (9.6%)~~] of annual compensation except that university faculty members shall contribute *eight and three hundred and seventy-five thousandths percent (8.375%)* [~~eight and twelve-hundredths percent (8.12%)~~] of annual compensation. The contribution of members shall not exceed these applicable percentages on annual compensation. When a member retires, if it is determined that he has made contributions on a salary in excess of the amount to be included for the purpose of calculating his final average salary, any excess contribution shall be refunded to him in a lump sum at the time of the payment of his first retirement allowance.

(2) Each public board, institution or agency, as listed in KRS 161.220(4)(a) through (f) shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each public board, institution or agency shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

Section 5. Whereas contributions to the retirement system must be made at the beginning of the fiscal year, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor."

SECTION 10. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) (a) For the purpose of assuring adequate, economical, and stable supplies of fuel-grade alcohol for the use and benefit of residents and motorists in this state; to preserve and stimulate the existing fuel-grade alcohol industry; and to encourage the establishment and growth of new fuel-grade alcohol facilities, the cabinet is hereby authorized to establish and make available from the revenues collected pursuant to KRS 138.220, a fuel-grade alcohol credit fund, and to use the fund, for and on behalf of the Commonwealth, to partially offset the operating costs of those fuel-grade alcohol producers that contribute to the economy of this state, by participating in and subsidizing the market costs for fuel-grade alcohol offered for sale in this state in the manner and form hereinafter provided; and

(b) Any dealer in gasoline shall receive a credit for each gallon of fuel-grade alcohol, or fuel-grade alcohol contained in a gasoline-alcohol blend, which is blended or purchased by a dealer and on which the tax imposed by KRS 138.220 is due and payable, except as otherwise provided in subsection (6) of this section. The credit shall be in the amount specified in subsection (2) of this section for two (2) annual periods beginning on July 1, 1986, and ending on June 30, 1988. Any such credit shall be reduced by the same amount per gallon as any increase per gallon in the federal excise tax exemption for alcohol fuels effective on the date of such increase.

(2) The amount of the credit authorized to a dealer by subsection (1) of this section shall be twenty-five (25) cents per gallon for fuel-grade alcohol certified to a dealer or a dealer's supplier by a licensed alcohol producer to be qualified for the credit pursuant to subsection (3) of this section. The credit shall also be twenty-five (25) cents per gallon for fuel-grade alcohol certified to a dealer or a dealer's supplier by a licensed alcohol producer to have been distilled within Kentucky. The total amount of all credits authorized pursuant to this subsection in any annual period shall not exceed fifteen million dollars ($15 million):

(a) In the event that the total credits authorized during any annual period pursuant to this subsection exceed fifteen million dollars ($15 million), the cabinet shall assess the amount of each such excess credit as a reimbursement excise tax to the licensed alcohol producer certifying the fuel-grade alcohol to a dealer or a dealer's supplier in respect of which the excess credit was claimed. The reimbursement excise tax shall be payable within thirty (30) days from the date of assessment and shall be collectable in the manner and form prescribed for taxes assessed pursuant to KRS 138.220; and

(b) The cabinet shall maintain during each annual period a cumulative monthly record of all credits authorized pursuant to this subsection and shall upon request report the status of such record to licensed alcohol producers.

(3) The fuel-grade alcohol or gasoline-alcohol blend eligible for the credit authorized by this section shall be limited to alcohol distilled within this state and region, except as provided by paragraphs (a) and (b) of this subsection. For purposes of this section "distilled within this state and region" shall include alcohol distilled at a plant located in this state or in a bordering state, employing residents of this state to the extent of one-third (1/3) of its total work force, and purchasing one-half (1/2) of its annual requirements of grain or coal from producers within this state:

(a) If the cabinet certifies that another state provides an exemption, credit, or refund from that state's motor fuel excise tax or sales tax that is applicable to fuel-grade alcohol, or a gasoline alcohol blend which contains fuel-grade alcohol distilled in Kentucky, and if the distiller in the other state otherwise meets the requirements of this section and secures the license provided in subsection (7) of this section, then the alcohol distilled in the other state shall be eligible for the credit provided in subsection (2) of this section to the extent that this credit would be allowed by such other state; and

(b) Under no circumstances shall the per gallon value of the credit for alcohol distilled in the other state, as provided by paragraph (a) of this subsection, exceed the per gallon value of the credit for fuel-grade alcohol provided in subsection (2) of this section.

(4) Every dealer claiming a credit authorized by this section shall file his claim as a supplement to the dealer report required by KRS 138.240. The claim shall be made under oath or affirmation on forms the cabinet may prescribe of the total number of gallons of fuel-grade alcohol upon which a credit is claimed and the total amount of the credit claimed. The claim shall include the following information:

(a) An itemized statement of the total number of gallons of fuel-grade alcohol, or fuel-grade alcohol contained in gasoline-alcohol blends, upon which a credit is claimed, showing the date of receipt of each shipment, the name and address of the licensed alcohol producer or supplier of each shipment, the invoice number, the point of origin, the point of destination, the quantity of each purchase or shipment, the method of

transportation, and the name and address of the carrier; and if blended by the dealer with received gasoline, the date and place of blending and such details of the sale, distribution or use of the gasoline-alcohol blend as the cabinet may require;

(b) A written certification from a licensed alcohol producer confirming that the fuel-grade alcohol supplied by it to the dealer, or to the dealer's supplier, was distilled by a licensed alcohol producer in conformity with the requirements of this section and is qualified for the credit authorized by subsection (2) of this section; and

(c) The dealer shall also furnish such other information relating to the purchase, receipt, inventory, transportation, sale, distribution, exchange or use of fuel-grade alcohol or gasoline-alcohol blends as the cabinet may require.

(5) Upon determination by the cabinet of a dealer's right to receive the credit authorized by this section, the credit shall be determined by multiplying the number of gallons of fuel-grade alcohol for which the credit is claimed by the appropriate amount as provided under subsection (2) of this section. The credit shall be applicable to the dealer's tax liability under KRS 138.220 for the following month but under no circumstances shall the credit exceed the dealer's tax liability for such month. Any residual credit may be carried over to the following month.

(6) (a) The credit provided in this section shall not apply to gasoline-alcohol blend delivered to storage facilities of persons qualifying, under the provisions of KRS 138.341, 138.344, 138.445, and 138.662, for a refund of the tax paid pursuant to the provisions of KRS 138.210 to 138.340;

(b) The revenue cabinet may require the dealer to report such information as is necessary to administer the provisions of this subsection;

(c) Refunds due under the provisions of KRS 138.341, 138.344, 138.445, and 138.662 for tax paid pursuant to the provisions of KRS 138.210 to 138.340 on gasoline-alcohol blend dispensed from storage facilities serving both persons qualifying and not qualifying for the refund due, shall be reduced by the amount of the credit provided for in this section;

(d) Notwithstanding the provisions of any other section to the contrary, the cabinet may require persons applying for a refund under the provisions of KRS 138.341, 138.344, 138.445 and 138.662 to furnish the cabinet such information as is necessary to administer the provisions of this subsection;

(e) The credit provided in this section shall not be allowed in respect of any fuel-grade alcohol improperly certified to a dealer or a dealer's supplier by a licensed alcohol producer, and any such certification which is fraudulent shall constitute cause for the suspension, revocation, cancellation or refusal to renew the license authorized by subsection (7) of this section; and

(7) (a) Any distiller who desires to qualify fuel-grade alcohol distilled by it for purposes of this section shall procure a license and post bond pursuant to regulations prescribed by the cabinet. No such license shall be granted:

1. Unless the cabinet has determined to its satisfaction that the aggregate present and proposed operations and activities of the licensee in this state will significantly assist in providing adequate, economical, and stable supplies of fuel-grade alcohol to dealers in this state and will tend to directly or indirectly confer measurable investment, trade, employment, or other economic or market benefits upon this state;

2. Unless the distillery owned or operated by the licensee is regulated by the United States; and

3. Unless, as a condition precedent for the grant of such license, the licensee shall agree to subject itself to the jurisdiction of this state for the purpose of paying all taxes required by law and filing such reports and permitting such audits of its records and inspection of its premises as the cabinet may prescribe;

(b) Such licensee shall also post and keep in force a continuous surety bond, issued by a surety authorized to do business in this state and approved by the cabinet. The bond shall be in the amount of not less than fifty thousand dollars ($50,000), or such greater amount as may be fixed from time to time by the cabinet having due regard to the quantity of fuel-grade alcohol supplied by the licensee and eligible for credit in this state, and shall be conditioned upon the faithful compliance by the licensee with the requirements of law and with all regulations of the cabinet. No bond shall be required if the distillery of the licensee is located entirely within this state;

(c) Upon the grant of any annual license pursuant to this subsection the licensee shall pay a regulatory license fee to the cabinet in the amount of ten thousand dollars ($10,000), for each annual license period, which shall commence on July 1 and end on June 30 of each year. No annual license fee shall be required if the distillery of the licensee is located within this state; and

(d) The cabinet may revoke, suspend, or cancel the license herein authorized at any time for cause and may for cause refuse to renew any annual license. Any ruling by the cabinet in respect of the refusal to grant such license or the revocation, cancellation, or suspension thereof shall be made by written notice and shall constitute a final ruling of the cabinet for all purposes.

(8) Every licensed alcohol producer selling or distributing fuel-grade alcohol to dealers or dealers' suppliers in this state shall file a report with the cabinet on or before the twenty-fifth day of each month in respect of the production, sale, use, distribution and exchange of fuel-grade alcohol during the immediately preceding calendar month. The report shall be made under oath or affirmation on such forms as the cabinet may prescribe of the total number of gallons of fuel-grade alcohol sold, used, distributed or exchanged and certified by it to dealers or dealers' suppliers in this state as qualified for the credit authorized by this section. The report shall include the following information:

(a) An itemized statement of the total number of gallons of fuel-grade alcohol sold or distributed to dealers or dealers' suppliers in this state or exchanged with another licensed alcohol producer, showing the date of each shipment, the name and address of the dealer or dealer's supplier, or, if exchanged, the name and address of the licensed alcohol producer, the invoice number, the point of origin, the point of destination, the quantity of each purchase, shipment or exchange, the method of transportation, and the name and address of the carrier;

(b) A copy of the written certification furnished by the licensed alcohol producer confirming that the fuel-grade alcohol supplied by it to the dealer, or to the dealer's supplier, was distilled by a licensed alcohol producer in conformity with the requirements of this section and is qualified for the credit authorized by subsection (2) of this section; and

(c) The licensed alcohol producer shall also furnish such other information relating to the production, purchase, receipt, inventory, transportation, sale, distribution, exchange or use of fuel-grade alcohol or gasoline-alcohol blends, if any, as the cabinet may require.

SECTION 11. A NEW SECTION OF KRS CHAPTER 175 IS CREATED TO READ AS FOLLOWS:

There is hereby created a fund in the road fund of the Commonwealth of Kentucky entitled the debt payment acceleration fund. The fund shall consist of twenty percent (20%) of the revenues to the state road fund provided by the adjustments in KRS 138.220(2) excluding the provisions of KRS 177.320 and 177.365. Annually the transportation cabinet shall use the funds generated to accelerate the payment of debt service including principal and interest, over and above the annual debt service payments appropriated for each fiscal year, for all bonds issued and any refinancings thereof by the Kentucky turnpike authority. The transportation cabinet shall notify the interim joint committee on appropriations and revenue by January 1 of each fiscal year of the debt payments which are to or have been accelerated in the fiscal year. In the event that, due to bond market conditions, the terms of the bonds issued or other factors, the transportation cabinet is unable to accelerate debt service payments, the transportation cabinet shall provide documentation to the interim joint committee on appropriations and revenue that such acceleration is not possible and the reasons therefor. In such an event, the funds not available for debt acceleration shall be placed in a special escrow account in the transportation cabinet. Such funds shall not be expended for any of the lawful purposes of the transportation cabinet but shall be held in the escrow account until such time as the debt acceleration described by this section is possible. The transportation cabinet shall invest the funds allocated to the escrow account and any funds generated from these investments shall remain in the escrow account. Any funds remaining in the escrow account at the close of the fiscal year shall not lapse but shall be carried forward to the next fiscal year for use as provided in this section. In the event that all principal and interest outstanding on any bonds issued or any refinancing thereof by the turnpike authority has been paid, the transportation cabinet shall so report. In that event, any funds remaining in the escrow account shall remain in the fund until such time as the funds are appropriated by the general assembly for any of the lawful purposes of the transportation cabinet.

The cabinet may make any investigation deemed necessary to establish the bona fide claim of the loss.

(2) "Dealer" means any person who:

(a) Imports into this state and stores, or causes to be imported into and stored in this state, gasoline for use, distribution or sale and delivery in this state after it has been stored in this state; provided that the term "dealer" as used in KRS 138.220 to 138.340 shall not include any person who imports gasoline acquired from a refiner or other supplier who, at the time of such importation, is a duly licensed dealer in this state, except as may otherwise be provided under regulations of the cabinet.

Dealers shall furnish within twenty (20) days following the end of the first month of each calendar quarter, such information regarding wholesale selling prices for the previous month as may be reasonably required by the cabinet.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, for purposes of the taxes levied in KRS 138.220, 138.565, 138.660 and 234.320, in no case shall "average wholesale price" be deemed to be less than one dollar and eleven cents ($1.11) per gallon, and in no case shall "average wholesale price" be deemed to be more than one dollar and fifty cents ($1.50) per gallon on or before June 30, 1982. In fiscal year 1982-83 the "average wholesale price" shall not be deemed to increase more than ten percent (10%) over the "average wholesale price" at the close of fiscal year 1981-82; in each subsequent fiscal year the "average wholesale price" shall not be deemed to increase more than ten percent (10%) over the "average wholesale price" at the close of the previous fiscal year.

(13) "Licensed alcohol producer" means a distiller of fuel-grade alcohol who is licensed and bonded pursuant to this chapter.

Section 13. KRS 138.220 is amended to read as follows:

(1) An excise tax at the rate of nine percent (9%) of the average wholesale price rounded to the third decimal when computed on a per gallon basis shall be paid on all gasoline received in this state. No other excise or license tax shall be levied or assessed on gasoline by the state or any political subdivision of the state. The tax herein imposed shall be paid by the dealer receiving the gasoline to the state treasurer in the manner and within the time specified in KRS 138.230 to 138.340 and all such tax may be added to the selling price charged by the dealer or other person paying the tax on gasoline sold in this state. Nothing herein contained shall authorize or require the collection of the tax upon any gasoline after it has been once taxed under the provisions of this section.

(2) *In addition to the excise tax provided in subsection (1) of this section, there is hereby levied a supplemental highway user motor fuel tax to be paid in the same manner and at the same time as the tax provided in subsection (1) of this section. Such tax shall be calculated, starting with the quarter beginning July 1, 1986, by taking the excise tax resulting from the calculation provided for in subsection (1) of this section and adjusting such tax calculated, for each quarter, to reflect decreases in the average wholesale price, as defined in KRS 138.210(10)(a). The adjustment shall be made by calculating the difference between the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter. In the event of a*

decrease in the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that quarter. The upward adjustment shall equal one-half (1/2) of the decrease between the two (2) quarterly periods, rounded to the third decimal. In no case shall the adjustment provided by this subsection result in a supplemental highway user motor fuel tax for the quarter of greater than five (5) cents and notwithstanding any adjustment which may be calculated as provided by this subsection, in no case shall the supplemental highway user motor fuel tax for the quarter be less than the previous quarter. The supplemental highway user motor fuel tax provided by this subsection and the provisions of subsection (1) of this section shall constitute the tax on motor fuels imposed by KRS 138.220.

(3) Effective with the calendar quarter beginning July 1, 1980, the cabinet shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.

(4)[~~(3)~~] Dealers with a tax-paid gasoline inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average wholesale price for the new quarter. For the purpose of this adjustment, average wholesale price on June 30, 1980, shall be deemed to be one dollar ($1). The cabinet shall promulgate such rules and regulations to properly administer this provision.

Section 14. KRS 138.270 is amended to read as follows:

(1) From the total number of gallons of gasoline received by the dealer within this state during the next preceding calendar month, the following deductions shall be made:

(a) The total number of gallons of gasoline received by the dealer within this state that were sold or otherwise disposed of during the next preceding calendar month as set forth in subsection (2) of KRS 138.240.

(b) That number of gallons of gasoline equal to two and one-fourth percent (2 1/4%) of the total number of gallons of gasoline received by the dealer within this state during the next preceding calendar month, less the total number of gallons deducted under paragraph (a) of this subsection, this deduction being allowed to cover evaporation, shrinkage, unaccountable losses, collection costs, bad debts and handling and reporting the tax.

(2) The tax imposed by KRS 138.220*(1) and (2)* shall be computed on the number of gallons remaining after the deductions set forth in subsection (1) of this section have been made, and shall constitute the amount of gasoline tax payable for the next preceding calendar month.

Section 15. KRS 138.565 is amended to read as follows:

(1) An excise tax at the rate levied in KRS 138.220*(1) and (2)* [~~and computed on the average wholesale price as defined in KRS 138.210(10)~~] is hereby levied and shall be paid by the special fuels dealer to the cabinet:

(a) For all special fuels delivered into any tank or other container equipped with a hose or other apparatus designed to dispense such fuels into the fuel supply tank of a motor vehicle except when such deliveries are made to another licensed special fuels dealer. The tax imposed by this section shall not apply to special fuels delivered into storage facilities of consumers or persons engaged in the business of selling special fuels for use in motor vehicles when such special fuels are to be sold or used for nonhighway purposes and provided that the storage facilities for such special fuels have been approved and identified as nontaxable storage pursuant to regulations of the cabinet provided that the cabinet may not refuse to approve such nontaxable storage except for adequate cause.

(b) For all special fuels withdrawn by any special fuels dealer and dispensed into the fuel supply tank of a motor vehicle. An allowance of one percent (1%) of the tax shall be made to the special fuels dealer to cover unaccountable losses, bad debts, and handling and reporting the tax. For the purpose of the proper administration of this chapter and to prevent the evasion of the tax and to enforce the duty of the special fuels dealer to collect the tax, it shall be presumed that all special fuels delivered by any special fuels dealer within this state are taxable unless the contrary is established by the special fuels dealer pursuant to regulations prescribed by the cabinet.

(2) No other excise or license tax shall be levied or assessed on special fuels by any political subdivision of the state.

Section 16. KRS 234.320 is amended to read as follows:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage use or other consumption of which, this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(2) Gross receipts from sales of, and the storage, use or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container;

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property used for the performance of a lump sum, fixed fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property *sold through coin-operated bulk vending machines, if such sale amounts to twenty-five (25) cents or less, provided the retailer is primarily engaged in making such sales and maintains records satisfactory to the cabinet. This exemption applies only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit is not entitled to the exemption even though such purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke and wood. Determinations of eligibility for the exemption shall be made by the revenue cabinet.

(b) In making such determinations of eligibility, the cabinet shall exempt from taxation all gross receipts derived from sales classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the public service commission. Where the service is classified as residential, use other than for "residential" purposes by the customer will not negate the exemption.

(c) The exemption does not apply where charges for sewer service, water and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification.

(d) The exemption applies also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years.

SECTION 1. A NEW SECTION OF KRS CHAPTER 48 IS CREATED TO READ AS FOLLOWS:

The auditor of public accounts shall, within ten (10) days of receipt of the request, report the fiscal impact of the proposed legislation to the appropriate chairman of the appropriations and revenue committee, as it relates to either decreasing or increasing expenditures and revenues in the general fund and road fund. In so reporting, the auditor of public accounts shall provide an explanation of ways road fund and general fund expenditures and revenues could be impacted. In the event that such legislation is adopted by the general assembly and that the impact on road fund revenues and expenditures is determinable, then the general assembly shall provide in the biennial budget bill, for the biennium in which such legislation was adopted, funding from the general fund to the road fund. The commissioner may investigate and consider the qualifications of officers and directors or principals of an applicant in determining whether this qualification has been met. (5) Any charges to be assessed against the borrower, in the event a loan is paid prior to maturity shall be *prominently* [~~promptly~~] displayed and made part of the note and the loan closing statement regarding the method of computation of any rebate.

SECTION 14. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(2) Every mortgage loan company also may require the borrowers to pay the cost of all other necessary and incidental services rendered by the mortgage loan company or by others in connection with loans in reasonable amounts. Without limiting the generality of the foregoing, such costs may include the cost of services of inspectors, engineers, and architects.

(3) Such initial charges as described in subsections (1) and (2) may be collected by the mortgage loan company from the borrower and paid to any person rendering such services, or paid directly by the borrower.

(4) In lieu of such initial charges to cover such expenses and costs as described in subsections (1) and (2), a mortgage loan company may make a reasonable charge, part or all of which may be retained by the mortgage loan company which renders such service, or part or all of which may be paid to others who render such services.

(5) The fees and charges authorized by this section shall be in addition to interest authorized by law, and shall not be deemed to be a part of the interest collected or agreed to be paid on such loans within the meaning of any law of this Commonwealth which limits the rate of interest which may be exacted in any transaction.

(6) No person shall receive any fee or other compensation of any kind in connection with procuring any loan, except for services actually rendered as above provided, and in no event shall a mortgage loan company require the payment of a fee greater than one hundred dollars ($100) as a condition to submitting a loan application unless the commissioner shall otherwise prescribe by rule.

(7) Upon receipt of a loan application, the mortgage loan company shall provide the applicant with a written explanation of the nature of all fees, expenses and other costs allowable under subsections (1) and (2) which, whether certain or uncertain, may be incurred or required of the borrower in connection with the approval, making, closing and disbursement of the loan.

(8) The mortgage loan company shall furnish a loan settlement statement to each borrower *upon request* one (1) business day prior to the settlement date in a form consistent with the provisions of the real estate settlement procedures act of 1974 *and any amendments thereto* [~~as amended~~], and in all other regards the mortgage loan company shall make the necessary and appropriate disclosures consistent with the provisions of that act *and any amendments thereto.* A copy of the loan settlement statement and any other disclosure documents shall be retained in the records of the mortgage loan company.

(9) All "letters of commitment," or any other contracts or agreements between prospective borrowers and a mortgage loan company or a loan broker, where the borrowers employ services, for a fee or commission, to obtain a loan commitment or funding from a lending institution shall indicate the terms and conditions thereof, including *a full and detailed description of the services the broker or company undertakes to perform, a specific statement of the circumstances in which the broker or company will be entitled to obtain or retain consideration and* the period that such agreement shall remain in effect.

(10) Failure on the part of any party, with the exception of the borrower, to fulfill the terms of any loan commitment, letter of commitment, agreement or contract for the loan of money within the time and on such terms specified therein, or the failure to make a bona fide effort to secure a loan after receiving a fee for such service, shall constitute default by the mortgage loan company and any other person so in default; and any person damaged by such default may sue at law or equity for damages, reasonable attorneys' fees and interest at *the legal rate of interest under KRS 360.010* [~~eight (8) percent~~]. No person may sue under this subsection more than five (5) years after any act constituting default.

(11) The failure to disclose a dual agency capacity or effecting transactions upon terms and conditions other than those stated in the letter of commitment, loan commitment or any other contract for the loan of money, or entering into an agreement which establishes unfair terms and conditions or compensation, as the commissioner shall define by rule; or any contract of loan in the making or collection of which any act shall have been done which constitutes a willful violation of any provision of this section or of KRS 294.110 shall be void, and the mortgage loan company or the lender, if not the mortgage loan company, shall have no right to collect, receive or retain any interest or charges whatsoever on such loan, but the unpaid principal of the loan shall be paid in full.

Section 16. KRS 294.140 is amended to read as follows:

The commissioner shall exercise general supervision and control over mortgage loan companies and *mortgage* loan brokers doing business in the Commonwealth of Kentucky. In addition to the other duties imposed upon him by law, the powers and duties of the commissioner are:

(1) To prescribe such rules, regulations and forms and to promulgate such orders as are deemed to be necessary and appropriate to accomplish the basic purposes of and the provisions contained within this chapter. The commissioner may from time to time make, amend, and rescind such rules, forms and orders, including rules and forms governing applications, registration, reports, and loan disclosure statements and defining any terms, whether or not used in this chapter, insofar as the definitions are not inconsistent with the provisions of this chapter. For the purpose of rules and forms, the commissioner may classify loans, persons, and matters within his jurisdiction, and prescribe different requirements for different classes. No rule, form, or order may be made, amended, or rescinded unless the commissioner finds that the action is necessary or appropriate in the public interest and consistent with the purposes fairly intended by the policy and provisions of this chapter. In prescribing rules and forms the commissioner may cooperate with other state and federal agencies with a view to achieving maximum uniformity in the form and content of applications, reports and loan disclosure statements whenever practical;

(2) To conduct such investigations as may be necessary to determine whether any person has engaged in or is about to engage in any act, practice or course of conduct constituting a violation of any provision of this chapter;

(3) To conduct such examinations, investigations and hearings, in addition to those specifically provided for by law, as may be necessary and proper for the efficient administration of *this chapter* [~~the mortgage loan company laws of this state~~].

Section 17. KRS 294.160 is amended to read as follows:

Every mortgage loan company *and mortgage loan broker* shall make and keep such accounts, correspondence, memoranda, papers, books, data and other records as the *commissioner* [~~director by rule~~] prescribes. All records so required shall be preserved for *three (3)* [~~five (5)~~] years *from the date of collection of the last installment payment due under each agreement* unless the commissioner by rule prescribes otherwise for particular types of records. (2) No mortgage loan company *or mortgage loan broker* by any system of accounting or any device of bookkeeping shall, either directly or indirectly, enter any of its assets upon its books in the name of any person, partnership, association, or corporation, or under any title, designation or value that is not thoroughly descriptive of any assets.

(3) The affairs of every mortgage loan company *and mortgage loan broker* and the records required to be maintained by KRS 294.160 are subject at any time or from time to time to such periodic, special, or other examinations by the commissioner or an examiner of the commissioner within or without this state and with or without notice to the mortgage loan company *and mortgage loan broker*, as the commissioner deems necessary or appropriate in the public interest. All books, papers, and records of assets of the mortgage loan company shall be subject to his inspection.

(4) The examiner shall make a thorough examination into the condition, workings and affairs of the association and report any violation of law or any unauthorized unsafe practices or any failure to keep and have correct any required books and records as he may find to the commissioner.

(5) A mortgage loan company *or mortgage loan broker* shall pay a fee for each such examination *based on fair compensation for time and actual expense* [~~not to exceed one hundred dollars ($100) per day, or fraction thereof, that any and all examiners are absent from the office of the commissioner for the purpose of making such examinations, and in addition thereto shall pay the actual travel, lodging and meal expenses of such authorized examiner or examiners.~~] For the purpose of avoiding unnecessary duplication of examinations, the commissioner, insofar as he deems it practicable in administering this section, may cooperate with any agency of the state or federal government, other states, or the federal national mortgage association and may accept such examinations in whole or in part in lieu of an examination by the commissioner.

(6) The commissioner or his examiners or designated representative shall have access to all books and papers of a mortgage loan company *and mortgage loan broker* which relate to *their* [~~its~~] business, and books and papers kept by any officers, agents, or employes, relating to or upon which any record of its business is kept.

Section 19. KRS 294.220 is amended to read as follows:

(1) It is unlawful for any person to make or cause to be made, in any document filed with the commissioner or in any proceeding under this chapter, any statement which is, at the time and in light of the circumstances under which it is made, false or misleading in any material respect.

WHEREAS, the cost of all lines of insurance has increased dramatically during the past two years; and

WHEREAS, all lines of insurance have become so expensive that cities, counties, providers of professional, and institutional services, business, and the general public can no longer afford to pay the exorbitant rates and accept the deceased coverage; and

WHEREAS, the contention of the insurance industry that the explosion of tort litigation in recent years has necessitated the vastly increased rates is not fully substantiated; and

WHEREAS, employers and injured workers should not be expected to suffer because of the alleged insolvency of insurance carriers; and

WHEREAS, national consumer organizations have studied the insurance industry and found that its problems are cyclical, that loss figures are a result of the unique accounting methods used by the industry, and that international reinsurance firms have undue influence on the industry; and

WHEREAS, insurance policy holders throughout the nation should not have to bear the financial burden of poor judgment, poor management and creative accounting by insurance industry officials; and

WHEREAS, consumer organizations have recommended changes in federal legislation which would: (1) end the insurance industry's anti-trust exemption, (2) permit the Federal Trade Commission to investigate the industry, (3) establish a federal office of insurance regulation to review and set standards for state regulators, and (4) establish a federal reinsurance program and permit the formation of product group insurance;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

A published report of the investigation, including recommendations, shall be submitted to the General Assembly on or before January 1, 1987.

Section 2. That a special committee be appointed by the Legislative Research Commission to receive the Governor's report, to develop legislation and to hold public hearings on these legislative proposals. Such legislation as is developed shall be introduced in the 1988 General Assembly.

HJR 139, A JOINT RESOLUTION directing the Legislative Research Commission to appoint a task force to study and investigate the entire insurance industry, including the Kentucky department of insurance, and its effects on Kentucky.

WHEREAS, liability insurance premium increases of 25% to more than 1000% are being imposed on municipalities, and businesses of all sizes, including day care centers, nursing homes, and restaurants, as well as professionals such as accountants, architects, doctors, midwives, and lawyers; and

WHEREAS, residents in some parts of the Commonwealth are unable to obtain homeowners insurance, while others face high premiums for motor vehicle insurance; and

WHEREAS, some physicians in this state are taking early retirement and others are giving up their practices in obstetrics rather than pay exorbitant medical malpractice insurance premiums; and

WHEREAS, the department of insurance claims it is restricted in what it can do to end skyrocketing premiums and increase the availability of insurance due, in part, to its lack of jurisdiction over reinsurers who are demanding price increases ranging from 50% to 500%; and

WHEREAS, some persons question whether the current insurance crisis can be supported by insurance industry data and allege the crisis is a manufactured one to increase profits of insurers; and

WHEREAS, dissatisfaction with the insurance industry is widespread and the citizens of Kentucky are demanding that some action be taken to assure the availability of insurance at affordable rates;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

(b) Notice is given to the insurer and payment of the group rate is made to the insurer within thirty-one (31) days after notice pursuant to subsection (9) of this section [~~Any group policy described in subsection (1) of this section shall also provide that an employe or member having elected continuation of coverage pursuant to subsection (1) of this section and any covered spouse of an employe or member upon the death or divorce of such employe or member, shall be entitled to have issued to them without evidence of insurability, a health insurance policy on a form then available for conversion from the group coverage, by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or members, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of:~~

~~(a) The effective date of the converted policy; or~~

~~(b) The date of application therefor, and applicable to the class of risk to which the covered persons belong, their ages, the form, and the amount of insurance provided~~].

Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of:~~

~~(a) The effective date of the converted policy; or~~

~~(b) The date of application therefor, and applicable to the class of risk to which the covered persons belong and to their ages and to the form and amount of insurance provided~~].

Furthermore, the insurer shall not be required to issue a converted policy covering any person if:~~

~~(a) Such person is covered for similar benefits by another hospital or surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program or~~

~~(b) Similar benefits are provided for, or available to, such person pursuant to, or in accordance with the requirements of, any statute, and the benefits provided or available under any of the sources referred to in paragraph (a) of this subsection and this paragraph for such person, together with the converted policy, would result in over insurance according to the insurer's standards relating to policies converted from group policies. A converted policy made available pursuant hereto shall provide substantially similar benefits but in no event be less than the minimum standards contained in KRS 304.18-120 if delivery of such converted policy is to be made in this state; and, if delivery of such converted policy is to be made elsewhere, it may be on such form as the insurer may then be offering for such conversion in the jurisdiction where such delivery is to be made and which provides substantially in compliance with that required by KRS 304.18-120~~].

(6) Terms of conversion health insurance coverage:

(a) Conversion health insurance coverage shall be available without evidence of insurability and shall contain no pre-existing condition limitations;

(c) In the case of conversion health insurance coverage, the issuance of conversion health insurance coverage would cause the applicant to be overinsured according to the insurer's standards, taking into account that the applicant is or could be covered by similar benefits pursuant to or in accordance with the requirements of any statute and the individual coverage described in paragraph (b) of this subsection [~~This section shall not apply to group major medical expense insurance which supplements basic hospital, medical and surgical coverage under one (1) or more group policies, group contracts or group remittance contracts from which a converted policy or a continuation of coverage is available providing benefits equivalent to the minimum benefits for a converted policy under this section~~].

(9) Notice of the right to continue group health insurance coverage and the right to conversion health insurance coverage shall be given as follows:

(a) 1. For group policies delivered, issued for delivery, or renewed after the effective date of this Act, the insurer shall give written notice of the right to continue group health insurance coverage and the right to conversion health insurance coverage to any group member entitled to continue coverage or to conversion coverage under this section upon notice from the group policyholder that the group member has terminated membership in the group or upon termination of continued group health insurance coverage. The replacing insurer shall by writing notify the insurer which issued the previous group policy of such lack of coverage and the insurer which issued the previous group policy shall issue the notice required by paragraph (a) of this subsection;

(b) If a group member becomes entitled to obtain continued health insurance coverage or conversion health insurance coverage pursuant to this section and if such group member has not been given written notice of these rights pursuant to this subsection, such group member shall have an additional period within which to exercise continuation or conversion rights as follows:

1. The additional period shall expire fifteen (15) days after the group member is given notice, but in no event shall the additional period extend beyond sixty (60) days after the expiration of the thirty-one (31) day period following termination from the group or termination of group coverage;

2. Written notice delivered or mailed to the last known address of the group member shall constitute the giving of notice for the purpose of this paragraph.

3. If a group member makes application and pays the premium for continued health insurance coverage or conversion health insurance coverage within the additional period allowed by this paragraph, the effective date of continued health insurance coverage shall be the date of termination from the group and the effective date of conversion health insurance coverage shall be the date of termination of group health insurance coverage[~~If a person or member becomes entitled to obtain a converted policy pursuant to the foregoing provisions, and if~~

SCR 59, A CONCURRENT RESOLUTION directing the Legislative Research Commission to study the proportion of persons without health insurance in Kentucky and develop legislation to improve access to health care for this population.

WHEREAS, over 550,000 Kentuckians, approximating 15% of the total population of the Commonwealth, lack health insurance coverage; and

WHEREAS, the number of Kentuckians living below the federal poverty level of $5,250 per year that do not qualify for medical assistance exceeds 193,000 persons; and

WHEREAS, a high proportion of Kentuckians are employed in low paying service jobs that do not provide health insurance; and

WHEREAS, unemployment places more Kentuckians at risk of being uninsured and Kentucky has an unemployment rate of 8.9% as compared with a national rate of 6.9%; and

WHEREAS, hospitals in Kentucky are providing in excess of $64 million each year for free care for the medically indigent; and

WHEREAS, much of the health care provided to the uninsured in hospitals could be provided in less costly non-institutional settings; and

WHEREAS, the total amount of uncompensated hospital care is growing at a rate of over 12% annually; and

WHEREAS, the lack of preventative and primary medical care causes many uninsured Kentuckians to delay necessary medical treatment thereby leading to greater expenditures for institutional care; and

WHEREAS, despite expenditures in the Kentucky medical assistance program approaching $600 million per year, the number of uninsured Kentuckians continue to rise;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

(5) Expanding current public health programs to cover the medically uninsured;

(6) Providing public or private financial support to health care facilities providing a disproportionate share of care to the uninsured; and

(7) Identifying or developing a stable source of public or private funding for any program designed to serve the medically uninsured.

Section 3. The Legislative Research Commission shall report its findings and recommendations on improving access to health care for the medically uninsured to the Kentucky General Assembly no later than January 1, 1988.

HB 695, AN ACT relating to the state building code.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 198B.060 is amended to read as follows:

(1) Each local government in the state of Kentucky shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for such services in accordance with subsections (8) and (10) of this section to enforce the uniform state building code within the boundaries of its jurisdiction, and shall neither adopt nor enforce any other ordinance regulating buildings which conflicts with the uniform state building code, except that a building code adopted by a local government prior to March 28, 1978 may continue in effect until such time as the uniform state building code becomes mandatory within that local government jurisdiction.

(2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for churches having a capacity of four hundred (400) or less persons, and six thousand (6,000) or less square feet of total floor area, and buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than 20,000 square feet of floor area, and are not intended for educational, institutional or high hazard occupancy; or assembly, business or industrial occupancy in excess of one hundred (100) persons, except churches as stated above, or for use as a frozen food locker plant as defined in KRS 221.010. Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the uniform state building code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of such permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.

(3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the uniform state building code. Such determination may be reviewed and altered by the board.

(4) The department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the uniform state building code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, he may recommend to the board that the department preempt that portion of a local program. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review such appeal according to the procedures found in subsections (8) through (12) of KRS 198B.070. No preemption by the department shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

(5) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. Such petition shall include evidence of the local government's capability to perform additional plan review functions. The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he shall explain his reasons for denial in writing, and provide a copy to the board and the local government. A local government may appeal such denial directly to the board, and the board shall review such appeal according to the procedures found in subsections (8) through (12) of KRS 198B.070. Should the local government be granted additional responsibility by the commissioner or the board, the department shall hold concurrent jurisdiction over such additional responsibility, but the local government shall collect any fees for functions it performs pursuant to such additional responsibility.

(6) Any local government may also petition the commissioner requesting that plans and specifications inspection, building inspection, and approval responsibility relating to the application of local plumbing permits for local installations be allocated to the local government. The petition shall not be granted unless the local government has demonstrated to the commissioner that it can perform these functions in accordance with the provisions of KRS 198B.050—KRS 198B.090.

(7) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.

(8) Upon the effective date of the uniform state building code, no building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for such construction.

(a) The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the uniform state building code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of said building. The applicant for a building permit, by the act of applying for the permit, is deemed to have consented to inspection, by the local government or the department, of such building during construction and upon the completion of construction for the purpose of determining that such building is constructed in compliance with the uniform state building code.

(b) After a certified electrical inspector has been employed, contracted for or with, or otherwise provided for by the local government or the department, no utility shall initiate permanent electrical service to any new building until a final certificate of approval has been issued by a certified electrical inspector. Unless the department shall notify the utility in writing as to which buildings are subject to departmental approval, it shall be presumed by the utility that the building is subject to the jurisdiction of the local government. However, nothing in this section shall prohibit the supply or use of necessary electrical services during the construction and testing process.

(c) This section shall apply to industrialized building systems but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the board of housing, buildings and construction, shall not be performed in order to conduct such tests or inspections.

(9) No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the uniform state building code became effective shall be occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the uniform state building code, or assembled or installed in conformance with applicable instructions.

(10) A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the uniform state building code.

(11) Local governments or associations of local governments may contract with a person, firm, or company to perform the plans and specifications inspection or building inspection functions required of the local government by the provisions of this section provided that:

(a) The person performing the plans and specifications inspection is certified by the department as having successfully completed the test requirements provided by KRS 198B.090 to practice as a certified plans and specifications inspector.

(b) The person performing the building inspection is certified by the department as having successfully completed the test requirements provided in KRS 198B.090 to practice as a certified building inspector.

(c) The person, firm or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.

(d) The person performing the plumbing inspection is certified by the department as having successfully completed the requirements provided in KRS 318.140 to practice as a certified plumbing inspector.

(e) The person, firm or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.

(12) If the department determines that an inspector is not enforcing the provisions of the Kentucky building codes, it shall require a hearing to review the inspector's procedures and return in written form the required corrections resulting from the hearing to the inspector.

(13) If, after written notification from the department to the inspector of the corrections required, the inspector fails to comply within sixty (60) days, the department shall suspend the inspector's certification until the inspector complies.

(14) Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. Such fees shall be designed to fully cover the cost of the service performed but shall in no case exceed the cost of the service performed. Fees payable to the department shall be paid into the state treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

(5) The state board of education shall promulgate any administrative regulations and require from local districts any documentation necessary to insure compliance with the provisions of this section.

(6) No local district shall be eligible for state power equalization support above the 1985-86 level of support during any school year in which it is not in compliance with the provisions of this section.

HB 764, AN ACT relating to sick leave for teachers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.155 is amended to read as follows:

(1) As used in this section:

(a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state.

(b) "Employe" shall mean any person, other than a teacher, employed in the public schools, whether on a full or part time basis.

(c) "Immediate family" shall mean the teacher's spouse, children including stepchildren, parents and spouse's parents without reference to the location or residence of said relative.

(d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers for use by teachers who have exhausted all sick leave and other available paid leave days.

(2) Each district board of education shall allow to each teacher in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill or that the teacher was absent for the purpose of attending to a member of his immediate family who was ill. The ten (10) days of sick leave herein granted may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.

(3) Days of sick leave not taken by a teacher during any school year shall accumulate without limitation and be credited to that teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section. Any accumulated sick leave days, not to exceed thirty (30) days, credited to a teacher shall remain so credited in the event he transfers his place of employment from one school district to another within the state or to the Kentucky department of education.

(4) Accumulated days of sick leave shall be granted to a teacher, if prior to the opening day of the school

year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.

(5) A district board of education may adopt a plan for a sick leave bank. Teachers may contribute one (1) or several of their unused sick leave days to the sick leave bank. Days contributed will be deducted from the days available to the contributing teacher. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.

(6) After July 1, 1982, a district board of education may compensate, at the time of retirement, an employe or a teacher for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employe's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of such days includes unused sick leave days held by the employe or teacher at the time of implementation of such a program.

Section 2. KRS 161.623 is amended to read as follows:

(1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the teachers' retirement system may compensate, at the time of retirement for service, an active teacher for unused sick leave days in accordance with this section.

(2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick leave balance to the board of trustees of the Kentucky teachers' retirement system. The member's sick leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account. A maximum of one-half (1/2) year of credit may be added to a member's service credit for the purpose of determining the retirement allowance under KRS 161.620. Such sick leave credit shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 161.600.

(3) The board shall compute the cost to the retirement system of the sick leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.

(4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155*(6)*[~~(5)~~] or any other statutory provision.

(5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.

(6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.

4.[~~(d)~~] Classroom units for grade three (3) shall be allotted as follows:

8. Classroom units shall be allotted for each [~~(h)~~] twenty-seven (27) pupils in average daily attendance in grades seven (7) through twelve (12).

(b) Nine and six-tenths (9.6) average daily attendance shall be deducted for each unit allotted the school district for grades *seven (7)* [~~four (4)~~] through twelve (12) under subsection (9) of this section and seven and two-tenths (7.2) average daily attendance shall be deducted for each unit allotted the school district for grades four (4) through twelve (12) under subsection (10) of this section *except those units for exceptional children*

children allotted under subsection (10)(b) of this section. The average daily attendance of any exceptional child not assigned to a specific grade shall be added to the average daily attendance of grades four (4) through twelve (12) before classroom units are allotted under this *subsection* [~~paragraph~~].

(c) Unless otherwise provided by the general assembly in a budget bill, the allotments of classroom units in this subsection *and subsections (5) and (6)* shall be made on the average daily attendance for the end of the previous school year in public school grades kindergarten through twelve (12) except as provided in subsections (9) and (10) of this section.

(3) The superintendent of public instruction shall enforce maximum class sizes for every academic course requirement of the state board of education in kindergarten and grades one (1) through eight (8) except in vocal and instrumental music, art, physical education and special education classes. Except in classes combining pupils from two (2) or more grade levels, the maximum number of pupils enrolled in a class shall be calculated by adding three (3) to the average daily attendance figure upon which funding of the unit is appropriated in the biennial budget in *kindergarten and* grades one (1) through six (6) and by adding four (4) to the average daily attendance figure upon which funding of the unit is appropriated in the biennial budget in grades seven (7) and eight (8). The superintendent of public instruction, upon approval of the state board of education, shall adopt regulations for enforcing this provision. These regulations shall include procedures whereby a superintendent may request an exemption from the state board of education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one year exemptions for more classes than enroll twenty percent (20%) of the pupils in kindergarten and grades one (1) through eight (8).

(4) In classes with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes.

(5) If a local school district through its admission and release committee determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, then the school district shall count this as average daily attendance in a public school the time that such child is in attendance at such school or agency, contingent upon approval by the state superintendent of public instruction and pursuant to KRS 158.130.

(6) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 through 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers employed in such a center shall be considered as employes of each school district which is a party to the agreement.

(7) Allotments of classroom units except those allotted in accordance with subsection (8) of this section, shall be increased when the average daily attendance in kindergarten and grades one (1) through twelve (12) in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district in kindergarten and grades one (1) through twelve (12) for the first two (2) months of the previous school year. The total number of classroom units allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(8) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the number of classroom units allotted the district, except those allotted in accordance with subsection (7) of this section, for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(9) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for vocational education, one (1) classroom unit shall be allotted for each full-time teacher, and a proportionate fraction of a classroom unit shall be allotted for each less than full-time teacher of vocational classes that meet the regulations of the state plan of vocational education as approved by the state board of education; a proportionate fraction of a classroom unit shall be allotted for each teacher employed to teach part-time or short unit classes for less than a school day or a school year that meet the regulations of the state plan of

vocational education as approved by the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor.

(10) (a) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for exceptional children, one (1) classroom unit shall be included upon the employment of each teacher approved to teach such children in accordance with the provisions of law and Kentucky administrative regulations of the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor.

(b) Cooperative classroom units for exceptional children shall be allotted to serve pupils from two (2) or more districts which have one (1) district serving as the district of record and contractual arrangements regarding average daily attendance, financial responsibilities, and program responsibilities among all districts having students enrolled in the unit.

(c) [~~In addition to the classroom units allotted above,~~] If a local school district, through its admission and release committee, determines that the most appropriate and least restrictive individual educational program for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency, the school district shall be reimbursed in addition to the amount distributed under KRS 157.390, a pro rata allotment for those pupils under contract. The pro rata amount shall be calculated by dividing the district's average salary allotted for 185 days plus the current expense and capital outlay allotment per classroom unit by the maximum number of pupils required by regulations for the pupil's specific type of classroom unit. *Exceptional children counted for purposes of this paragraph shall not be counted for purposes described in paragraph (a) of this subsection.*

(11) (a)[~~(b) The superintendent of public instruction shall limit approval of additional private agencies for participation in state funding for the above cited program to those funds appropriated for this purpose in each biennial budget.~~

~~(c)~~]In allotting classroom units [~~for exceptional children~~] for home and hospital instruction, one (1) unit excluding the capital outlay allotment, shall be allotted for each ten (10) children in average daily attendance in the current school year who have been properly identified according to state board of education regulations. Attendance shall be calculated *for this subsection by counting a minimum of two (2) visits a week with a minimum of one (1) hour of instruction per visit by a teacher provided by the board of education as equivalent to the attendance of one (1) pupil five (5) days in school* [~~pursuant to KRS 157.270~~] and shall be reported monthly on forms provided by the department of education. *This equivalent attendance shall be included in the attendance used to calculate classroom units under subsection (2) at the appropriate grade level.*

(b)[~~(d)~~] Pursuant to regulations of the department of education, *local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments* [~~a portion of the classroom units for exceptional children appropriated in the biennial budget may be used to provide home or hospital instruction on an hourly basis for pupils properly identified according to state board of education regulations~~]. *An hourly* [~~A~~] reimbursement formula shall be established by regulation to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, a reasonable allotment for travel expenses to and from instructional assignments, but such formula shall not include an allotment for capital outlay. [~~Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.~~]

(12)[~~(11)~~] Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for administrative and special instructional services, the total number of classroom units allotted in subsections (2), (9), and (10) of this section shall be divided by nine (9) and the quotient shall be the number of classroom units allotted to the district under this subsection.

(13)[~~(12)~~] In allotting classroom units for supervisors of instruction, one-half (1/2) of a classroom unit shall be allotted each district which is allotted twenty-five (25) through forty-nine and nine-tenths (49.9) classroom units under subsections (2), (9) and (10) of this section; one (1) unit shall be allotted each district which is allotted fifty (50) to one hundred (100) classroom units, one (1) unit shall be allotted for each one hundred (100) classroom units, or major fraction thereof, in districts allotted more than one hundred (100) classroom units under these subsections.

(14)[~~(13)~~] Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for

directors of pupil personnel, one (1) classroom unit shall be allotted each district which is allotted thirty-six (36) to one hundred and sixty-five and nine-tenths (165.9) classroom units under subsection (2) of this section and a unit for each additional two hundred and sixty-six (266) classroom units or fraction thereof allotted under subsection (2) of this section. For districts having fewer than thirty-six (36) classroom units, a proportionate fraction of a classroom unit shall be allotted.

(15)[~~(14)~~] In allotting classroom units for superintendent, one unit shall be allotted each school district.

(16)[~~(15)~~] In allotting classroom units for gifted and talented children, the superintendent of public instruction, under Kentucky administrative regulations of the state board of education, may allot units for gifted and talented children. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without the approval of the governor.

Section 2. KRS 157.390 is amended to read as follows:

(1) (a) The superintendent of public instruction, under Kentucky administrative regulations of the state board of education, shall classify teachers in rank as follows:

Rank I. Those holding regular certificates and who have a master's degree in a subject field approved by the state board of education or equivalent preparation and who have earned thirty (30) semester hours of approved graduate work or its equivalent, and those teachers who, as of September 1, 1962, were included in Rank I, having earned twenty-four (24) semester hours of additional approved graduate work.

Rank II. Those holding regular certificates and who have a master's degree in a subject field approved by the state board of education or equivalent preparation.

Rank III. Those holding regular certificates and who have an approved four-year college degree or the equivalent.

Rank IV. Those holding certificates and who have ninety-six (96) to one hundred twenty-eight (128) semester hours of approved college training or the equivalent; provided, however, that persons holding emergency certificates shall not be classified higher than this rank for calculation of the amount to be included in the foundation program.

Rank V. Those holding certificates and who have sixty-four (64) to ninety-five (95) semester hours of approved college training or the equivalent.

(b) In determining ranks, the superintendent of public instruction, under Kentucky administrative regulations of the state board of education, shall classify teachers who hold valid certificates in the respective ranks according to approved college semester hours of credit. The superintendent of public instruction, in defining preparation for certain types of vocational teachers as equivalent to college training, shall give consideration to apprenticeship training and industrial experience.

(c) Nothing in this subsection shall allow the state board of education by regulation to reclassify downward any teachers currently in Ranks I or II.

(2) (a) The superintendent of public instruction, under Kentucky administrative regulations of the state board of education, shall classify teachers in each rank by their years of experience for purposes of the state teacher salary schedule as follows:

1. Zero to three (3) years;

2. Four (4) to nine (9) years;

3. Ten (10) to fourteen (14) years; and

4. Fifteen (15) or more years.

(b) Effective July 1, 1987, the years of categories of experience shall be as follows:

1. Zero to three (3) years;

2. Four (4) to nine (9) years;

3. Ten (10) to fourteen (14) years;

4. Fifteen (15) to nineteen (19) years; and

5. Twenty (20) or more years.

(3) (a) The state salary schedule shall be amended to increase the base pay five percent (5%) in 1986-87 and an additional five percent (5%) in 1987-88;

(b) In addition, in 1986-87 the category with ten (10) to fourteen (14) years of experience shall also receive a three hundred dollar ($300) increase in base pay and the category with fifteen (15) or more years of experience shall receive a seven hundred dollar ($700) increase in base pay; and

(c) In 1987-88 the category with ten (10) to fourteen (14) years of experience shall receive an additional five hundred dollars ($500) in base pay, the category with fifteen (15) to nineteen (19) years of experience shall receive an additional increase of nine hundred dollars ($900) in base pay, and the category with twenty (20) or more years of experience shall receive an additional increase of one thousand three hundred dollars ($1,300) in base pay.

(4) The amount to be included in each school year in the foundation program of a district for teachers' salaries shall be determined by multiplying the number of teachers in each rank, not to exceed the number of classroom units allowed, by the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days. Provided, the amount to be included for units allotted under KRS 157.360(9), [~~(11)~~], (12), (13), [~~and~~] (14) *and (15)* shall be increased proportionately if the personnel for such units are employed for longer than the regular school term and such employment is approved by the superintendent of public instruction under Kentucky administrative regulations of the state board. Where the actual number of teachers employed by the district varies from the number allowed under the provisions of KRS 157.310 to 157.440, the number to be included in each rank shall be in the same ratio that the number of teachers actually in each rank is to the total number of teachers employed.

(5) The amount to be included in the foundation program for other current expenses shall be determined by multiplying the number of classroom units by the amounts set forth in the biennial budget.

(6) The amount to be included in the foundation program for capital outlay shall be determined by multiplying the number of classroom units except those allotted pursuant to KRS 157.360*(11)(a)* [~~(10)(c) and (d)~~] by the amounts set forth in the biennial budget.

(7) The amount to be included in the foundation program of each district for transportation shall be determined by multiplying the aggregate attendance of transported children by the allowable cost per pupil per day for that district determined in accordance with the provisions of KRS 157.370.

(8) The total amount of money distributable to each district from the public school foundation program fund shall be the sum of the allotments in subsections (4), (5), (6) and (7) of this section.

Section 3. KRS 157.410 is amended to read as follows:

For each school year the finance and administration cabinet, on the certification of the superintendent of public instruction, shall draw warrants as specified hereinafter on the state treasurer for the amount of the public school foundation program fund due each district. Checks shall be issued by the state treasurer and transmitted to the department of education for distribution to the proper officials of the several school districts when the districts have fully complied with the school laws and Kentucky administrative regulations of the state board of education. The superintendent of public instruction shall determine on or before August 15 of each year the tentative allotment of school funds to which each district is entitled under the provisions of KRS 157.310 to 157.440. On July 1, August 1, and September 1, of each fiscal year, one-twelfth (1/12) of the prior year's allotment minus the capital outlay shall be paid each school district. On the first of each month thereafter until the final calculation is completed, one-twelfth (1/12) of each district's share of the tentative calculation for instructional salaries, current expenses, and transportation of the public common school foundation program fund shall be distributed. On or before May 1 of each year the superintendent of public instruction shall determine the exact amount of the public common school foundation program fund to which each district is entitled[~~, except those funds allotted pursuant to KRS 157.360(10)(c) and (d)~~] and the remainder of the amount due each district for the year shall be distributed in equal installments beginning the first month after completion of final calculation and for each successive month thereafter. [~~Final allotment of funds due each district pursuant to KRS 157.360(10)(c) and (d) shall not be calculated and distributed to the district until the last monthly report is received by the department of education.~~] Capital outlay shall be made in two (2) payments. The first, on *July 1* [~~or before October 1~~], shall be one-half (1/2) of the *prior year's final capital outlay allotment* [~~amount calculated on the tentative allocation for capital outlay~~]. The balance due, *based on the current year's final calculation*, shall be paid on or before May 1.

Section 4. KRS 157.564 is amended to read as follows:

(1) *Notwithstanding any statutory provisions to the contrary, effective for school years beginning on or after July 1, 1984, the board of education of each school district shall levy for general school purposes an ad valorem tax rate of fifteen (15) cents or the maximum rate supported by the common school district power equalization program in that or the next subsequent school year as provided for in KRS 157.555 and 157.560, whichever is greater.*

(2) No school district shall be eligible for the state power equalization support provided for in KRS 157.545 to 157.575 during any school year in which the board of education of such school district fails to levy the tax rate required in subsection (1) of this section.

(3) A voted general tax rate, as provided for in KRS 157.440, shall be credited toward the tax rate required in subsection (1) of this section.

(4) Notwithstanding any statutory provisions to the contrary, effective for school years beginning on or after July 1, 1986, the board of education of each school district shall levy for general school purposes a minimum equivalent tax rate of twenty-five (25) cents or the maximum rate supported by the common school district power equalization program in that or the next subsequent school year as provided for in KRS 157.555 and 157.560, whichever is greater. Equivalent tax rate is defined as the rate which results when the income collected during the prior year from all taxes levied by the district for school purposes is divided by the total assessed value of property plus the assessment for motor vehicles certified by the Commonwealth of Kentucky revenue cabinet.

(5)[~~(2)~~] No school district shall be eligible for the state power equalization support provided for in KRS 157.545 to 157.575 in excess of the state power equalization support received by that school district for the school year beginning on July 1, 1985, during any school year in which the board of education of such school district fails to levy the minimum equivalent tax rate of twenty-five (25) cents.

Section 5. KRS 157.575 is amended to read as follows:

(1) *For school year beginning July 1, 1986, and each year thereafter, each school district shall receive the 1985-86 power equalization allotment provided the provisions of KRS 157.564 are met.* No district shall be eligible for *any increase in* the state power equalization support provided for in KRS 157.545 to 157.575 *above the amount allotted for the 1985-86 school year* during any fiscal year in which the district board of education specifies in its budget for that fiscal year a total school tax rate which would produce less revenue than [~~was~~] produced by *an equivalent tax rate of twenty-five (25) cents or the maximum rate supported by the common school district power equalization program in that school year as provided in KRS 157.555 and 157.560, whichever is greater. The equivalent tax rate shall be calculated by dividing the income collected during the prior year from all taxes levied by the district for school purposes by the total assessed value of property plus the assessment for motor vehicles certified by the Commonwealth of Kentucky revenue cabinet. School districts collecting school taxes authorized by KRS 160.593 to 160.597, 160.601 to 160.633, and 160.635 to 160.648 for less than twelve (12) months during a school year shall have included in income collected under this section the pro rata tax collection for twelve (12) months* [~~the application of that district's total school tax rate for fiscal year 1976-77, less thirty (30) cents, to that district's 1976 assessment specified under KRS 160.460(3); provided that the 1976-77 revenue shall be recalculated if the tax voted under KRS 157.440 or 160.477 expires~~].

(2) The superintendent of public instruction shall not certify to the finance and administration cabinet for payment of the state power equalization support *an amount above the amount allotted for school year 1985-86* for any fiscal year a school district *becomes* [~~which has become~~] ineligible for such support as provided in subsection (1) above.

(3) *The tentative power equalization allotment to be paid under KRS 157.570 after June 30, 1986, shall be the 1985-86 power equalization fund allotment. This amount shall be distributed until the requirements of subsection (1) of this section are met* [~~Any district receiving a tentative allotment under KRS 157.570 which does not meet the requirement of subsection (1) above shall return all funds received to the district equalization program fund~~].

Section 6. KRS 160.470 is amended to read as follows:

(1) Each district board of education shall prepare a general school budget on forms prescribed and furnished by the state board of education, showing the amount of money needed for current expenses, debt service, capital outlay, and other necessary expenses of the schools during the succeeding fiscal year, the estimated total amount that will be received from the common school fund and other sources, the assessed valuation of property subject to local taxation in the school district furnished as provided in subsection (3) of KRS 160.460, an estimate made by the department of revenue of public service company assessments and assessments of other property in the school district not furnished under the provisions of subsection (3) of KRS 160.460, and the amount that will be needed to be raised by local taxation, including the rate of levy necessary to raise such an amount.

(2) (a) Notwithstanding any statutory provisions to the contrary, no district board of education shall levy a general tax rate, voted general tax rate, or voted building tax rate for 1979-80 which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the maximum general tax rate, voted general tax rate, or voted building tax rate, respectively, that could have been levied in 1978-79, to the 1978-79 assessment, except as provided in [~~subsection (1) of~~] KRS 157.564. In succeeding years, no district board of education shall levy a general tax rate, a voted general tax rate, or a voted building tax rate which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the general tax rate, maximum voted general tax rate, or maximum voted building tax rate, respectively, that could have been levied in the preceding year to the preceding year's assessment, except as provided in [~~subsection (1) of~~] KRS 157.564.

(b) In the event that an election is held as provided for in KRS 132.017 and the question should fail, such failure shall not reduce the "...general tax rate, maximum voted general tax rate, or maximum voted building tax rate, respectively, that could have been levied in the preceding year...," referred to in subsection (2)(a) of this section, for purposes of computing the general tax rate, voted general tax rate, or voted building tax rate for succeeding years.

In the event of a merger of school districts, the limitations contained in this section shall be based upon the combined revenue of the merging districts, as computed under the provisions of this section.

(3) No district board of education shall levy a general tax rate, voted general tax rate, or voted building tax rate within the limits imposed in subsection (2) of this section which respectively exceeds the compensating tax rate defined in KRS 132.010, except as provided in [~~subsection (1) of~~] KRS 157.564, until the district board of education has complied with the provisions of subsection (10) of this section.

(4) The superintendent of public instruction shall certify to each district board of education, by June 30 of each year, the following:

(a) The general tax rate, voted general tax rate, or voted building tax rate that a district board of education could levy under the provisions of subsection (2) of this section, and the amount of revenue expected to be produced by each;

(b) The compensating tax rate as defined in KRS 132.010 for a district's general tax rate, voted general tax rate, or voted building tax rate, and the amount of revenue expected to be produced by each;

(c) The general tax rate, voted general tax rate, or voted building tax rate which will produce, respectively, no more revenue from real property, exclusive of revenue from new property, than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010, and the amount of revenue expected to be produced by each.

(5) Upon completion of action on property assessment data the department of revenue shall submit to the superintendent of public instruction, certified property assessment data as required in KRS 133.125.

(6) Within thirty (30) days after the district board of education has received its assessment data, three (3) copies of the budget shall be forwarded to the state board of education for its approval or disapproval. The failure of the district board of education to furnish the budget within the time prescribed shall not invalidate any levy made thereafter.

(7) The budget shall be disapproved by the state board of education if it is financially unsound or fails to provide for:

(a) Payment of maturing principal of and interest on any outstanding voted school improvement bonds of the school district authorized and issued pursuant to KRS 162.080 and 162.090, with the written approval of the state board of education, or

(b) Payment of rentals in connection with any outstanding school building revenue bonds issued for the benefit of the independent school district or county school district, as the case may be, by the appropriate city or county as authorized and provided under the provisions of KRS 162.120 to 162.300 and KRS 58.010 to 58.140, with the written approval of the state board of education, or fails to comply with the law; and the state board of education shall state its reason, or reasons, for such disapproval.

In such event the district board of education shall amend its budget, within the limitations of this section, to obviate the reasons for disapproval and resubmit the budget to the state board of education for its final approval.

(8) If the budget as amended specifies a tax levy different from that levied under the disapproved budget, the tax-levying authority shall amend its levy in accordance therewith, so that the levy as amended shall comply with the provisions of subsection (1) of KRS 160.460. No general school budget shall become effective and no ad valorem levy shall be made until approved by the state board of education.

(9) Each district board of education shall, if required by the state board of education, prepare and submit to it not later than September 15, a close estimate or working budget which shall conform to the rules and regulations prescribed by the state board of education, and which shall be consistent in its major divisions with the general school budget previously prepared.

(10) (a) A district board of education proposing to levy a general tax rate, voted general tax rate, or voted building tax rate within the limits of subsection (2) of this section which exceed the compensating tax rate defined in KRS 132.010, shall hold a public hearing to hear comments from the public regarding the proposed tax rate. The hearing shall be held in the principal office of the taxing district, or, in the event the taxing district has no office, or the office is not suitable for such a hearing, the hearing shall be held in a suitable facility as near as possible to the geographic center of the district.

(b) The district board of education shall advertise the hearing by causing to be published at least twice in two (2) consecutive weeks, in the newspaper of largest circulation in the county, a display type advertisement of not less than twelve (12) column inches, the following:

7. The purpose of the hearing; and

8. A statement to the effect that the general assembly has required publication of the advertisement and the information contained herein.

(c) In lieu of the two (2) published notices, a single notice containing the required information may be sent by first-class mail to each person owning real property, addressed to the property owner at his residence or principal place of business as shown on the current year property tax roll.

(d) The hearing shall be open to the public. All persons desiring to be heard shall be given an opportunity to present oral testimony. The district board of education may set reasonable time limits for such testimony.

(11) (a) That portion of a general tax rate, a voted general tax rate, or a voted building tax rate, except as provided in [~~subsection (1) of~~] KRS 157.564, levied by an action of a district board of education which will produce, respectively, revenue from real property, exclusive of revenue from new property, more than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010, shall be subject to a recall vote or reconsideration by the district board of education, such as the case may be, as provided for in KRS 132.017, and shall be advertised as provided for in paragraph (b) of this subsection.

3. The name, address and telephone number of the county clerk of the county or urban-county in which the school district is located, with a notation to the effect that that official can provide the necessary information about the petition required to initiate recall of the tax rate.

A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one year exemptions for more classes than enroll twenty percent (20%) of the pupils in kindergarten and grades one (1) through eight (8).

(4) In classes with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes.

(5) If a local school district through its admission and release committee determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, then the school district shall count this as average daily attendance in a public school the time that such child is in attendance at such school or agency, contingent upon approval by the state superintendent of public instruction and pursuant to KRS 158.130.

(6) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 through 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers employed in such a center shall be considered as employes of each school district which is a party to the agreement.

(7) Allotments of classroom units except those allotted in accordance with subsection (8) of this section, shall be increased when the average daily attendance in kindergarten and grades one (1) through twelve (12) in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district in kindergarten and grades one (1) through twelve (12) for the first two (2) months of the previous school year. The total number of classroom units allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(8) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the number of classroom units allotted the district, except those allotted in accordance with subsection (7) of this section, for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(9) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for vocational education, one (1) classroom unit shall be allotted for each full-time teacher, and a proportionate fraction of a classroom unit shall be allotted for each less than full-time teacher of vocational classes that meet the regulations of the state plan of vocational education as approved by the state board of education; a proportionate fraction of a classroom unit shall be allotted for each teacher employed to teach part-time or short unit classes for less than a school day or a school year that meet the regulations of the state plan of vocational education as approved by the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor.

(10) (a) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for exceptional children, one (1) classroom unit shall be included upon the employment of each teacher approved to teach such children in accordance with the provisions of law and Kentucky administrative regulations of the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor. In addition to the classroom units allotted above, if a local school district, through its admission and release committee, determines that the most appropriate and least restrictive individual educational program for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency, the school district shall be reimbursed in addition to the amount distributed under KRS 157.390, a pro rata allotment for those pupils under contract. The pro rata amount shall be calculated by dividing the district's average salary allotted for 185 days plus the current expense and capital outlay allotment per classroom unit by the maximum number of pupils required by regulations for the pupil's specific type of classroom unit.

(b) The superintendent of public instruction shall limit approval of additional private agencies for participation in state funding for the above cited program to those funds appropriated for this purpose in each biennial budget.

(c) In allotting classroom units for exceptional children for home and hospital instruction, one (1) unit excluding the capital outlay allotment, shall be allotted for each ten (10) children in average daily attendance in the current school year who have been properly identified according to state board of education regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.

(d) Pursuant to regulations of the department of education, a portion of the classroom units for exceptional children appropriated in the biennial budget may be used to provide home or hospital instruction on an hourly basis for pupils properly identified according to state board of education regulations. A reimbursement formula shall be established by regulation to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, a reasonable allotment for travel expenses to and from instructional assignments, but such formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.

(11) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for administrative and special instructional services, the total number of classroom units allotted in subsections (2), (9), and (10) of this section shall be divided by nine (9) and the quotient shall be the number of classroom units allotted to the district under this subsection.

(12) In allotting classroom units for supervisors of instruction, one-half (1/2) of a classroom unit shall be allotted each district which is allotted twenty-five (25) through forty-nine and nine-tenths (49.9) classroom units under subsections (2), (9) and (10) of this section; one (1) unit shall be allotted each district which is allotted fifty (50) to one hundred (100) classroom units, one (1) unit shall be allotted for each one hundred (100) classroom units, or major fraction thereof, in districts allotted more than one hundred (100) classroom units under these subsections.

(13) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for directors of pupil personnel, one (1) classroom unit shall be allotted each district which is allotted thirty-six (36) to one hundred and sixty-five and nine-tenths (165.9) classroom units under subsection (2) of this section and a unit for each additional two hundred and sixty-six (266) classroom units or fraction thereof allotted under subsection (2) of this section. For districts having fewer than thirty-six (36) classroom units, a proportionate fraction of a classroom unit shall be allotted.

(14) In allotting classroom units for superintendent, one unit shall be allotted each school district.

(15) In allotting classroom units for gifted and talented children, the superintendent of public instruction, under Kentucky administrative regulations of the state board of education, may allot units for gifted and talented children. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without the approval of the governor.

Section 2. Whereas approved school budgets and teachers' schedules are already in operation for the 1985-86 school year and changing requirements in mid-year would create a hardship in many districts, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the governor.

Upon the failure of the county attorney to give the notices provided in this section, or to prosecute the remedies for collection of certificates within twelve (12) months after the right to collect accrued, or to duly complete the performance of any other duties necessary to collect the claims of the state, county and taxing districts for taxes, the revenue cabinet may perform such duties.

In any event, a copy of the temporary custody order shall be served on the parent, guardian or custodian of the child when the summons is served. The temporary custody order shall be effective until the case is heard on its merits, or until modified by the court*; provided, however, that no temporary custody order shall be effective for more than twenty-one (21) days unless an adjudicatory hearing on the merits of the case is begun within the twenty-one (21) day period. The twenty-one (21) days may be waived by the parents of the child or their attorney or the attorney for the child.* As a result of such order, the child shall be placed in custody and care in a family home or other suitable facility provided for under KRS 208.130, or in a facility operated by the cabinet if the cabinet is willing to receive the child or in a facility operated by a licensed child-caring institution or agency, and held therein pending further disposition by the court.

SECTION 3. A NEW SECTION OF KRS CHAPTER 202A IS CREATED TO READ AS FOLLOWS:

(1) Following an examination by a qualified mental health professional who is a staff member of a regional comprehensive care center and a certification by that professional that the respondent meets the criteria for involuntary hospitalization, a judge may order the respondent hospitalized for a period not to exceed seventy-two (72) hours, excluding weekends and holidays.

(2) Any individual who has been admitted to a hospital under subsection (1) of this section shall be released from the hospital within seventy-two (72) hours (excluding weekends and holidays) unless further detained under the applicable provisions of this chapter.

(3) Any respondent admitted to the hospital under subsection (1) of this section or released under subsection (2) of this section shall be transported to and from his home county by the sheriff of that county.

Section 4. KRS 202A.051 is amended to read as follows:

(1) Proceedings for sixty (60) days or three hundred sixty (360) days involuntary hospitalization of an individual shall be initiated by the filing of a verified petition in district court.

(2) *The petition and all subsequent court documents shall be entitled: "In the interest of (name of respondent)."*

(3) The petition shall be filed by a qualified mental health professional, peace officer, county attorney, commonwealth attorney, spouse, relative, friend or guardian of the individual concerning whom the petition is filed.

(4)[~~(3)~~] The petition shall set forth:

(a) Petitioner's relationship to the respondent;

(b) Respondent's name, residence and current location, if known;

(c) The name and residence of respondent's parents, if living and if known, or respondent's legal guardian, if any and if known;

(d) The name and residence of respondent's husband or wife, if any and if known;

(e) The name and residence of the person having custody of the respondent, if any, or if no such person is known, the name and residence of a near relative or that such person is unknown;

(f) Petitioner's belief, including the factual basis therefor, that the respondent is mentally ill and presents a danger or threat of danger to self, family or others if not restrained; and

(g) If the petition seeks a three hundred sixty (360) day involuntary hospitalization of the respondent, the petition shall further set forth that the respondent has been hospitalized *in a hospital or a forensic psychiatric facility* for a period of thirty (30) days under the provisions of this chapter or KRS Chapter 504 within the preceding six (6) months.

(5)[~~(4)~~] Upon receipt of the petition the court shall examine the petitioner under oath as to the contents of the petition. If the petitioner is a qualified mental health professional, the court may dispense with such examination.

(6)[~~(5)~~] If after reviewing the allegations contained in the petition and examining the petitioner under oath, it appears to the court that there is probable cause to believe the respondent should be involuntarily hospitalized, the court shall:

(a) Set a date for a preliminary hearing;

(b) Notify the respondent, his legal guardian, if any, and if known, and his spouse, parent(s), or nearest relative or friend concerning the allegations and contents of the petition and the date and purpose of the preliminary hearing; and the name, address and telephone number of the attorney appointed to represent the respondent;

(c) Cause the respondent to be examined without unnecessary delay, by two (2) qualified mental health professionals, at least one (1) of whom is a physician. The qualified mental health professional shall certify within twenty-four (24) hours (excluding weekends and holidays) their findings.

(7)[~~(6)~~] (a) If the respondent is being presently detained under the provisions of this chapter, the court may order further detention of the respondent to accomplish the examination ordered by the court.

(b) If the respondent is not being presently detained under the provisions of this chapter, the court may issue a warrant for the arrest of the respondent commanding therein that the respondent be examined without unnecessary delay by two (2) qualified mental health professionals, at least one (1) of whom is a physician.

(8)[~~(7)~~] When the court is authorized to issue a warrant for the arrest of the respondent, the court may, in its discretion, issue a summons. A summons so issued shall be directed to the respondent, shall command the respondent to appear at a time and place therein specified where the respondent shall be there examined by two (2) qualified mental health professionals, at least one (1) of whom is a physician, and shall command the respondent's appearance at the preliminary hearing. If a respondent who has been summoned fails to appear for such examination or at the preliminary hearing, a warrant may then be issued.

(9)[~~(8)~~] If upon completion of the preliminary hearing, the court finds there is probable cause to believe the respondent should be involuntarily hospitalized, the court shall order a final hearing to determine if the respondent should be involuntarily hospitalized.

(10)[~~(9)~~] If the court finds there is no probable cause, the proceedings against the respondent shall be dismissed, and the respondent shall be released from any detention.

(11)[~~(10)~~] If upon completion of the final hearing, the court finds the respondent should be involuntarily hospitalized, the court shall order the respondent hospitalized in a hospital for *a period not to exceed sixty (60) consecutive days from the date of the court order or a period not to exceed three hundred and sixty (360) consecutive days from the date of the court order, whatever was* the period of time that was requested in the petition.

Section 5. KRS 202A.076 is amended to read as follows:

(1) The preliminary hearing need not be formal and may include the receiving of the qualified mental health *professionals'* [~~professional's~~] reports as evidence. The hearing may be held by the court in chambers, at a hospital, or other suitable place. The respondent shall be afforded an opportunity to testify, to present, and cross-examine witnesses who appear and testify against him. The court may exclude all persons not necessary for the conduct of the hearing. The respondent and his attorney may waive respondent's right to a preliminary hearing.

(2) The final hearing may be conducted in an informal manner, consistent with orderly procedures, and in a physical setting not likely to have a harmful effect on the mental or physical health of the respondent. The hearing may be held by the court in chambers, at a hospital, or other suitable place. The respondent shall be afforded an opportunity to testify, to present, and cross-examine witnesses against him. The manner of proceeding and rules of evidence shall be the same as those in any criminal proceeding including the burden of proof beyond a reasonable doubt. *Proceedings shall be heard by a judge unless a party requests a jury trial* [~~The court shall impanel a jury for the final hearing unless the respondent and his attorney waive respondent's right to a jury trial~~].

Section 6. KRS 202A.081 is amended to read as follows:

(1) Following the preliminary hearing but *prior to the completion of* [~~pending~~] the final hearing, the court may order the person detained in jail, or in a hospital approved by the secretary for such purpose for the committing judicial district, or released, *upon application and agreement of the parties,* for the purpose of community-based outpatient treatment. *A person detained in jail under this section shall be detained therein no more than forty-eight (48) hours.*

(2) A hospital shall discharge a patient there detained and notify the court and attorneys of record if any authorized staff physician determines that the patient no longer meets the criteria for involuntary hospitalization.

(3) If a patient is discharged by the hospital pursuant to subsection (2), then the proceedings against the patient shall be dismissed.

(4) The release of the person pursuant to subsection (1) for the purpose of community-based outpatient treatment does not terminate the proceedings against the person, and the court ordering such release may order the immediate detention of the person at any time with or without notice if the court believes *from an affidavit filed with the court* that it is to the best interest of the person or others that the person be detained pending the final hearing, *which shall be heard within twenty-one (21) days of his further detention.*

(5) If the person is released pursuant to subsection (1) of this section for the purpose of community-based outpatient treatment, the final hearing may be continued for a period not to exceed sixty (60) days, provided that a provider of outpatient care accepts the respondent for specified outpatient treatment. Community-based outpatient treatment may be ordered for an additional period not to exceed sixty (60) days upon application and agreement of the parties.

Section 7. KRS 202A.181 is amended to read as follows:

(1) An authorized staff physician may release an involuntary patient on convalescent leave status when the physician concludes that the patient would not present a danger or a threat of danger to self or others if provided with continued medical supervision in a less restrictive alternative mode of treatment. Release on convalescent leave status shall include notification to the hospitalizing court. Release on convalescent leave status does not terminate the involuntary hospitalization order and shall include provisions for *the development of a treatment plan jointly by the hospital and by a provider of outpatient care for follow-up care by the provider and for the continual monitoring of that patient's condition by the provider* [~~a continuing responsibility by the hospital, and will include a plan of treatment by the hospital~~].

(2) The hospital from which such patient is given convalescent leave status may at any time readmit the patient without additional court proceedings. If there is reason to believe that it is to the best interest of the patient to be rehospitalized, the secretary or an authorized staff physician of the hospital may issue an order for the immediate rehospitalization of the patient. Such an order, if not voluntarily complied with, shall upon the endorsement by a judge of any court of the county in which the patient is a resident or is present, authorize any health or police officer to take the patient into custody and transport him to the responsible hospital. Notice of rehospitalization under this section shall be given to the originating court as soon as practicable and simultaneously with the order directing the rehospitalization if possible.

(3) Release on convalescent leave status shall not apply to persons held under hospitalization orders arising out of *KRS Chapter 504* [~~criminal charges~~] unless consent of the appropriate court is obtained.

SECTION 8. A NEW SECTION OF KRS CHAPTER 202A IS CREATED TO READ AS FOLLOWS:

When a patient undergoing involuntary treatment on an inpatient basis is absent from the hospital without, or in excess of authorization from the hospital staff, the person in charge, or that person's designee, may contact the appropriate sheriff or other peace officers who shall take the patient into custody and return him to the hospital.

Section 9. KRS 202A.196 is amended to read as follows:

(1) Every hospital approved under the provisions of this chapter shall have a review committee of three (3) qualified mental health professionals appointed by the hospital director. This review committee shall have the authority to review the appropriateness of a patient's individual treatment plan.

(2) Upon the refusal of an involuntary patient to participate in any or all aspects of his treatment plan, the review committee shall examine the appropriateness of the patient's individual treatment plan. Within three (3) days of the refusal, the review committee shall meet with the patient and his counsel or other representative to discuss *its* [~~their~~] recommendations.

(3) If the patient still refuses to participate in any or all aspects of his individual treatment plan, the hospital may petition the district court for a de novo determination of the appropriateness of the proposed treatment. Within seven (7) days, the court shall conduct a hearing, consistent with the patient's rights to due process of law, and shall utilize the following factors in reaching its determination:

(a) Whether the treatment is necessary to protect [~~other patients or~~] the patient *or others* [~~himself~~] from harm;

(b) Whether the patient is incapable of giving informed consent to the proposed treatment;

(c) Whether any less restrictive alternative treatment exists; and

(d) Whether the proposed treatment carries any risk of permanent side effects.

(4) Upon the completion of the hearing, the court shall enter an appropriate judgment.

Section 10. KRS 202A.201 is amended to read as follows:

(1) Whenever an inmate of any penal and correctional institution is reported by the staff of that institution to the corrections cabinet as being so mentally ill that he cannot be properly treated with the facilities at the disposal of the staff, the corrections cabinet shall have an examination conducted on such inmate by a physician.

(2) If this examination reveals that the inmate is mentally ill and appropriate treatment cannot be properly carried out in the institution in which he is incarcerated or within the facilities at the disposal of the corrections cabinet, the secretary *of the corrections cabinet* may then *request* [~~order~~] his transfer to a hospital or forensic psychiatric facility, where he shall remain until the staff of the facility which received him advises the secretary *of the corrections cabinet* that his condition *is such* [~~has so improved~~] that he may be returned to the institution from which he came. The secretary *of the corrections cabinet* shall then authorize his return. If the prisoner's sentence expires during his stay in the facility, and he is still in need of involuntary hospitalization, then the staff of the facility shall petition the applicable district court for further involuntary hospitalization of the patient under provisions of this chapter.

(3) During the time of the prisoner's stay in a facility his legal status as a prisoner shall remain unchanged until the termination of his sentence. The facility staff shall have no authority to parole, grant permission to visit relatives or friends outside the facility, or discharge the individual unless otherwise agreed to by the corrections cabinet. The time the prisoner spends in the facility shall be counted as a part of the prisoner's sentence.

Section 11. KRS 504.140 is amended to read as follows:

If a defendant is found guilty but mentally ill, the court *may* [~~shall~~] appoint at least one (1) psychologist or psychiatrist to examine, treat and report on the defendant's mental condition at the time of sentencing.

(2) To limit the number of attempts and the amount of time that a manufacturer, its agents and its authorized dealers shall have to cure such non-conformities; and

(3) To require manufacturers to provide, in as expeditious a manner as possible, a refund, not to exceed the amount in Section 3 of this Act, or replacement vehicle that is acceptable to the aggrieved consumer whenever the manufacturer, its agents or its authorized dealers fail to cure any non-conformity within the specified limits.

SECTION 10. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) (a) For the purpose of assuring adequate, economical, and stable supplies of fuel-grade alcohol for the use and benefit of residents and motorists in this state; to preserve and stimulate the existing fuel-grade alcohol industry; and to encourage the establishment and growth of new fuel-grade alcohol facilities, the cabinet is hereby authorized to establish and make available from the revenues collected pursuant to KRS 138.220, a fuel-grade alcohol credit fund, and to use the fund, for and on behalf of the Commonwealth, to partially offset the operating costs of those fuel-grade alcohol producers that contribute to the economy of this state, by participating in and subsidizing the market costs for fuel-grade alcohol offered for sale in this state in the manner and form hereinafter provided; and

(b) Any dealer in gasoline shall receive a credit for each gallon of fuel-grade alcohol, or fuel-grade alcohol contained in a gasoline-alcohol blend, which is blended or purchased by a dealer and on which the tax imposed by KRS 138.220 is due and payable, except as otherwise provided in subsection (6) of this section. The credit shall be in the amount specified in subsection (2) of this section for two (2) annual periods beginning on July 1, 1986, and ending on June 30, 1988. Any such credit shall be reduced by the same amount per gallon as any increase per gallon in the federal excise tax exemption for alcohol fuels effective on the date of such increase.

(2) The total amount of the credit authorized in any annual period by subsection (1) of this section shall not exceed twenty-one million dollars ($21 million) and the per gallon credit to a dealer shall be:

(a) Thirty-five (35) cents for each gallon of fuel-grade alcohol certified to a dealer or a dealer's supplier by a licensed alcohol producer to have been distilled within Kentucky; or,

(b) Twenty-five (25) cents for each gallon of fuel-grade alcohol certified to a dealer or a dealer's supplier by a licensed alcohol producer to be qualified for the credit pursuant to subsection (3) of this section;

(c) Provided that, within ninety (90) days after the end of each annual period the cabinet shall determine if the total credits authorized pursuant to paragraph (a) plus paragraph (b) of this subsection have exceeded twenty-one million dollars ($21 million). If such limit has been exceeded, the cabinet shall further determine the amount of such excess, if any, by which the credits authorized pursuant to paragraph (a) of this subsection have exceeded eight and one-half million dollars ($8.5 million) and by which the credits authorized pursuant to paragraph (b) of this subsection have exceeded twelve and one-half million dollars ($12.5 million). The cabinet shall assess the amount of each such excess credit, if any, as a reimbursement excise tax to the licensed alcohol producer certifying the fuel-grade alcohol to a dealer or a dealer's supplier in respect of which the excess credit was claimed. The reimbursement excise tax shall be payable within thirty (30) days from the date of assessment and shall be collectable in the manner and form prescribed for taxes assessed pursuant to KRS 138.220.

(d) The cabinet shall maintain during each annual period a cumulative monthly record of all credits authorized pursuant to paragraph (a) and paragraph (b) of this subsection and shall upon request report the status of such record to licensed alcohol producers.

(3) The fuel-grade alcohol or gasoline-alcohol blend eligible for the credit authorized by this section shall be limited to alcohol distilled within this state and region, except as provided by paragraphs (a) and (b) of this subsection. For purposes of this section "distilled within this state and region" shall include alcohol distilled at a plant located in this state or in a bordering state, employing residents of this state to the extent of one-third (1/3) of its total work force, and purchasing one-half (1/2) of its annual requirements of grain or coal from producers within this state:

(a) If the cabinet certifies that another state provides an exemption, credit, or refund from that state's motor fuel excise tax or sales tax that is applicable to fuel-grade alcohol, or a gasoline alcohol blend which contains fuel-grade alcohol distilled in Kentucky, and if the distiller in the other state otherwise meets the requirements of this section and secures the license provided in subsection (2)(b) of this section, then the alcohol distilled in the other state shall be eligible for the credit provided in subsection (2)(b) of this section to the extent that this credit would be allowed by such other state; and

(b) Under no circumstances shall the per gallon value of the credit for alcohol distilled in the other state, as provided by paragraph (a) of this subsection, exceed the per gallon value of the credit for fuel-grade alcohol provided in subsection (2)(b) of this section.

(4) Every dealer claiming a credit authorized by this section shall file his claim as a supplement to the dealer report required by KRS 138.240. The claim shall be made under oath or affirmation on forms the cabinet may prescribe of the total number of gallons of fuel-grade alcohol upon which a credit is claimed and the total amount of the credit claimed. The claim shall include the following information:

(a) An itemized statement of the total number of gallons of fuel-grade alcohol, or fuel-grade alcohol contained in gasoline-alcohol blends, upon which a credit is claimed, showing the date of receipt of each shipment, the name and address of the licensed alcohol producer or supplier of each shipment, the invoice number, the point of origin, the point of destination, the quantity of each purchase or shipment, the method of transportation, and the name and address of the carrier; and if blended by the dealer with received gasoline, the date and place of blending and such details of the sale, distribution or use of the gasoline-alcohol blend as the cabinet may require;

(b) A written certification from a licensed alcohol producer confirming that the fuel-grade alcohol supplied by it to the dealer, or to the dealer's supplier, was distilled by a licensed alcohol producer in conformity with the requirements of this section and is qualified for the credit authorized by subsection (2)(a) or (2)(b) of this section; and

(c) The dealer shall also furnish such other information relating to the purchase, receipt, inventory, transportation, sale, distribution, exchange or use of fuel-grade alcohol or gasoline-alcohol blends as the cabinet may require.

(5) Upon determination by the cabinet of a dealer's right to receive the credit authorized by this section, the credit shall be determined by multiplying the number of gallons of fuel-grade alcohol for which the credit is claimed by the appropriate amount as provided under subsection (2)(a) or (2)(b) of this section. The credit shall be applicable to the dealer's tax liability under KRS 138.220 for the following month but under no circumstances shall the credit exceed the dealer's tax liability for such month. Any residual credit may be carried over to the following month.

(6) (a) The credit provided in this section shall not apply to gasoline-alcohol blend delivered to storage facilities of persons qualifying, under the provisions of KRS 138.341, 138.344, 138.445, and 138.662, for a refund of the tax paid pursuant to the provisions of KRS 138.210 to 138.340;

(b) The revenue cabinet may require the dealer to report such information as is necessary to administer the provisions of this subsection;

(c) Refunds due under the provisions of KRS 138.341, 138.344, 138.445, and 138.662 for tax paid pursuant to the provisions of KRS 138.210 to 138.340 on gasoline-alcohol blend dispensed from storage facilities serving both persons qualifying and not qualifying for the refund due, shall be reduced by the amount of the credit provided for in this section;

(d) Notwithstanding the provisions of any other section to the contrary, the cabinet may require persons applying for a refund under the provisions of KRS 138.341, 138.344, 138.445 and 138.662 to furnish the cabinet such information as is necessary to administer the provisions of this subsection;

(e) The credit provided in this section shall not be allowed in respect of any fuel-grade alcohol improperly certified to a dealer or a dealer's supplier by a licensed alcohol producer, and any such certification which is fraudulent shall constitute cause for the suspension, revocation, cancellation or refusal to renew the license authorized by subsection (7) of this section; and

(7) (a) Any distiller who desires to qualify fuel-grade alcohol distilled by it for purposes of this section shall procure a license and post bond pursuant to regulations prescribed by the cabinet. No such license shall be granted:

1. Unless the cabinet has determined to its satisfaction that the aggregate present and proposed operations and activities of the licensee in this state will significantly assist in providing adequate, economical, and stable supplies of fuel-grade alcohol to dealers in this state and will tend to directly or indirectly confer measurable investment, trade, employment, or other economic or market benefits upon this state;

2. Unless the distillery owned or operated by the licensee is regulated by the United States; and

3. Unless, as a condition precedent for the grant of such license, the licensee shall agree to subject itself to the jurisdiction of this state for the purpose of paying all taxes required by law and filing such reports and permitting such audits of its records and inspection of its premises as the cabinet may prescribe;

(b) Such licensee shall also post and keep in force a continuous surety bond, issued by a surety authorized to do business in this state and approved by the cabinet. The bond shall be in the amount of not less than fifty thousand dollars ($50,000), or such greater amount as may be fixed from time to time by the cabinet having due regard to the quantity of fuel-grade alcohol supplied by the licensee and eligible for credit in this state, and shall be conditioned upon the faithful compliance by the licensee with the requirements of law and with all regulations of the cabinet. No bond shall be required if the distillery of the licensee is located entirely within this state;

(c) Upon the grant of any annual license pursuant to this subsection the licensee shall pay a regulatory license fee to the cabinet in the amount of ten thousand dollars ($10,000), for each annual license period, which shall commence on July 1 and end on June 30 of each year. No annual license fee shall be required if the distillery of the licensee is located within this state; and

(d) The cabinet may revoke, suspend, or cancel the license herein authorized at any time for cause and may for cause refuse to renew any annual license. Any ruling by the cabinet in respect of the refusal to grant such license or the revocation, cancellation, or suspension thereof shall be made by written notice and shall constitute a final ruling of the cabinet for all purposes.

(8) Every licensed alcohol producer selling or distributing fuel-grade alcohol to dealers or dealers' suppliers in this state shall file a report with the cabinet on or before the twenty-fifth day of each month in respect of the production, sale, use, distribution and exchange of fuel-grade alcohol during the immediately preceding calendar month. The report shall be made under oath or affirmation on such forms as the cabinet may prescribe of the total number of gallons of fuel-grade alcohol sold, used, distributed or exchanged and certified by it to dealers or dealers' suppliers in this state as qualified for the credit authorized by this section. The report shall include the following information:

(a) An itemized statement of the total number of gallons of fuel-grade alcohol sold or distributed to dealers or dealers' suppliers in this state or exchanged with another licensed alcohol producer, showing the date of each shipment, the name and address of the dealer or dealer's supplier, or, if exchanged, the name and address of the licensed alcohol producer, the invoice number, the point of origin, the point of destination, the quantity of each purchase, shipment or exchange, the method of transportation, and the name and address of the carrier;

(b) A copy of the written certification furnished by the licensed alcohol producer confirming that the fuel-grade alcohol supplied by it to the dealer, or to the dealer's supplier, was distilled by a licensed alcohol producer in conformity with the requirements of this section and is qualified for the credit authorized by subsection (2)(a) or (2)(b) of this section; and

(c) The licensed alcohol producer shall also furnish such other information relating to the production, purchase, receipt, inventory, transportation, sale, distribution, exchange or use of fuel-grade alcohol or gasoline-alcohol blends, if any, as the cabinet may require.

SECTION 11. A NEW SECTION OF KRS CHAPTER 175 IS CREATED TO READ AS FOLLOWS:

There is hereby created a fund in the road fund of the Commonwealth of Kentucky entitled the debt payment acceleration fund. The fund shall consist of twenty percent (20%) of the revenues to the state road fund provided by the adjustments in KRS 138.220(2) excluding the provisions of KRS 177.320 and 177.365.

Annually the transportation cabinet shall use the funds generated to accelerate the payment of debt service including principal and interest, over and above the annual debt service payments appropriated for each fiscal year, for all bonds issued and any refinancings thereof by the Kentucky turnpike authority. The transportation cabinet shall notify the interim joint committee on appropriations and revenue by January 1 of each fiscal year of the debt payments which are to or have been accelerated in the fiscal year. In the event that, due to bond market conditions, the terms of the bonds issued or other factors, the transportation cabinet is unable to accelerate debt service payments, the transportation cabinet shall provide documentation to the interim joint committee on appropriations and revenue that such acceleration is not possible and the reasons therefor. In such an event, the funds not available for debt acceleration shall be placed in a special escrow account in the transportation cabinet. Such funds shall not be expended for any of the lawful purposes of the transportation cabinet but shall be held in the escrow account until such time as the debt acceleration described by this section is possible. The transportation cabinet shall invest the funds allocated to the escrow account and any funds generated from these investments shall remain in the escrow account. Any funds remaining in the escrow account at the close of the fiscal year shall not lapse but shall be carried forward to the next fiscal year for use as provided in this section. In the event that all principal and interest outstanding on any bonds issued or any refinancing thereof by the turnpike authority has been paid, the transportation cabinet shall so report. In that event, any funds remaining in the escrow account shall remain in the fund until such time as the funds are appropriated by the general assembly for any of the lawful purposes of the transportation cabinet.

The tax herein imposed shall be paid by the dealer receiving the gasoline to the state treasurer in the manner and within the time specified in KRS 138.230 to 138.340 and all such tax may be added to the selling price charged by the dealer or other person paying the tax on gasoline sold in this state. Nothing herein contained shall authorize or require the collection of the tax upon any gasoline after it has been once taxed under the provisions of this section.

(2) *In addition to the excise tax provided in subsection (1) of this section, there is hereby levied a supplemental highway user motor fuel tax to be paid in the same manner and at the same time as the tax provided in subsection (1) of this section. Such tax shall be calculated, starting with the quarter beginning July 1, 1986, by taking the excise tax resulting from the calculation provided for in subsection (1) of this section and adjusting such tax calculated, for each quarter, to reflect decreases in the average wholesale price, as defined in KRS 138.210(10)(a). The adjustment shall be made by calculating the difference between the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter. In the event of a decrease in the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that quarter. The upward adjustment shall equal one-half (1/2) of the decrease between the two (2) quarterly periods, rounded to the third decimal. In no case shall the adjustment provided by this subsection result in a supplemental highway user motor fuel tax for the quarter of greater than five (5) cents and notwithstanding any adjustment which may be calculated as provided by this subsection, in no case shall the supplemental highway user motor fuel tax for the quarter be less than the previous quarter. The supplemental highway user motor fuel tax provided by this subsection and the provisions of subsection (1) of this section shall constitute the tax on motor fuels imposed by KRS 138.220.*

(3) Effective with the calendar quarter beginning July 1, 1980, the cabinet shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.

(4)[~~(3)~~] Dealers with a tax-paid gasoline inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average wholesale price for the new quarter. For the purpose of this adjustment, average wholesale price on June 30, 1980, shall be deemed to be one dollar ($1). The cabinet shall promulgate such rules and regulations to properly administer this provision.

(b) That number of gallons of gasoline equal to two and one-fourth percent (2 1/4%) of the total number of gallons of gasoline received by the dealer within this state during the next preceding calendar month, less the total number of gallons deducted under paragraph (a) of this subsection, this deduction being allowed to cover evaporation, shrinkage, unaccountable losses, collection costs, bad debts and handling and reporting the tax.

(2) The tax imposed by KRS 138.220*(1) and (2)* shall be computed on the number of gallons remaining after the deductions set forth in subsection (1) of this section have been made, and shall constitute the amount of gasoline tax payable for the next preceding calendar month.

The tax imposed by this section shall not apply to special fuels delivered into storage facilities of consumers or persons engaged in the business of selling special fuels for use in motor vehicles when such special fuels are to be sold or used for nonhighway purposes and provided that the storage facilities for such special fuels have been approved and identified as nontaxable storage pursuant to regulations of the cabinet provided that the cabinet may not refuse to approve such nontaxable storage except for adequate cause.

(b) For all special fuels withdrawn by any special fuels dealer and dispensed into the fuel supply tank of a motor vehicle. An allowance of one percent (1%) of the tax shall be made to the special fuels dealer to cover unaccountable losses, bad debts, and handling and reporting the tax. For the purpose of the proper administration of this chapter and to prevent the evasion of the tax and to enforce the duty of the special fuels dealer to collect the tax, it shall be presumed that all special fuels delivered by any special fuels dealer within this state are taxable unless the contrary is established by the special fuels dealer pursuant to regulations prescribed by the cabinet.

(3) No provision of KRS 234.310 to 234.440 shall in any way affect the surtax imposed on heavy equipment motor carriers under KRS 138.660.

Section 17. KRS 234.380 is amended to read as follows:

WHEREAS, as of August 27, 1985, there were 11,300 Federal Land Bank borrowers in Kentucky of which there were 262 delinquent borrowers, and there were 17,700 Production Credit Association borrowers of which 373 were delinquent; and

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

In the case of financing of any bond project approved by the general assembly, the costs of issuance of bonds or notes shall be added to project costs in determining the principal amount of authorized financing of any such project.

(3) The board shall adopt responsible rules and regulations, including but not limited to regulations which *delineate qualifications for licensure and renewal of licensure and which* establish ethical standards of practice, and may amend or repeal the same.

(4) Every person who holds a license to practice speech-*language* pathology or audiology in this state shall be governed and controlled by the rules of professional conduct adopted by the board.

(5) The conferral or enumeration of specific powers elsewhere in this chapter shall not be construed as a limitation of the general powers conferred by this section.

(6) The board shall fix appropriate and reasonable fees for licensing, and shall periodically review and modify these fees as necessary.

Section 9. KRS 334A.130 is amended to read as follows:

(1) Each person desiring to obtain a license from the board shall make application to the board. The application shall be made upon a form and [~~shall be made~~] in such a manner as the board prescribes in regulations duly adopted under this chapter.

Section 10. KRS 334A.150 is amended to read as follows:

A license revoked on disciplinary grounds is subject to expiration as provided in this chapter, but it may not be renewed. If it is reinstated after its expiration, the licensee, as a condition of reinstatement, shall pay a reinstatement fee in an amount equal to the renewal fee in effect on the last preceding regular renewal date before the date on which it is reinstated, plus the delinquency fee, if any, accrued at the time of its revocation.

HB 790, AN ACT relating to emergency medical services and making an appropriation therefor.

The Kentucky General Assembly hereby declares that:

WHEREAS, the provision of emergency medical services is a matter of vital concern affecting the public health, safety and welfare of the people of the Commonwealth of Kentucky; and

WHEREAS, it is the purpose of this chapter to promote the establishment and maintenance of an effective system of emergency medical service, including the personnel, training, necessary equipment, and facilities to insure that all emergency patients receive prompt and adequate medical care throughout the range of emergency conditions encountered; and

WHEREAS, it is the purpose and intent that the commission to be established shall cooperate with other agencies empowered to license persons engaged in the delivery of health care so as to coordinate the efforts of the commission and such agencies, and to establish standards and requirements for the furnishing of emergency medical services by persons not licensed or regulated by other appropriate agencies; and

WHEREAS, it is also the purpose and intent of this Act to consolidate under this chapter of KRS all ambulance service (KRS 216B.010 to 216B.130 and 216B.990(1)(2)), emergency medical technician (KRS 211.960 to 211.968) and related sections on emergency medical technician training, emergency medical services funding (KRS 211.950 to 211.958) and related statutes and regulations to greatly facilitate and improve the coordination of emergency medical services within the Commonwealth of Kentucky. However, such injunction shall not relieve any such person from criminal prosecution for such offense as provided for in this chapter, but such remedy shall be in addition to any remedy provided for the criminal prosecution of such offense.

SECTION 13. A NEW SECTION OF KRS CHAPTER 211A IS CREATED TO READ AS FOLLOWS:

A matching fund program is hereby created for the purpose of assisting local ambulance providers in the purchases of ambulances and equipment. The fund shall consist of such moneys as may be appropriated by the general assembly or may be obtained from other sources for the fund as provided in this section and Section 14 of this Act:

(1) Application and justification of need for moneys from the fund shall be based upon the commission's priorities;

(2) Application for moneys from the fund may be made to the commission by any city or county with the assistance of the applicable emergency medical services system based upon guidelines established by the commission;

(3) Moneys from the fund will be provided on a fifty percent (50%) state and fifty percent (50%) local funds matching basis for any ambulance or other item of equipment desired to be procured. No county, including all grants to cities within the county, shall receive more than twelve thousand five hundred dollars ($12,500) from the fund per year;

(4) No funds awarded pursuant to this section shall be used for any other purpose than the purpose for which they were awarded. Funds remaining unexpended one year from the date of the award shall lapse and shall be returned to the fund by the recipient city or county;

(5) Funding periods shall coincide with the fiscal year as established by the commission;

(6) Each ambulance or item of equipment purchased shall meet or exceed, if a standard has been set for the particular item of equipment, the standards set by the commission.

SECTION 14. A NEW SECTION OF KRS CHAPTER 211A IS CREATED TO READ AS FOLLOWS:

A matching fund program is hereby created for the purpose of assisting city and county governments in providing for an adequate number of trained emergency medical service personnel in those cities or counties where other personnel funding resources are unavailable or inadequate and where expenditures for ambulance services exceed five percent (5%) of the city or county general fund budget:

(1) Monies from the fund may be provided to a city or county government for emergency medical services personnel only;

(a) When the number of personnel operating the ambulance service is consistent with commission guidelines;

(b) When the revenue of the city or county (as appropriate), including ambulance service district tax revenue and other income is insufficient to meet the personnel needs of the ambulance service; and

(c) When the provision of ambulance service meeting the personnel guidelines would require more than five percent (5%) of the general fund budget of the city or county.

(2) Moneys from the fund shall be used solely to match expenditures which exceed the five percent (5%) limit and may not be used to supplement expenditures below the five percent (5%) limit.

(3) If the city or county enacts an ambulance service district tax as provided for in KRS Chapter 108 then the revenues raised by that tax may be used as a set-off against the five percent (5%) of the general fund requirement on a one for one direct reduction basis. Thus, if the ambulance service district tax raises revenues equalling one percent (1%) of the general fund budget then the amount necessary from the general fund budget shall be four percent (4%) and so forth up to the required limit of five percent (5%).

(4) Application for money from the fund may be made to the commission by any city or county.

(5) Moneys from the fund will be provided on a fifty percent (50%) state and fifty percent (50%) local funds matching basis for emergency medical services personnel salaries. Local match shall be in money and in-kind matching is prohibited. No county, including all grants to cities within the county, shall receive more than forty thousand dollars ($40,000) from the fund per year.

(6) No funds awarded pursuant to this section shall be used for any other purpose than the purpose for which they were awarded. When the actual expenditures from the city or county general fund budget for ambulance service do not meet or exceed five percent (5%) of the general fund budget of the city or county for that year, then the matching money shall be refunded to the commission. Funds remaining unexpended one (1) year from the date of the award shall lapse and shall be returned to the fund by the city or county.

(7) Funding periods shall coincide with the fiscal year.

SECTION 15. A NEW SECTION OF KRS CHAPTER 211A IS CREATED TO READ AS FOLLOWS:

In any city or county where at least fifty percent (50%) of ambulance personnel are volunteers or in which at least fifty percent (50%) of the ambulance services are operated by volunteers the city or county may elect to apply up to forty thousand dollars ($40,000) of the amount for which they are eligible under Section 14 of this Act to increase the amount of money available for purposes of Section 13 of this Act.

SECTION 16. A NEW SECTION OF KRS CHAPTER 211A IS CREATED TO READ AS FOLLOWS:

No person shall:

(1) Hold himself out as certified pursuant to Sections 16 or 17 of this Act nor use the initials "EMT" when he does not hold a current valid certification issued pursuant to Sections 16 or 17 of this Act; or

SECTION 17. A NEW SECTION OF KRS CHAPTER 211A IS CREATED TO READ AS FOLLOWS:

The commission shall adopt administrative regulations relating to emergency medical technicians. Recertification programs shall be organized to include continuing education and in-service training approved by the commission.

SECTION 18. A NEW SECTION OF KRS CHAPTER 211A IS CREATED TO READ AS FOLLOWS:

Recertification programs shall be organized to include continuing education and in-service training approved by the commission.

SECTION 20. A NEW SECTION OF KRS CHAPTER 211A IS CREATED TO READ AS FOLLOWS:

Any person who violates any of the provisions of this chapter shall be fined not more than five hundred dollars ($500) or imprisoned in the county jail for not more than sixty (60) days, or both fined and imprisoned. Each day of continued violation of the provisions of this chapter shall be considered a separate offense.

Section 21. KRS 65.710 is amended to read as follows:

(6) The vehicle, equipment, training, and personnel requirements of subsections (2), (3), and (4) of this section shall also apply to the operation of an ambulance service by a city or a county or by a city and a county jointly.

(7) No provisions of this section shall be construed as to limit the power of any city or county to contract for or operate ambulance services under requirements which are stricter than those of this section, or to require insurance, or bonding of contractors, provided such provisions are not in conflict with the requirements of this section.

No officer or employe covered by the provisions of KRS 78.400 to *78.480* [~~78.460~~] shall be suspended, laid off, demoted, promoted, fined, disciplined or threatened, or in any way changed in rank, duty

or compensation for withholding or neglecting to pay or make any contribution of any sort, or character, either in money, goods or services or anything of value for any political purpose whatsoever.

(3) No examination question in any examination held by the board shall relate to any political or religious opinion, belief, affiliation or service and no appointment, promotion, demotion, suspension, fine or removal shall be brought about, effected, affected or influenced by such opinions, beliefs, affiliations or services.

(4) No officer or employe covered by KRS 78.400 to *78.480* [~~78.460~~] shall foster, promote, or be concerned with any actions involving political or religious controversies or prejudices while in uniform.

(5) Nothing contained in KRS 78.400 to *78.480* [~~78.460~~] shall be so construed as to abridge the rights of any officer or employe with respect to his or her personal opinions or beliefs or right to vote.

Section 8. KRS 78.440 is amended to read as follows:

(1) Every county police force merit system board created hereunder shall make, promulgate, and when necessary, amend rules for the qualifications, original appointment, promotion, demotion, transfer, layoff, reinstatement, suspension, fine and removal of the officers and employes covered by KRS 78.400 to *78.480* [~~78.460~~]. *No rule or regulation made, promulgated, or amended by any county police force merit system board shall be inconsistent with the express provisions of this chapter nor shall any such rule or regulations abridge or mitigate in any manner the express procedural rights afforded officers and employes under the provisions of KRS 78.440 to 78.480 which shall be liberally construed to preserve the administrative and procedural due process rights of county police officers and employes covered thereunder.* The board shall publish its rules and any amendments thereto by supplying a certified copy thereof to the county judge/executive, the fiscal court and the chief, and by posting a copy thereof conspicuously in the office or place where the headquarters of the county police is maintained. Said rules and amendments thereto shall be published in the manner prescribed within three (3) days after the adoption thereof.

(2) The rules in addition to other matters shall specifically provide for and cover the following:

(a) 1. Physical, mental, educational, citizenship and age requirements for new employes and officers.

2. Physical, mental, educational, citizenship and age requirements for new employes and officers and seniority requirements for promotion from lower to higher rank or classification.

3. A grade A patrolman must have three (3) years of service as a grade A patrolman before he may be eligible for the promotion to the rank of sergeant. If there are fewer than fifty (50) police officers on the police force, the merit board may waive this service requirement.

(b) 1. Open competitive written, oral and physical tests to determine the relative fitness of all candidates and examinations for original appointment and for promotion.

2. Public notices of examinations provided in subparagraph 1 of paragraph (b) and subparagraph 2 of paragraph (a) of this subsection.

(c) Temporary appointments in case of emergency.

(d) Organization and meetings of the board.

(e) Procedure and conduct of public hearings.

(3) No county police force merit system board shall adopt a rule requiring the retirement of officers or employes prior to the first day of the month following the officer or employe's fifty-eighth (58th) birthday. This subsection shall not prohibit retirement prior to age fifty-eight (58) on a voluntary basis.

(4) The board shall employ a chief examiner who shall be professionally qualified and experienced in the field of testing and who shall *not be employed or retained in any other capacity by county government, and said chief examiner shall* formulate, give, grade and administer all written tests as required by the board. Said chief examiner shall report to the board the results of all tests given by him and he shall be solely responsible to the board. The chief examiner shall select a panel of four (4) members to conduct an oral examination of the

applicants for promotion. The panel shall consist of two (2) persons of a supervisory capacity from the same classified service as the applicant and two (2) persons from an outside agency or agencies in the same field. The chief examiner shall compile the grades of all applicants *in strict compliance with the procedures and percentages* [~~based upon the percentages~~] as set out below and shall deliver, in a sealed envelope, the scores of all applicants for promotion to the chairman of the board. The chief examiner shall not reveal to anyone the results of said tests other than in the manner set forth herein. If there are fewer than fifty (50) applicants for testing, the merit board may waive the requirements of this subsection and substitute other appropriate testing methods as determined by the board, *but no such testing method or the grading thereof shall depart from or be inconsistent with the procedures and percentages set out below which shall be strictly followed in determining an applicant's eligibility for promotion.*

(5) Physical fitness for promotion is presumed unless certified to the contrary by the chief of police who shall supply the board with medical records of the disability.

(6) At least ninety (90) days' notice shall be given before the promotional examination is conducted.

(7) Determination of an applicant's eligibility for promotion shall be made giving consideration to his or her length of service in seniority in grade and his or her performance upon written and oral promotional examinations. An applicant shall not be denied eligibility for promotion on account of unsatisfactory written and oral examination scores when consideration of such applicant's points for years of seniority in grade as set forth below increases such applicant's overall score to or above an appropriate minimum score for promotional eligibility. Points attributable to years of seniority in grade shall be treated in the same manner as points scored on written and oral examinations in the overall process of promotional eligibility determination. The process of promotional eligibility determination shall be a weighted composite of seniority points, written test scores, and oral test scores and shall consist of a total of one hundred (100) points which shall consist of the following:

1. Fifty-five (55) points shall be accorded the written examination test score;

2. Thirty (30) points shall be accorded the oral examination test score; and

3. A maximum of fifteen (15) points shall be accorded points for years of seniority in grade which shall be earned and attributed to the applicant at the rate of one (1) point or percent for each year of seniority in grade up to the maximum seniority point score of fifteen (15) points, and which shall be counted in the applicant's favor in the total weighted composite score in determining promotional eligibility regardless of such applicant's score on the written and oral examinations.

Ranking among eligibles shall be determined in accordance with their respective total weighted composite score consisting of seniority points, written test scores, and oral test scores [~~The grading of promotional tests shall be as follows: fifty-five (55) per cent for written examination; thirty (30) per cent for oral examination; one (1) per cent for each year in seniority in grade, not to exceed fifteen (15) per cent~~].

(8) The board shall at all times maintain a promotional eligibility list for each affected rank. The board shall schedule examinations as frequently as shall be necessary to insure the maintenance of a standing promotional eligibility list for each affected rank. No promotional eligibility list shall be effective for a period to exceed two (2) years under any circumstances. In the absence of a standing promotional eligibility list for any affected rank, any candidate for promotion to such affected rank shall have the right to bring an action in the circuit court of the county in which said board may be located to require said board to conduct the requisite promotional examination and to compile the necessary promotional eligibility list required to be maintained at all times under this chapter for all affected ranks. The costs of such action in circuit court shall be assessed against the board in favor of the prevailing party.

Section 9. KRS 78.445 is amended to read as follows:

The officer or employe may be reduced, removed, suspended, laid off or fined from the date when such written statement of reasons is served upon him. Each officer or employe removed, suspended, laid off, reduced in grade, or fined, shall be allowed a period of ten (10) days within which he may file written answer to the charges and reasons which caused his suspension, removal, reduction

or fine, which shall be made a part of the official records of the police department. No trial or examination of witnesses shall be required *before the chief of police* in any such case except in the discretion of the chief. *The affected officer or employe, including probationary officers or employes, may, however, appeal the determination of the chief of police to the county police force merit board which shall conduct a public hearing as required under the provisions of this chapter.* The chief shall likewise furnish a copy of the written charges and reasons for his action to the board.

(2) Any citizen who makes written charges of misconduct, under oath, concerning the actions of any police officer hereunder shall present the charges to the chief of police, who shall investigate said charges. The chief of police shall determine what action, if any, shall be taken against the officer, subject to the limitations set out in this chapter. The citizen may appeal the determination of the chief of police to the board.

(3) After full public hearing by the board upon any charges against the accused preferred or initiated by the chief of police for any cause, the board may retire in executive session to discuss the evidence introduced at the hearing upon charges preferred or initiated by the chief of police and to make its determination and conclusion upon such charges. In no case subsequent to hearing upon charges preferred or initiated by the chief of police shall the board in executive session receive any further evidence or communication from any source whatsoever prior to reaching its determination and conclusion upon such charges.

Section 10. KRS 78.455 is amended to read as follows:

In all cases provided for in KRS 78.445 and 78.450, the action of the chief or of the board shall be final except in the following cases:

(1) Every action in the nature of a dismissal, suspension, reduction or fine made by the chief, shall be subject to review by the board at the request of any officer or employe affected by KRS 78.400 to *78.480* [~~78.460~~], *including probationary officers or employes as set forth in KRS 78.400(5), 78.400(6) and 78.425,* and the board shall give notice and hold a public hearing with respect thereto, and in any case where, after such public hearing, *held pursuant to the provisions of this chapter,* a majority of the members of the board are of the opinion that the action of the chief is unjustified or unsupported by proper evidence, then the order of the chief may be set aside and revoked by the board and the board may impose such penalty or punishment as it may deem necessary and appropriate, if any.

(2) (a) Every action in the nature of a dismissal, suspension, reduction or fine made by the board shall be final, except that any person aggrieved thereby, *including probationary officers or employes as set forth in KRS 78.400(5), 78.400(6) and 78.425,* may, within twenty (20) days after the rendition of such action, *bring an action in* [~~appeal to~~] the circuit court of the county in which the board meets *to contest said action.* The board shall be named respondent as the county police force merit board, and service shall be had on the chairman thereof. The *action brought in* [~~appeal taken to~~] the circuit court shall be docketed by the clerk thereof as a civil action and, *in the case of dismissal,* shall be *retried anew in circuit court with full evidentiary hearing including discovery procedures, the calling of witnesses, cross-examination and presentation of evidence the same as in other civil actions not initiated before an administrative hearing authority and governed by the Kentucky rules of civil procedure and the rules of evidence, and the circuit court shall not consider the evidentiary findings or conclusions of the board as if no hearing or action had been taken or rendered before the board, and the burden of proof shall be upon the accusing authority to establish the charges against the accused by a preponderance of the evidence* [~~tried anew, as if no action had been rendered by the board~~].

(b) The judgment of the circuit court shall be subject to appeal to the Court of Appeals. The procedure *for* [~~as to~~] appeal to the Court of Appeals shall be the same as in *other* civil *actions* [~~action~~].

Section 11. KRS 78.460 is amended to read as follows:

(1) Procedural due process shall be afforded to all police officers *and employes* by the board. The board shall *notify* [~~afford~~] any officer *or employe,* promptly and in writing, of any charges brought against said officer *or employe* by the board. *In all cases in which a hearing is required under the provisions of KRS 78.400 to 78.480,* the officer *or employe* shall be given a prompt hearing by the board, *wherein he may be represented by competent legal counsel, shall have an opportunity to discover the evidence against him,* shall have an opportunity to confront *and cross-examine* his accusers and *to present evidence on his behalf* [~~the privilege of presenting the board with evidence~~]. The board shall [~~have the power to~~] issue subpoenas attested in the name of its chairman, to compel the attendance of witnesses *on behalf of the accused,* and so far as practicable, conduct said hearing within the Kentucky Rules of Civil Procedure *and procedural due process.* [~~Any officer who is not given a hearing within sixty (60) days of any charge so placed shall be reinstated in full.~~]

(2) Any police officer or employe who is not given a hearing as provided by KRS 78.400 to 78.480 within sixty (60) days of any charge being filed shall be exonerated of the charge which shall be dismissed with prejudice and not be considered thereafter by any hearing authority for any purpose. The time limitations imposed by this subsection are mandatory and shall be strictly construed but may be waived in writing by the officer or employe so charged, or if said officer or employe is represented by counsel, by said officer or employe's counsel in writing.

(3) In all hearings before a county police merit board, the rules of evidence now or hereafter accepted in the judicial courts of the Commonwealth of Kentucky, shall be applied notwithstanding the fact that a county police merit board may consist entirely of lay persons.

(4) Any demotion, fine, suspension, written or oral reprimand or other disciplinary action taken against an officer or employe affected by KRS 78.400 to 78.480 and 78.990 shall be purged from the officer or employe's merit board file after five (5) years. No past disciplinary action, where an officer or employe has been fined, suspended, or received a written or oral reprimand, shall be used in current disciplinary action.

Section 12. KRS 78.470 is amended to read as follows:

(1) In any county in the Commonwealth of Kentucky, which has a population of 300,000 or more and, which has adopted the merit system, the county employes in the classified service as police may organize, form, join or participate in organizations in order to engage in lawful concerted activities for the purpose of collective bargaining or other mutual aid and protection, and to bargain collectively through representatives of their own free choice. Such employes shall also have the right to refrain from any or all such activities. Strikes by said members of any such collective bargaining unit shall be prohibited at any time.

(2) County employes in the classified service organized pursuant to subsection (1) of this section for the purpose of collective bargaining or other mutual aid and protection, including collective bargaining, shall be afforded a substantive and procedural right in the judicial courts to intervene at their election in class action suits or similar litigation in which the chief of police, merit board, the county fiscal court, or other governmental unit or figure is joined as a party defendant and purports to speak on said organization's behalf and represent the interests of its members. There shall be no presumption that any such governmental body or figure adequately represents the interests of such county police in such litigation affecting the rights and interests of all the members of such organization organized pursuant to subsection (1) of this section.

Section 13. KRS 78.990 is amended to read as follows:

(1) Any person, *including a member of a county police force merit board,* who shall knowingly violate any of the provisions of KRS 78.400 to *78.480* [~~78.460~~] shall be guilty of a misdemeanor and shall upon conviction be punished by a fine of not less than fifty dollars ($50) nor more than one thousand dollars ($1,000) or by imprisonment for a term not to exceed six (6) months or by both such fine and imprisonment, and if such person be an applicant for any employment covered hereby, he shall be excluded from *the applicable* [~~such~~] examination for a period of three (3) years thereafter, and if the name of such person be on any eligible list of the said board, his name shall be removed therefrom, and if he be an officer or employe of the county, he shall be removed forthwith *from said office or employment* [~~therefrom~~] and be ineligible for any such appointment to public office or employment for a period of three (3) years thereafter.

(2) Any county police force merit board member who shall knowingly with intent to hinder the implementation of the rights afforded officers and employes under KRS 78.400 to 78.480, promulgates any rule or regulation inconsistent with the express provisions of KRS 78.400 to 78.480, or enforces any such rule or regulation in a manner inconsistent with the express provisions of KRS 78.400 to 78.480, shall be removed from the merit board.

SECTION 14. A NEW SECTION OF KRS CHAPTER 78 IS CREATED TO READ AS FOLLOWS:

(1) As the provisions of KRS 78.400 to 78.480 and 78.990 relate to minimum standards of administrative and procedural due process rights to be afforded county police force officers and employes in the context of disciplinary or investigative matters, nothing herein shall be construed as limiting or in any way affecting any other such rights afforded to county police force officers and employes of the Commonwealth by statute, ordinance, or working agreement.

(2) The procedural rights afforded county police force officers and employes under KRS 78.400 to 78.480

and 78.990 are intended to establish a minimum system of professional conduct and shall be liberally construed to protect the rights of officers and employes who may be the subject of disciplinary or investigative actions; further, any doubt as to the applicability of any procedural protection under the provisions of KRS 78.400 to 78.480 and 78.990 shall be liberally resolved in favor of the officer or employe. (3) Any violation of the express procedural rights, protections, and privileges afforded county police officers under KRS 78.400 to 78.480 and 78.990 by the local unit of government or its agents, or by a merit board member, shall result in the exoneration of the accused officer, the charges against whom shall be dismissed with prejudice and not be considered thereafter by any hearing authority for any purpose whatsoever.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.340 is amended to read as follows:

(1) The board may release on parole such persons confined in any adult state penal or correctional institution of Kentucky as are eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as

practicable after his admission and at such intervals thereafter as it may determine, the corrections cabinet shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. Such information shall include his criminal record, his conduct, employment and attitude in prison, and the reports of such physical and mental examinations as have been made. The corrections cabinet shall furnish the circumstances of his offense and his previous social history to the institution and the board. The corrections cabinet shall prepare a report on such information as it obtains. It shall be the duty of the corrections cabinet to supplement this report with such material as the board may request and submit such report to the board.

(2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner and shall have him appear before it, or one (1) or more members for interview and hearing, except that the board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen.

(3) The board shall adopt rules or regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with such other factors involved that would relate to the inmate's needs and the safety of the public.

(4) Whenever an order for parole is issued it shall recite the conditions thereof.

(5) In addition to or in conjunction with the initial hearing conducted under subsection (2) of this section for any prisoner convicted of a class A, B or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than thirty (30) nor more than ninety (90) days notice: the commonwealth attorney of every county in which the prisoner committed any class A, B or C felony for which he is imprisoned and all identified victims of such crimes or the next of kin of any victim who is deceased. Notice to the commonwealth attorney shall be by mail to his business office. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail to the commonwealth attorney who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986 notice to the victims or their next of kin shall be by mail from the parole board to their last known address as provided by the commonwealth attorney to the parole board at the time of incarceration of the prisoner. The notice shall include the time, date and place of the hearing provided for in this subsection, and the name and address of a person to write in the event the recipient of the notice desires to attend the hearing or to submit written comments.

(6) Persons receiving notice as provided for in subsection (5) of this section may submit written comments to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all such comments prior to making its parole decision, provided they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all such comments in the prisoner's permanent parole board file and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor shall have the right to attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, provided only that such persons shall have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of his intention to attend the hearing. The board shall receive and consider all such comments, shall make a record of them which it shall retain in the prisoner's permanent parole board file and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the parole board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.

(7) Any hearing provided for in subsections (5) and (6) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of such hearing for reasons of personal safety, in which event the hearing shall be closed.

(8) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge

any existing rights of persons to contact and communicate with the parole board or any of its members, agents or employes.

(9) The unintentional failure by the parole board or any of its members, agents or employes or by a commonwealth attorney or any of his agents or employes to comply with any of the provisions of subsections (5), (6) and (7) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner or any other person.

HB 467, AN ACT relating to probate and related matters.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

A durable power of attorney is a power of attorney by which a principal designates another his attorney-in-fact in writing and the writing contains the words "This power of attorney shall not be affected by subsequent disability or incapacity of the principal," or "This power of attorney shall become effective upon the disability or incapacity of the principal," or similar words showing the intent of the principal that the authority conferred shall be exercisable notwithstanding the principal's subsequent disability or incapacity or later uncertainty as to whether the principal is dead or alive.

SECTION 2. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

In cases where the power of attorney is to become effective upon the disability or incapacity of the principal, the principal may specify the conditions under which the power is to become effective and may designate the person(s) or institution responsible for making the determination. If the principal fails to so specify, the power will become effective upon a court determination of legal disability.

SECTION 3. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

All acts done by an attorney-in-fact pursuant to a durable power of attorney during any period of disability or incapacity of the principal or uncertainty as to whether the principal is dead or alive have the same effect and inure to benefit of and bind the principal and his heirs, devisees, legatees, personal representatives and successors in interest as if the principal were alive, competent and not disabled.

SECTION 4. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) If, following execution of a durable power of attorney, a court of the principal's domicile appoints a conservator, guardian of the estate, or other fiduciary charged with the management of all the principal's property or all of his property except specified exclusions, the attorney-in-fact shall be accountable to the fiduciary as well as to the principal. The attorney-in-fact may continue to act concurrently with the court appointed fiduciary. The fiduciary has the same power to revoke or amend the power of attorney that the principal would have had if he were not disabled or incapacitated.

(2) A principal may nominate, by a durable power of attorney, the conservator, guardian of his estate, or guardian of his person for consideration by the court pursuant to KRS 387.600(2) if protective proceedings for the principal's person or estate are thereafter commenced pursuant to KRS 387.500 to 387.990. The court shall make its appointment in accordance with the principal's most recent nomination in durable power of attorney except for good cause or disqualification.

SECTION 5. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) The death of a principal who has executed a written power of attorney, durable or otherwise, does not revoke or terminate the agency as to the attorney-in-fact or other person, who, without actual knowledge of the death of the principal, acts in good faith under the power. Any action so taken, unless otherwise invalid or unenforceable, binds successors in interest, heirs, devisees, legatees and personal representatives of the principal.

(2) The disability or incapacity of a principal who has previously executed a written power of attorney that is not a durable power does not revoke or terminate the agency as to the attorney-in-fact or other person, who, without actual knowledge of the disability or incapacity of the principal, acts in good faith under the power. Any action so taken, unless otherwise invalid or unenforceable, binds the principal and his successors in interest.

SECTION 6. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

As to acts undertaken in good faith reliance thereon, an affidavit executed by the attorney-in-fact under a power of attorney, durable or otherwise, stating that he did not have at the time of exercise of the power actual knowledge of the termination of the power by revocation or of the principal's death, disability, or incapacity is conclusive proof of the nonrevocation or nontermination of the power at that time. If the exercise of the power of attorney requires execution and delivery of any instrument that is recordable, the affidavit when authenticated for record is likewise recordable. This section does not affect any provision in a power of attorney for its termination by expiration of time or occurrence of an event other than express revocation or a change in the principal's capacity.

SECTION 7. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

Sections 1 through 6 of this Act shall be applied and construed to effectuate their general purpose to make uniform the law with respect to the subject of Sections 1 through 6 of this Act among states enacting them.

(2) To determine the right of the father or his kindred to inherit from or through the child, the evidence in the adjudication of paternity shall demonstrate upon clear and convincing proof that:

(a) The father openly treated the child as his, and

(b) The father at no time refused to support the child.

(3) The terms and conditions set out in this section shall also apply in actions brought pursuant to KRS 411.130 and 411.135.

Following the distribution the fiduciary shall file a settlement accompanied by evidence and vouchers showing that distribution was effected in conformity with the approved proposal. If it appears to the court that the distribution was in conformity the court shall confirm the settlement and, if the settlement is final, discharge the fiduciary and his surety, without further hearing or notice to any person.

(2) An aggrieved party may, no later than thirty (30) days from the entry of the order upon the proposed settlement, institute an adversary proceeding in circuit court pursuant to KRS 24A.120(2).

SECTION 16. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) All claims against a decedent's estate which arose before the death of the decedent, excluding claims of the United States, the state of Kentucky and any subdivision thereof, whether due or to become due, absolute or contingent, liquidated or unliquidated, founded on contract, tort, or other legal basis, if not barred earlier by other statute of limitations, are barred against the estate, the personal representative, and the heirs and devisees of the decedent, unless presented within one (1) year after the appointment of the personal representative, or where no personal representative has been appointed, within two (2) years after the decedent's death.

(2) Nothing in this section shall affect or prevent:

(a) To the extent of the security only, any proceeding to enforce any mortgage, pledge, lien or other security interest securing an obligation of the decedent or upon property of the estate; or

(b) To the limits of the insurance protection only, any proceeding to establish liability of the decedent or the personal representative for which he is protected by liability insurance.

SECTION 17. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Claims against a decedent's estate shall be presented as follows:

(1) The claimant may deliver or mail to the personal representative a written statement of the claim indicating its basis, the name and address of the claimant, and the amount claimed, or may file in triplicate a written statement of the claim, in the form prescribed by rule, with the clerk of the court. If presentment shall be made by filing a written statement of the claim with the clerk of the court, the clerk upon receipt of the triplicate copies thereof shall note the date of filing on each copy, and shall mail one (1) such copy of the statement to the personal representative, and a second copy thereof to the personal representative's attorney. The claim shall be deemed presented on the first to occur of receipt of the written statement of claim by the personal representative, or the filing of the claim with the court. If a claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. Failure to describe correctly the security, the nature of any uncertainty, and the due date of a claim not yet due does not invalidate the presentation made.

(2) In an action pending against the decedent at the time of his death, which action survives at law, the substitution of the personal representative for the decedent, or motion therefor shall constitute the presentation of a claim. Such claim shall be deemed to have been presented from the time of substitution, or motion therefor.

SECTION 18. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Upon any claim being presented in the manner described in subsection (1) of Section 17 of this Act, the personal representative may require the affidavit of the claimant or other satisfactory evidence that such claim is justly due, that no payments have been made thereon, and that there are no offsets against same, to the knowledge of the claimant; or if any payments have been made, or any offsets exist, that their nature and amount be shown by the evidence or stated in the affidavit.

SECTION 19. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

No action shall be brought against a personal representative on a claim against decedent's estate unless the claimant shall have first presented his claim in the manner described in Section 17 of this Act. The foregoing limitation shall be in addition to that limitation on the commencement of an action against a personal representative set forth in KRS 395.270.

SECTION 20. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) No claim shall be barred by a statute of limitations which was not barred thereby at the time of the decedent's death if the claim is presented within six (6) months after the decedent's death.

(2) For purposes of any statute of limitations, the proper presentment of a claim under Section 17 of this Act is equivalent to commencement of an action on the claim.

SECTION 21. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) As to claims presented in the manner described in Section 17 of this Act within the time limit prescribed in Section 16 of this Act, the personal representative may mail a notice to any claimant stating that the claim has been allowed or disallowed. If, after allowing or disallowing a claim, the personal representative changes his decision concerning the claim, he shall notify the claimant. The personal representative may not change a disallowance of a claim after the time for the claimant to commence an action on the claim has run and the claim has been barred. Every claim which is disallowed in whole or in part by the personal representative is barred so far as not allowed unless the claimant commences an action against the personal representative not later than sixty (60) days after the mailing of the notice of disallowance or partial allowance if the notice warns the claimant of the impending bar. Failure of the personal representative to mail notice to a claimant of action on his claim for sixty (60) days after the time for original presentation of the claim has expired has the effect of a notice of allowance, except that upon petition of the personal reprsentative and upon notice to the claimant, the court at any time before payment of such claim may for cause shown permit the personal representative to disallow such claim.

(2) A judgment against a personal representative to enforce a claim against a decedent's estate is an allowance of the claim.

(3) In the case of a disallowance of a claim which is not due or which is contingent or unliquidated, the personal representative may consent to an extension of the sixty (60) day period imposed by subsection (1) of

this section for the commencement of an action on a disallowed claim, or to avoid injustice, the court, on petition, may order an extension of the sixty (60) day period, but in no event shall the extension run beyond the applicable statute of limitations.

SECTION 22. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Unless an estate is insolvent the personal representative, with the consent of all successors of the decedent whose interests would be affected, may waive any defense of limitations available to the estate. If the defense is not waived, no claim which was barred by any statute of limitations at the time of the decedent's death shall be allowed or paid.

SECTION 23. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) Upon the expiration of six (6) months from the date of his appointment, the personal representative may proceed to pay the claims allowed against the estate in the order of priority prescribed, after making appropriate provision for exemptions and allowances provided by law, for claims already presented which have not yet been allowed and for unbarred claims which may yet be presented, including costs and expenses of administration. By petition to the court in a proceeding for the purpose, a claimant whose claim has been allowed but not paid as provided herein may secure an order directing the personal representative to pay the claim to the extent that funds of the estate are available for the payment.

(2) The personal representative at any time may pay any just claim which has not been barred, with or without formal presentation, but he is personally liable to any other claimant whose claim is allowed and who is injured by such payment if:

(a) The payment was made before the expiration of the time limit stated in subsection (1) of this section and the personal representative failed to require the payee to give adequate security for the refund of any of the payment necessary to pay other claimants; or

(b) The payment was made, due to the negligence or willful fault of the personal representative, in such manner as to deprive the injured claimant of his priority.

SECTION 24. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Unless otherwise provided in any judgment against the personal representative, an allowed claim shall bear interest at the legal rate for the period commencing sixty (60) days after the time for original presentation of the claim has expired unless based on a contract making a provision for interest, in which case the claim shall bear interest in accordance with that provision.

SECTION 25. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) If the applicable assets of the estate are insufficient to pay all claims in full, the personal representative shall make payment of claims in the following order:

(a) Costs and expenses of administration; then

(b) Reasonable funeral expenses; then

(c) Debts and taxes with preference under federal law and other laws of this state; then

(d) All other claims.

(2) No preference shall be given in the payment of any claim over any other claim of the same class, and a claim due and payable shall not be entitled to a preference over claims not due.

SECTION 26. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Payment of a secured claim shall be upon the basis of the amount allowed if the creditor surrenders his security; otherwise payment shall be upon the basis of one (1) of the following:

(1) If the creditor exhausts his security before receiving payment, unless precluded by other law, upon the amount of the claim allowed less than the fair value of the security; or

(2) If the creditor does not have the right to exhaust his security or has not done so, upon the amount of the claim allowed less the value of the security determined by converting it into money according to the terms of the agreement pursuant to which the security was delivered to the creditor, or by the creditor and personal representative by agreement, arbitration, compromise or litigation.

SECTION 27. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) If a claim which will become due at a future time or a contingent or unliquidated claim becomes due or certain before the distribution of the estate, and if the claim has been allowed it shall be paid in the same manner as presently due and absolute claims of the same class.

(2) In other cases the personal representative or, on petition of the personal representative or the claimant in a special proceeding for the purpose, the court may provide for payment as follows:

(a) If the claimant consents, he may be paid the present or agreed value of the claim, taking any uncertainty into account;

(b) Arrangement for future payment, or possible payment, on the happening of the contingency or on liquidation may be made by creating a trust, giving a mortgage, obtaining a bond or security from a distributee, or otherwise.

SECTION 28. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

In allowing a claim the personal representative may deduct any counterclaim which the estate has against the claimant. In determining a claim against an estate a court shall reduce the amount allowed by the amount of any counterclaims and, if the counterclaims exceed the claim, render a judgment against the claimant in the amount of the excess. A counterclaim, liquidated or unliquidated, may arise from a transaction other than that upon which the claim is based. A counterclaim may give rise to relief exceeding in amount or different in kind from that sought in the claim.

SECTION 29. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

No execution may issue upon nor may any levy be made against any property of the estate under any judgment against a decedent or a personal representative, but this section shall not be construed to prevent the enforcement of mortgages, pledges or liens upon real or personal property in an appropriate proceeding.

SECTION 30. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

When a claim against the estate has been presented in any manner, the personal representative may, if it appears for the best interest of the estate, compromise the claim, whether due or not due, absolute or contingent, liquidated or unliquidated.

SECTION 31. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

If any assets of the estate are encumbered by mortgage, pledge, lien, or secured interest, the personal representative may pay the encumbrance or any part thereof, renew or extend any obligation secured by the encumbrance or convey or transfer the assets to the creditor in satisfaction of his lien, in whole or in part, whether or not the holder of the encumbrance has presented a claim, if it appears to be for the best interest of the estate. Payment of an encumbrance does not increase the share of the distributee entitled to the encumbered assets unless the distributee is entitled to exoneration.

SECTION 32. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

If a personal representative pays to a creditor an undue portion of his demand or to a distributee or devisee a part or all of his share of the estate, under a mistake as to the solvency of the estate or otherwise, he may recover from the creditor, distributee or devisee the amount of the overpayment, with interest.

SECTION 33. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) All assets of estates being administered in this state are subject to all claims, allowances and charges existing or established against the personal representative wherever appointed.

(2) If the estate either in this state or as a whole is insufficient to cover all family exemptions and allowances determined by the law of the decedent's domicile, prior charges and claims, after satisfaction of the exemptions, allowances and charges, each claimant whose claim has been allowed either in this state or elsewhere in administrations of which the personal representative is aware, is entitled to receive payment of an equal proportion of his claim. If a preference or security in regard to a claim is allowed in another jurisdiction but not in this state, the creditor so benefited shall receive payment out of local assets only upon the balance of his claim after deducting the amount of the benefit.

(3) In case the family exemptions and allowances, prior charges and claims of the entire estate exceed the total value of the portions of the estate being administered separately and this state is not the state of the decedent's last domicile, the claims allowed in this state shall be paid their proportion if local assets are adequate for the purpose, and the balance of local assets shall be transferred to the domiciliary personal representative. If local assets are not sufficient to pay all claims allowed in this state the amount to which they are entitled, local assets shall be marshalled so that each claim allowed in this state is paid its proportion as far as possible, after taking into account all payments on claims allowed in this state from assets in other jurisdictions.

SECTION 34. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) Unless otherwise provided in the contract, a personal representative is not individually liable on a contract properly entered into in his fiduciary capacity in the course of administration of the estate unless he fails to reveal his representative capacity and identify the estate in the contract.

(2) A personal representative is individually liable for obligations arising from ownership or control of the estate or for torts committed in the course of administration of the estate only if he is personally at fault.

(3) Claims based on contracts entered into by a personal representative in his fiduciary capacity, on obligations arising from ownership or control of the estate or on torts committed in the course of estate administration may be asserted against the estate by proceeding against the personal representative in his fiduciary capacity, whether or not the personal representative is individually liable therefor.

(4) Issues of liability as between the estate and the persoanl representative individually may be determined in a proceeding for accounting, surcharge or indemnification or other appropriate proceeding.

SECTION 35. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

After assets of an estate have been distributed and subject to Section 36 of this Act, an undischarged claim not barred may be prosecuted in a proceeding against one (1) or more distributees. No distributee shall be liable to claimants for amounts received as exempt property, homestead or family allowances, or for amounts in excess of the value of his distribution as of the time of distribution. As between distributees, each shall bear the cost of satisfaction of unbarred claims as if the claim had been satisfied in the course of administration. Any distributee who shall have failed to notify other distributees of the demand made upon him by the claimant in sufficient time to permit them to join in any proceeding in which the claim was asserted against him loses his right of contribution against other distributees.

SECTION 36. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

No cause of action on any claim not otherwise barred by the provisions of Section 16 of this Act and subsection (1) of Section 21 of this Act, or any other applicable statute of limitations, shall be brought against the personal representative or against any distributee after the expiration of two (2) years from the date of the order of discharge of the personal representative. The foregoing limitation shall not preclude an action by any claimant against the personal representative for fraud, misrepresentation or inadequate disclosure related to the settlement of the decedent's estate.

Section 37. KRS 413.180 is amended to read as follows:

(1) If a person entitled to bring any action mentioned in KRS 413.090 to 413.160 dies before the expiration of the time limited for its commencement and the cause of action survives, the action may be brought by his personal representative after the expiration of that time, if commenced within one year after the qualification of the representative.

(2) If a person dies before the time at which the right to bring any action mentioned in KRS 413.090 to 413.160 would have accrued to him if he had continued alive, and there is an interval of more than one year between his death and the qualification of his personal representative, that representative, for purposes of this chapter, shall be deemed to have qualified on the last day of the one-year period.

[~~(3) If a person against whom an action mentioned in KRS 413.090 to 413.160 may be brought dies before the expiration of the time limited for its commencement and the cause of action survives, an action may be commenced against his personal representative, devisee, or heirs, or all, after the expiration of that time, and within one year after the qualification of his personal representative. If there is no personal representative, the action may be brought against his heirs or devisees, or both, after the expiration of the time limited for bringing it, and within one year after his death.~~]

Section 38. KRS 424.340 is amended to read as follows:

The [~~circuit~~] clerk *of the probate court* shall, at least once each month, cause to be published in the newspaper meeting the requirements of KRS 424.120, a notice setting forth all fiduciary appointments made since the last publication and including at least the following information: the name and address of the decedent or ward, the name and address of the fiduciary, the date of the fiduciary's appointment, and the name and address of the attorney representing the fiduciary, if any, and the date by which claims of creditors must be *presented* [~~filed~~]. The clerk may charge each fiduciary a fee not to exceed the actual proportionate cost of said notice. Publication of this notice shall neither enlarge nor reduce the obligation of a creditor to present a timely claim, nor the liability of the fiduciary or distributee to pay the same.

Section 39. KRS 395.455 is amended to read as follows:

(1) Where the exemption of the surviving spouse alone, or together with preferred claims paid by a widow or by the widower where the wife's estate is legally liable for payment, equals or exceeds the amount of probatable assets, the court may order that administration of the estate be dispensed with and such assets be transferred to the surviving spouse or to a person designated by such surviving spouse to receive all or part of such assets. The court may so order in both testate and intestate estates and without requiring the renunciation of a will or the giving of bond.

(2) If the court is satisfied that no probatable estate will pass through the hands of the personal representative, it may order that no letters of administration be issued and in the case of a testate estate that the will be probated only.

(3) Where a surviving spouse has waived his or her right to the exemption accorded by law in favor of a person who has paid preferred claims in an amount equalling or exceeding the amount of probatable assets or who is legally entitled to such payment, or where there is no surviving spouse and such person has made such payment or is legally entitled thereto, the court may order that the administration of the estate be dispensed with and such assets transferred to such person. The court may so order without requiring the giving of bond.

(4) For purpose of this section, the exemption of the surviving spouse is such exemption as has been created by KRS 391.030 and preferred claims are those listed in *Section 25 of this Act* [~~KRS 396.090~~] and in the order thereof.

Section 40. KRS 413.090 is amended to read as follows:

Except as provided in *Section 36 of this Act,* KRS 413.110, [~~413.200, 413.210,~~] 413.220, 413.230 and 413.240, the following actions shall be commenced within fifteen (15) years after the cause of action first accrued:

(4) An action upon an appeal bond or bond given on a supersedeas, attachment, injunction, order of arrest or for the delivery of property or for the forthcoming of property, or to obey or perform an order or judgment of court in an action, or upon a bond for costs, or any other bond taken by a court or judge or by an officer pursuant to the directions of a court or judge, in an action or after judgment or decree, or upon a replevin, sale or delivery bond taken under execution or decree, upon an indemnifying bond taken under a statute, or upon a bond to suspend a proceeding, or upon a bond or obligation for the payment of money or property or for the performance of any undertaking.

The Committee Substitute to HB 467 is as follows:

HB 467, AN ACT relating to probate and related matters.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

A durable power of attorney is a power of attorney by which a principal designates another his attorney-in-fact in writing and the writing contains the words "This power of attorney shall not be affected by subsequent disability or incapacity of the principal," or "This power of attorney shall become effective upon the disability or incapacity of the principal," or similar words showing the intent of the principal that the authority conferred shall be exercisable notwithstanding the principal's subsequent disability or incapacity or later uncertainty as to whether the principal is dead or alive.

SECTION 2. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

In cases where the power of attorney is to become effective upon the disability or incapacity of the principal, the principal may specify the conditions under which the power is to become effective and may designate the person(s) or institution responsible for making the determination. If the principal fails to so specify, the power will become effective upon a court determination of legal disability.

SECTION 3. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

All acts done by an attorney-in-fact pursuant to a durable power of attorney during any period of disability or incapacity of the principal or uncertainty as to whether the principal is dead or alive have the same effect and inure to benefit of and bind the principal and his heirs, devisees, legatees, personal representatives and successors in interest as if the principal were alive, competent and not disabled.

SECTION 4. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) If, following execution of a durable power of attorney, a court of the principal's domicile appoints a conservator, guardian of the estate, or other fiduciary charged with the management of all the principal's property or all of his property except specified exclusions, the attorney-in-fact shall be accountable to the fiduciary as well as to the principal. The attorney-in-fact may continue to act concurrently with the court appointed fiduciary. The fiduciary has the same power to revoke or amend the power of attorney that the principal would have had if he were not disabled or incapacitated.

(2) A principal may nominate, by a durable power of attorney, the conservator, guardian of his estate, or guardian of his person for consideration by the court pursuant to KRS 387.600(2) if protective proceedings for the principal's person or estate are thereafter commenced pursuant to KRS 387.500 to 387.990. The court shall make its appointment in accordance with the principal's most recent nomination in durable power of attorney except for good cause or disqualification.

SECTION 5. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) The death of a principal who has executed a written power of attorney, durable or otherwise, does not revoke or terminate the agency as to the attorney-in-fact or other person, who, without actual knowledge of the death of the principal, acts in good faith under the power. Any action so taken, unless otherwise invalid or unenforceable, binds successors in interest, heirs, devisees, legatees and personal representatives of the principal.

(2) The disability or incapacity of a principal who has previously executed a written power of attorney that is not a durable power does not revoke or terminate the agency as to the attorney-in-fact or other person, who, without actual knowledge of the disability or incapacity of the principal, acts in good faith under the power. Any action so taken, unless otherwise invalid or unenforceable, binds the principal and his successors in interest.

SECTION 6. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

As to acts undertaken in good faith reliance thereon, an affidavit executed by the attorney-in-fact under a power of attorney, durable or otherwise, stating that he did not have at the time of exercise of the power actual knowledge of the termination of the power by revocation or of the principal's death, disability, or incapacity shall establish a rebuttable presumption of the nonrevocation or nontermination of the power at that time. If the exercise of the power of attorney requires execution and delivery of any instrument that is recordable, the affidavit when authenticated for record is likewise recordable. This section does not affect any provision in a power of attorney for its termination by expiration of time or occurrence of an event other than express revocation or a change in the principal's capacity.

SECTION 7. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

Sections 1 through 6 of this Act shall be applied and construed to effectuate their general purpose to make uniform the law with respect to the subject of Sections 1 through 6 of this Act among states enacting them. Nothing in this Act shall be construed to allow the attorney-in-fact of the durable power of attorney to make decisions concerning the health of the principal.

SECTION 8. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

Sections 1 through 7 of this Act may be cited as the Uniform Durable Power of Attorney Act.

Section 9. KRS 389A.010 is amended to read as follows:

(1) Notwithstanding any other statutory limitation of the jurisdiction of the district court:

(a) Any trustee, guardian, conservator, or personal representative (hereinafter "fiduciary"), not otherwise possessing a power of sale, may move the district court of the county in which the fiduciary has qualified for an order granting the fiduciary the power to sell or mortgage any real estate or any interest therein possessed by his ward, decedent, or trust; and

(b) The district court may enter an order granting the fiduciary the power to sell or mortgage any real estate or any interest therein possessed by the ward, decedent or trust.

(2) The motion shall include an adequate description of the property, a summary of the grounds for the motion, and a request that the bond of the fiduciary be increased in an adequate amount in accordance with KRS 395.130.

(3) Unless waived in writing, written notice of the hearing with a copy of the motion shall be served in a manner authorized by the Rules of Civil Procedure for the initiation of a civil action upon all persons who have a vested or contingent interest in the property interest sought to be sold. *Where the property interest sought to be sold belongs to a person under legal disability, service of notice and defense shall be governed by Civil Rules 4.04(3) and 17.03.*

(a) In the case where the subject of the action is the property interest of a person under legal disability, unless waived in writing, written notice by certified mail, return receipt requested shall be given to all known adult next of kin of:

1. The nature and pendency of the action; and

2. Not less than thirty (30) days notice of the time, date and location of the hearing on the motion. At or before the hearing, the fiduciary or his attorney shall file an affidavit on personal knowledge showing compliance with this paragraph and attaching a copy of the notice given and the original of all receipts returned.

(b) All such persons shall have standing to present evidence and to be heard at the hearing.

(4) An aggrieved party may no later than thirty (30) days from the date of the order, institute an adversary proceeding in circuit court pursuant to KRS 24A.120(2)in respect to any order affecting the right of the fiduciary to sell or mortgage. Pending the entry of a final order and expiration of the time for an appeal therefrom, neither the fiduciary nor the owner of any vested interest shall make any conveyance or mortgage of the real estate and any attempt to do so shall be null and void.

(5) No proceedings under this section shall be conducted by or before a commissioner of the district court.

Section 10. KRS 394.090 is amended to read as follows:

Every will shall be revoked by the marriage of the person who made the will, except:

(1) A will made in exercise of a power of appointment when the estate thereby appointed would not, in default of such appointment, pass to the heir, personal representative, or next of kin of the person who made the will;

(2) A will that expressly provides that it is intended that a subsequent marriage shall not revoke the will.

(3) A will that expressly provides for the person who later becomes the spouse of the deceased and is married to the testator on the date of death.

SECTION 11. A NEW SECTION OF KRS CHAPTER 395 IS CREATED TO READ AS FOLLOWS:

(1) A fiduciary may, prior to filing a periodic or final settlement and prior to a distribution of assets, file with the court a proposed settlement. The proposed settlement shall be set for hearing and notice given as for any other settlement except that beneficiaries of the estate shall also receive notice from the fiduciary by mail at least ten (10) days prior to the hearing date. The proposed settlement shall set forth all assets and disbursements previously made and shall indicate assets on hand and anticipated to be received subsequent to the date of the proposed settlement and prior to the filing of the periodic or final settlement, and shall further indicate the manner in which the remaining and anticipated assets are proposed to be distributed. The proposal may set forth which assets are to be distributed in kind and to whom, which assets may be liquidated for distribution of cash or for payment of debts, costs of administration or pecuniary legacies. The proposal may also indicate claims proposed to be allowed or disallowed, in whole or in part and may also indicate fees and commissions proposed to be paid to the fiduciary and his attorney. Evidence and vouchers need not accompany the proposal unless required by the court upon exceptions filed. Following the hearing upon the proposed settlement and entry of an order of approval of the proposal as filed or as amended or modified by the court upon its own initiative or upon exceptions heard or upon application by any interested party, the fiduciary shall disburse the assets in accordance therewith. Following the distribution the fiduciary shall file a settlement accompanied by evidence and vouchers showing that distribution was effected in conformity with the approved proposal. If it appears to the court that the distribution was in conformity the court shall confirm the settlement and, if the settlement is final, discharge the fiduciary and his surety, without further hearing or notice to any person.

(2) An aggrieved party may, no later than thirty (30) days from the entry of the order upon the proposed settlement, institute an adversary proceeding in circuit court pursuant to KRS 24A.120(2).

Section 12. KRS 395.270 is amended to read as follows:

Two (2) [~~Five (5)~~] months must run after the date of the qualification of the first personal representative of a decedent's estate before an action shall be commenced against any executor or administrator thereof except against an executor de son tort. Any action brought in violation of this section shall be dismissed with costs, except that an alleged creditor whose claim has been denied in writing by the fiduciary may commence action immediately after receipt of such denial.

Section 13. KRS 395.620 is amended to read as follows:

(1) The district judge shall make a written report of the settlement, showing each item of debit and credit, and the general result, and return it, with all evidence heard and vouchers filed, to the circuit clerk. The clerk shall note it of record, and indorse on it the time of filing, and set a date for a hearing on the report.

(2) A settlement filed in conformity with an approved proposed settlement made under Section 11 of this Act need not be set for hearing.

SECTION 14. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) All claims against a decedent's estate which arose before the death of the decedent, excluding claims of the United States, the state of Kentucky and any subdivision thereof, whether due or to become due, absolute or contingent, liquidated or unliquidated, founded on contract, tort, or other legal basis, if not barred earlier by other statute of limitations, are barred against the estate, the personal representative, and the heirs and devisees of the decedent, unless presented within six (6) months after the appointment of the personal representative, or where no personal representative has been appointed, within two (2) years after the decedent's death.

(2) Nothing in this section shall affect or prevent:

(a) To the extent of the security only, any proceeding to enforce any mortgage, pledge, lien or other security interest securing an obligation of the decedent or upon property of the estate; or

(b) To the limits of the insurance protection only, any proceeding to establish liability of the decedent or the personal representative for which he is protected by liability insurance.

SECTION 15. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Claims against a decedent's estate shall be presented as follows:

(1) The claimant may deliver or mail to the personal representative a written statement of the claim indicating its basis, the name and address of the claimant, and the amount claimed, or may file a written statement of the claim, in the form prescribed by rule, with the clerk of the court. If presentment shall be made by filing a written statement of the claim with the clerk of the court, the claimant shall certify as provided in the rules of civil procedure that a copy of such written statement has been given or mailed to the personal representative and his attorney. The claim shall be deemed presented on the first to occur of receipt of the written statement of claim by the personal representative, or the filing of the claim with the court. If a claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. Failure to describe correctly the security, the nature of any uncertainty, and the due date of a claim not yet due does not invalidate the presentation made.

(2) In an action pending against the decedent at the time of his death, which action survives at law, the substitution of the personal representative for the decedent, or motion therefor shall constitute the presentation of a claim. Such claim shall be deemed to have been presented from the time of substitution, or motion therefor.

SECTION 16. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Upon any claim being presented in the manner described in subsection (1) of Section 15 of this Act, the personal representative may require the affidavit of the claimant or other satisfactory evidence that such claim is justly due, that no payments have been made thereon, and that there are no offsets against same, to the knowledge of the claimant; or if any payments have been made, or any offsets exist, that their nature and amount be shown by the evidence or stated in the affidavit.

SECTION 17. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

No action shall be brought against a personal representative on a claim against decedent's estate unless the claimant shall have first presented his claim in the manner described in Section 15 of this Act. The foregoing limitation shall be in addition to that limitation on the commencement of an action against a personal representative set forth in KRS 395.270.

SECTION 18. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) No claim shall be barred by a statute of limitations which would expire during the period commencing with the decedent's death and ending six (6) months thereafter if such claim shall be presented within six (6) months after the decedent's death. This subsection shall not apply with respect to any statute of limitations imposed by this Act.

(2) For purposes of any statute of limitations, the proper presentment of a claim under Section 15 of this Act is equivalent to commencement of an action on the claim.

SECTION 19. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) As to claims presented in the manner described in Section 15 of this Act within the time limit prescribed in Section 14 of this Act, the personal representative may mail a notice to any claimant stating that the claim has been allowed or disallowed. If, after allowing or disallowing a claim, the personal representative changes his decision concerning the claim, he shall notify the claimant. The personal representative may not change a disallowance of a claim after the time for the claimant to commence an action on the claim has run and the claim has been barred. Every claim which is disallowed in whole or in part by the personal representative is barred so far as not allowed unless the claimant commences an action against the personal representative not later than sixty (60) days after the mailing of the notice of disallowance or partial allowance if the notice warns the claimant of the impending bar. Failure of the personal representative to mail notice to a claimant of action on his claim for sixty (60) days after the time for original presentation of the claim has expired has the effect of a notice of allowance, except that upon petition of the personal reprsentative and upon notice to the claimant, the court at any time before payment of such claim may for cause shown permit the personal representative to disallow such claim.

(2) A judgment against a personal representative to enforce a claim against a decedent's estate is an allowance of the claim.

(3) In the case of a disallowance of a claim which is not due or which is contingent or unliquidated, the personal representative may consent to an extension of the sixty (60) day period imposed by subsection (1) of this section for the commencement of an action on a disallowed claim, or to avoid injustice, the court, on petition, may order an extension of the sixty (60) day period, but in no event shall the extension run beyond the applicable statute of limitations.

SECTION 20. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Unless an estate is insolvent the personal representative, with the consent of all successors of the decedent whose interests would be affected, may waive any defense of limitations available to the estate. If the defense is not waived, no claim which was barred by any statute of limitations at the time of the decedent's death shall be allowed or paid.

SECTION 21. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) Upon the expiration of six (6) months from the date of his appointment, the personal representative may proceed to pay the claims allowed against the estate in the order of priority prescribed, after making appropriate provision for exemptions and allowances provided by law, for claims already presented which have not yet been allowed and for unbarred claims which may yet be presented, including costs and expenses of administration. By petition to the court in a proceeding for the purpose, a claimant whose claim has been allowed but not paid as provided herein may secure an order directing the personal representative to pay the claim to the extent that funds of the estate are available for the payment.

(2) The personal representative at any time may pay any just claim which has not been barred, with or without formal presentation, but he is personally liable to any other claimant whose claim is allowed and who is injured by such payment if:

(a) The payment was made before the expiration of the time limit stated in subsection (1) of this section and the personal representative failed to require the payee to give adequate security for the refund of any of the payment necessary to pay other claimants; or

(b) The payment was made, due to the negligence or willful fault of the personal representative, in such manner as to deprive the injured claimant of his priority.

SECTION 22. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Unless otherwise provided in any judgment against the personal representative, an allowed claim shall bear interest at the legal rate for the period commencing sixty (60) days after the time for original presentation of the claim has expired unless based on a contract making a provision for interest, in which case the claim shall bear interest in accordance with that provision.

SECTION 23. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) If the applicable assets of the estate are insufficient to pay all claims in full, the personal representative shall make payment of claims in the following order:

(a) Costs and expenses of administration; then

(b) Funeral expenses; then

(c) Debts and taxes with preference under federal law and other laws of this state; then

(d) All other claims.

(2) No preference shall be given in the payment of any claim over any other claim of the same class, and a claim due and payable shall not be entitled to a preference over claims not due.

SECTION 24. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

Payment of a secured claim shall be upon the basis of the amount allowed if the creditor surrenders his security; otherwise payment shall be upon the basis of one (1) of the following:

(1) If the creditor exhausts his security before receiving payment, unless precluded by other law, upon the amount of the claim allowed less than the fair value of the security; or

(2) If the creditor does not have the right to exhaust his security or has not done so, upon the amount of the claim allowed less the value of the security determined by converting it into money according to the terms of the agreement pursuant to which the security was delivered to the creditor, or by the creditor and personal representative by agreement, arbitration, compromise or litigation.

SECTION 25. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) If a claim which will become due at a future time or a contingent or unliquidated claim becomes due or certain before the distribution of the estate, and if the claim has been allowed it shall be paid in the same manner as presently due and absolute claims of the same class.

(2) In other cases the personal representative or, on petition of the personal representative or the claimant in a special proceeding for the purpose, the court may provide for payment as follows:

(a) If the claimant consents, he may be paid the present or agreed value of the claim, taking any uncertainty into account;

(b) Arrangement for future payment, or possible payment, on the happening of the contingency or on liquidation may be made by creating a trust, giving a mortgage, obtaining a bond or security from a distributee, or otherwise.

SECTION 26. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

In allowing a claim the personal representative may deduct any counterclaim which the estate has against the claimant. In determining a claim against an estate a court shall reduce the amount allowed by the amount of any counterclaims and, if the counterclaims exceed the claim, render a judgment against the claimant in the amount of the excess. A counterclaim, liquidated or unliquidated, may arise from a transaction other than that upon which the claim is based. A counterclaim may give rise to relief exceeding in amount or different in kind from that sought in the claim.

SECTION 27. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

No execution may issue upon nor may any levy be made against any property of the estate under any judgment against a decedent or a personal representative, but this section shall not be construed to prevent the enforcement of mortgages, pledges or liens upon real or personal property in an appropriate proceeding.

SECTION 28. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

When a claim against the estate has been presented in any manner, the personal representative may, if it appears for the best interest of the estate, compromise the claim, whether due or not due, absolute or contingent, liquidated or unliquidated.

SECTION 29. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

If any assets of the estate are encumbered by mortgage, pledge, lien, or secured interest, the personal representative may pay the encumbrance or any part thereof, renew or extend any obligation secured by the encumbrance or convey or transfer the assets to the creditor in satisfaction of his lien, in whole or in part, whether or not the holder of the encumbrance has presented a claim, if it appears to be for the best interest of the estate. Payment of an encumbrance does not increase the share of the distributee entitled to the encumbered assets unless the distributee is entitled to exoneration.

SECTION 30. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

If a personal representative pays to a creditor an undue portion of his demand or to a distributee or devisee a part or all of his share of the estate, under a mistake as to the solvency of the estate or otherwise, he may recover from the creditor, distributee or devisee the amount of the overpayment, with interest.

SECTION 31. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) All assets of estates being administered in this state are subject to all claims, allowances and charges existing or established against the personal representative wherever appointed.

(2) If the estate either in this state or as a whole is insufficient to cover all exemptions and allowances determined by the law of the decedent's domicile, prior charges and claims, after satisfaction of the exemptions, allowances and charges, each claimant whose claim has been allowed either in this state or elsewhere in administrations of which the personal representative is aware, is entitled to receive payment of an equal proportion of his claim. If a preference or security in regard to a claim is allowed in another jurisdiction but not in this state, the creditor so benefited shall receive payment out of local assets only upon the balance of his claim after deducting the amount of the benefit.

(3) In case the exemptions and allowances, prior charges and claims of the entire estate exceed the total value of the portions of the estate being administered separately and this state is not the state of the decedent's last domicile, the claims allowed in this state shall be paid their proportion if local assets are adequate for the purpose, and the balance of local assets shall be transferred to the domiciliary personal representative. If local assets are not sufficient to pay all claims allowed in this state the amount to which they are entitled, local assets shall be marshalled so that each claim allowed in this state is paid its proportion as far as possible, after taking into account all payments on claims allowed in this state from assets in other jurisdictions.

SECTION 32. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

(1) Unless otherwise provided in the contract, a personal representative is not individually liable on a contract properly entered into in his fiduciary capacity in the course of administration of the estate unless he fails to reveal his representative capacity and identify the estate in the contract.

(2) A personal representative is individually liable for obligations arising from ownership or control of the estate or for torts committed in the course of administration of the estate only if he is personally at fault.

(3) Claims based on contracts entered into by a personal representative in his fiduciary capacity, on obligations arising from ownership or control of the estate or on torts committed in the course of estate administration may be asserted against the estate by proceeding against the personal representative in his fiduciary capacity, whether or not the personal representative is individually liable therefor.

(4) Issues of liability as between the estate and the persoanl representative individually may be determined in a proceeding for accounting, surcharge or indemnification or other appropriate proceeding.

SECTION 33. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

After assets of an estate have been distributed and subject to Section 34 of this Act, an undischarged claim not barred may be prosecuted in a proceeding against one (1) or more distributees. No distributee shall be liable to claimants for amounts received as exempt property, homestead or family allowances, or for amounts in excess of the value of his distribution as of the time of distribution. As between distributees, each shall bear the cost of satisfaction of unbarred claims as if the claim had been satisfied in the course of administration. Any distributee who shall have failed to notify other distributees of the demand made upon him by the claimant in sufficient time to permit them to join in any proceeding in which the claim was asserted against him loses his right of contribution against other distributees.

SECTION 34. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

No cause of action on any claim not otherwise barred by the provisions of Section 14 of this Act and subsection (1) of Section 19 of this Act, or any other applicable statute of limitations, shall be brought against the personal representative or against any distributee after the expiration of two (2) years from the date of the order of discharge of the personal representative. The foregoing limitation shall not preclude an action by any claimant against the personal representative for fraud, misrepresentation or inadequate disclosure related to the settlement of the decedent's estate.

Section 35. KRS 413.180 is amended to read as follows:

(1) If a person entitled to bring any action mentioned in KRS 413.090 to 413.160 dies before the expiration of

(2) If a person dies before the time at which the right to bring any action mentioned in KRS 413.090 to 413.160 would have accrued to him if he had continued alive, and there is an interval of more than one year between his death and the qualification of his personal representative, that representative, for purposes of this chapter, shall be deemed to have qualified on the last day of the one-year period.

[~~(3) If a person against whom an action mentioned in KRS 413.090 to 413.160 may be brought dies before the expiration of the time limited for its commencement and the cause of action survives, an action may be commenced against his personal representative, devisee, or heirs, or all, after the expiration of that time, and within one year after the qualification of his personal representative. If there is no personal representative, the action may be brought against his heirs or devisees, or both, after the expiration of the time limited for bringing it, and within one year after his death.~~]

Section 37. KRS 395.455 is amended to read as follows:

(1) Where the exemption of the surviving spouse alone, or together with preferred claims paid by a widow or by the widower where the wife's estate is legally liable for payment, equals or exceeds the amount of probatable assets, the court may order that administration of the estate be dispensed with and such assets be transferred to the surviving spouse or to a person designated by such surviving spouse to receive all or part of such assets. The court may so order in both testate and intestate estates and without requiring the renunciation of a will or the giving of bond.

(2) If the court is satisfied that no probatable estate will pass through the hands of the personal representative, it may order that no letters of administration be issued and in the case of a testate estate that the will be probated only.

(3) Where a surviving spouse has waived his or her right to the exemption accorded by law in favor of a person who has paid preferred claims in an amount equalling or exceeding the amount of probatable assets or who is legally entitled to such payment, or where there is no surviving spouse and such person has made such payment or is legally entitled thereto, the court may order that the administration of the estate be dispensed with and such assets transferred to such person. SECTION 3. A NEW SECTION OF KRS CHAPTER 222 IS CREATED TO READ AS FOLLOWS:

(1) A person may be ordered to treatment at an appropriate treatment facility by the district court upon the petition of his spouse, a parent or guardian, any next of kin, a physician, the head of any state licensed treatment facility or rehabilitation center, the sheriff of the county where such person resides or is found, or any three (3) citizens of the state.

(a) The petition shall allege that the person:

1. Is a habitual abuser of controlled substances not pursuant to a lawful prescription or alcohol or both;

2. Has lost the power of self-control with respect to the use of such controlled substances or alcohol; and

3. Has threatened, attempted, or actually inflicted physical harm on himself or others, or is in need of treatment and care and by reason of drug or alcohol abuse or both his judgment has been so impaired that he is incapable of appreciating his need for and of making a rational decision in regard thereto. A mere refusal to undergo treatment shall not by itself constitute evidence of lack of judgment with respect to the need for care.

(b) The petition shall be accompanied by the certificate of a physician, licensed psychologist or mental health professional possessing training and experience in drug and alcohol abuse treatment and rehabilitation and shall be based upon an examination of the alleged drug or alcohol abuser made within ten (10) days prior to the filing of the petition, unless the person whose treatment is sought has refused to submit to such examination, in which event the petition shall so state. The certificate shall set forth its finding in support of the allegations of the petition.

(2) Upon receipt of the petition, the court shall fix a date for a hearing on the issues no later than five (5) days from the date the petition was received. The court shall give notice of the hearing to:

(a) The petitioner;

(b) The person whose treatment is sought, his next of kin if other than the petitioner, and his parents or legal guardian and his court-appointed guardian ad litem, if he is a minor; and

(c) Any other person whose presence the court deems advisable.

Copies of the petition and certificate shall be delivered to all of the parties, together with the notice of hearing.

(3) At the hearing, the court shall hear all relevant testimony, including testimony of those providing certificates pursuant to subsection (1) of this section. The person whose treatment is sought shall be present unless the court has reason to believe that his presence is likely to be injurious to him; in this event, the court shall appoint a guardian ad litem to represent him throughout the proceeding. The court shall examine the person whose treatment is sought in open court or, if it is deemed advisable, out of court. If the person whose treatment is sought has refused to be examined, he shall be afforded an opportunity to consent to examination by a court appointed physician, licensed psychologist, or mental health professional possessing training and experience in drug and alcohol abuse treatment and rehabilitation. If he refuses and there is sufficient evidence to believe that the allegations of the petition are likely to be true, or, in any case, if the court believes that more evidence is necessary, the court may preliminarily order the person to an appropriate treatment facility for a period of not more than thirty (30) days for purposes of an examination. If, after hearing all relevant evidence, including the results of any case findings, the court finds that the grounds for court-ordered treatment have been met by clear and convincing proof, the court shall make a final order stating its findings and ordering the person to treatment at or through a treatment facility deemed appropriate by the court.

(4) A person ordered to treatment pursuant to this section shall remain under the treatment designated by the court for a period of ninety (90) days unless sooner discharged. At the end of the ninety (90) days period, he shall automatically be discharged unless the treatment facility, prior to the expiration of such period, obtains renewal of the order for treatment for a further period of ninety (90) days unless sooner discharged.

(a) A person ordered to treatment who has not been discharged by the treatment facility before the end of the second ninety (90) day period shall automatically be discharged at the expiration of that period unless the treatment facility, prior to the expiration of such period, obtains a renewal of the order for treatment for a further period of ninety (90) days unless sooner discharged.

(b) Upon receipt of a petition for renewal of the order for treatment, the court shall fix a date for hearing no later than five (5) days from the date the petition was received. Notice of the application and the date of the hearing fixed by the court shall be served on:

1. The petitioner;

2. The person whose treatment is sought, his next of kin, and one (1) of his parents or his legal guardian if he is a minor;

3. The original petitioner, if different from the petitioner for renewal of the order for treatment; and

4. Any other person whose presence the court deems advisable.

At the hearing, the court shall proceed in the manner previously set forth herein.

(5) A person ordered to treatment in, and who is in the custody of, a treatment facility for care shall be discharged at any time prior to the end of the period for which he has been ordered to treatment when one (1) of the following conditions are met:

(a) In the case of a drug or alcohol abuser ordered to treatment on the grounds of likelihood of infliction of physical harm upon himself, or others, when such likelihood no longer exists; or

(b) In the case of a drug or alcohol abuser ordered to treatment on the grounds of need of treatment and care accompanied by incapacity to make a determination respecting such need, either when such incapacity no longer exists or when it is evidence that further treatment and care will not bring about further significant improvement in such person's condition.

(6) The person whose treatment is sought shall be informed of his right to contest the application, to be represented by counsel at every stage of proceedings relating to his order to treatment, and to have counsel appointed for him by the court, if he desires the assistance of counsel and is financially unable to obtain counsel. If the court believes the person needs the assistance of counsel, the court shall appoint counsel for him regardless of his wishes. Further, the person for whom treatment is sought shall be informed of his right to be examined by a physician, licensed psychologist, or mental health professional and a person of his choice who possesses training and experience in drug and alcohol abuse treatment and rehabilitation. If the person is financially unable to obtain such services and requests such examinations, the court shall provide payment for the required examinations.

(7) Any person ordered to treatment under the provisions of this chapter may at any time seek to be discharged from treatment by writ of habeas corpus.

SECTION 3. A NEW SECTION OF KRS CHAPTER 222 IS CREATED TO READ AS FOLLOWS:

(1) A person may be ordered to treatment at an appropriate treatment facility by the district court upon the petition of his spouse, a parent or guardian, or the next of kin.

(a) The petition shall allege that the person:

1. Is a habitual abuser of controlled substances not pursuant to a lawful prescription or alcohol or both;

2. Has lost the power of self-control with respect to the use of such controlled substances or alcohol; and

3. Has threatened, attempted, or actually inflicted physical harm on himself or others, or is in need of treatment and care and by reason of drug or alcohol abuse or both his judgment has been so impaired that he is incapable of appreciating his need for and of making a rational decision in regard thereto. A mere refusal to undergo treatment shall not by itself constitute evidence of lack of judgment with respect to the need for care.

(b) The petition shall be accompanied by the certificate of a physician, licensed psychologist or mental health professional possessing training and experience in drug and alcohol abuse treatment and rehabilitation and shall be based upon an examination of the alleged drug or alcohol abuser made within ten (10) days prior to the filing of the petition, unless the person whose treatment is sought has refused to submit to such examination, in which event the petition shall so state. The certificate shall set forth its finding in support of the allegations of the petition.

(2) Upon receipt of the petition, the court shall fix a date for a hearing on the issues no later than five (5) days from the date the petition was received. The court shall give notice of the hearing to:

(a) The petitioner;

(b) The person whose treatment is sought, his next of kin if other than the petitioner, and his parents or legal guardian and his court-appointed guardian ad litem, if he is a minor; and

(c) Any other person whose presence the court deems advisable.

Copies of the petition and certificate shall be delivered to all of the parties, together with the notice of hearing.

(3) At the hearing, the court shall hear all relevant testimony, including testimony of those providing certificates pursuant to subsection (1) of this section. The person whose treatment is sought shall be present unless the court has reason to believe that his presence is likely to be injurious to him; in this event, the court shall appoint a guardian ad litem to represent him throughout the proceeding. The court shall examine the person whose treatment is sought in open court or, if it is deemed advisable, in chambers. If the person whose treatment is sought has refused to be examined, he shall be afforded an opportunity to consent to examination by a court appointed physician, licensed psychologist, or mental health professional possessing training and experience in drug and alcohol abuse treatment and rehabilitation. If he refuses and there is sufficient evidence to believe that the allegations of the petition are likely to be true, or, in any case, if the court believes that more evidence is necessary, the court may preliminarily order the person to an appropriate treatment facility for a period of not more than thirty (30) days for purposes of an examination. If, after hearing all relevant evidence, including the results of any case findings, the court finds that the grounds for court-ordered treatment have been met by clear and convincing proof, the court shall make a final order stating its findings and ordering the person to treatment at or through a treatment facility deemed appropriate by the court.

(4) A person ordered to treatment pursuant to this section shall remain under the treatment designated by the court for a period of sixty (60) days unless sooner discharged. At the end of the sixty (60) day period, he shall automatically be discharged unless the treatment facility, prior to the expiration of such period, obtains renewal of the order for treatment for a further period of sixty (60) days unless sooner discharged.

(a) A person ordered to treatment who has not been discharged by the treatment facility before the end of the second sixty (60) day period shall automatically be discharged at the expiration of that period unless the treatment facility, prior to the expiration of such period, obtains a renewal of the order for treatment for a further period of sixty (60) days unless sooner discharged.

(b) Upon receipt of a petition for renewal of the order for treatment, the court shall fix a date for hearing no later than five (5) days from the date the petition was received. Notice of the application and the date of the hearing fixed by the court shall be served on:

1. The petitioner;

2. The person whose treatment is sought, his next of kin, and one (1) of his parents or his legal guardian if he is a minor;

3. The original petitioner, if different from the petitioner for renewal of the order for treatment; and

4. Any other person whose presence the court deems advisable.

At the hearing, the court shall proceed in the manner previously set forth herein.

(5) A person ordered to treatment in, and who is in the custody of, a treatment facility for care shall be discharged at any time prior to the end of the period for which he has been ordered to treatment when one (1) of the following conditions are met:

(a) In the case of a drug or alcohol abuser ordered to treatment on the grounds of likelihood of infliction of physical harm upon himself, or others, when such likelihood no longer exists; or

(b) In the case of a drug or alcohol abuser ordered to treatment on the grounds of need of treatment and care accompanied by incapacity to make a determination respecting such need, either when such incapacity no longer exists or when it is evidence that further treatment and care will not bring about further significant improvement in such person's condition.

(6) The person whose treatment is sought shall be informed of his right to contest the application, to be represented by counsel at every stage of proceedings relating to his order to treatment, and to have counsel appointed for him by the court, if he desires the assistance of counsel and is financially unable to obtain counsel. If the court believes the person needs the assistance of counsel, the court shall appoint counsel for him regardless of his wishes. Further, the person for whom treatment is sought shall be informed of his right to be examined by a physician, licensed psychologist, or mental health professional and a person of his choice who possesses training and experience in drug and alcohol abuse treatment and rehabilitation. If the person is financially unable to obtain such services and requests such examinations, the court shall provide payment for the required examinations.

(7) Any person ordered to treatment under the provisons of this chapter may at any time seek to be discharged from treatment by writ of habeas corpus.

SECTION 4. A NEW SECTION OF KRS CHAPTER 222 IS CREATED TO READ AS FOLLOWS:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 213.110 is amended to read as follows:

(1) The body of any person whose death occurs in this state shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, until a permit for burial, removal or other disposition has been issued by the registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the cabinet for human resources to be infectious, contagious or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the cabinet for human resources and local board of health. *Prior to the removal of the body of any person whose death occurs in a hospital, long-term care facility or other health care facility, the hospital, long-term care facility or other health care facility in which the death occurs shall notify any embalmer or funeral director to whom the body will be transported of the identity of any communicable disease the decedent was known to have at the time of death.* Except as provided in subsections (2) and (3) of this section, no burial or removal permit shall be issued by any registrar until a complete and satisfactory certificate and return of the death has been filed with him. If any certificate of death is incomplete or unsatisfactory, the registrar shall call attention to the defects in the return, and shall withhold issuing the burial or removal permit until they are corrected.

(2) A transit permit issued in accordance with the law and health regulations of the place where the death occurred, whether in or outside of this state, may be accepted by the local registrar of the district where the body is to be interred or otherwise finally disposed of, in lieu of a certificate of death, but he shall plainly enter on the face of the copy of the record made for return to the cabinet for human resources the fact that it was a body shipped in for interment and the actual place of death. If the transit permit was issued outside of this state the local registrar of the district where the body is to be finally disposed of shall issue a local burial permit, but if the transit permit was issued in this state the registrar's burial or removal permit from the district where the death occurred may be accepted as authority for burial at the point of destination, without the issuance of a local burial permit.

(3) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body, unless the services of the coroner or the health officer are required or the cabinet for human resources deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body, the undertaker or person acting as such shall file with the local registrar or deputy registrar prior to interment, a provisional certificate of death, which shall contain the name, date and place of death of the deceased and an agreement to furnish within five (5) days a complete and satisfactory certificate of death and the undertaker or person acting as such shall secure a complete and satisfactory certificate of death as provided in KRS 213.100 and return it within five (5) days from the date of burial to the local registrar of the district in which the death occurred.

(4) The undertaker shall deliver the burial permit to the sexton or person in charge of the place of burial, before interring the body, or, if the body is to be shipped by a transportation company, shall attach the transit permit, containing the registrar's removal permit, to the box containing the body. The transit permit shall accompany the body to its destination.

(2) If the secretary of the cabinet for human resources or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of such adoption, then funds may be paid to the adoptive parents after completion of the adoption of such child if the following conditions exist:

(b) The adoptive parents can give suitable care to the child if a subsidy is paid.

HB 989, AN ACT relating to medical care.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Adults have the right to control decisions relating to their own medical care, including instructions to the adult's physician to withhold medical treatment.

The Committee Substitute to HB 989 is as follows:

HB 989, AN ACT relating to medical care.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The general assembly finds that all adults have the fundamental right to control the decisions relating to their own medical care, including the decision to have medical or surgical means or procedures calculated to prolong their lives provided, withheld or withdrawn.

(2) The general assembly further finds that the artificial prolongation of life for persons with a terminal condition may cause loss of individual dignity and secure only a precarious and burdensome existence, while providing nothing medically necessary or beneficial to the patient.

(3) In order that the dignity, privacy and sanctity of persons with such conditions may be respected even after they are no longer able to participate actively in decisions concerning themselves, the general assembly hereby declares that the laws of the Commonwealth of Kentucky shall recognize the right of an adult to make a written declaration, at any time, instructing the adult's physician to withhold or withdraw life-prolonging procedures in the event such person is diagnosed as having a terminal condition.

SECTION 2. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

As used in this Act:

(1) "Attending physician" means the physician who has primary responsibility for the treatment and care of the patient.

(2) "Declaration" means a witnessed document in writing, voluntarily made, at any time, by the declarant in accordance with the requirements of Section 3 of this Act.

(3) "Life-prolonging procedure" means any medical procedure, treatment or intervention which (a) utilizes mechanical or other artificial means to sustain, restore or supplant a spontaneous vital function or is otherwise of such a nature as to afford a patient no reasonable expectation of recovery from a terminal condition and (b) when applied to a patient in a terminal condition, would serve only to prolong the dying process. "Life-prolonging procedure" shall not include the administration of medication or the performance of any medical procedure deemed necessary to provide comfort or sustenance care or to alleviate pain.

(4) "Physician" means a person licensed to practice medicine in the Commonwealth of Kentucky.

(5) "Qualified patient" means a patient who has:

(a) Made a declaration in accordance with this Act;

(b) Been diagnosed and certified in writing by the attending and one (1) other physician, as having a terminal condition; and

(c) Who is not known to be pregnant.

(6) "Terminal condition" means a condition caused by injury, disease or illness from which, to a reasonable degree of medical certainty, there can be no recovery or death is imminent and where the application of life-prolonging procedures would serve only to artificially prolong the dying process.

SECTION 3. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Any adult may, at any time, make a written declaration directing the withholding or withdrawal of life-prolonging procedures when such person is diagnosed as having a terminal condition. A written declaration shall be signed by the declarant in the presence of two (2) subscribing witnesses.

(2) In no instance shall any of the following be a witness to any declaration made under this Act:

(a) A blood relative who would be a beneficiary of the declarant; or

(b) A beneficiary of the declarant under descent and distribution statutes of the Commonwealth; or

(c) An employe of a health facility in which the declarant is a patient; or

(d) An attending physician of the declarant; or

(e) Any person directly financially responsible for the declarant's health care.

(3) It shall be the responsibility of the declarant to provide for notification to the declarant's attending physician that a declaration has been made. In the event the declarant is comatose, incompetent or otherwise mentally or physically incapable, any other person may notify the physician of the existence of a declaration. An attending physician who is so notified shall promptly make the declaration or a copy of the declaration a part of the declarant's medical records.

SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

A declaration made pursuant to this Act shall be substantially in the following form, and may include other specific directions. Should any other specific directions be held to be invalid, such invalidity shall not affect the declaration.

Declaration

Declaration made this ______ day of __________, (month, year). I, ____________, willfully and voluntarily make known my desire that my dying shall not be artificially prolonged under the circumstances set forth below, and do hereby declare:

If at any time I should have a terminal condition and my attending and one (1) other physician have determined that there can be no recovery from such condition and where the application of life-prolonging procedures would serve only to artificially prolong the dying process, I direct that such procedures be withheld or withdrawn, and that I be permitted to die naturally with only the administration of medication or the performance of any medical procedure deemed necessary to provide me with comfort or sustenance care or to alleviate pain.

In the absence of my ability to give directions regarding the use of such life-prolonging procedures, it is my intention that this declaration shall be honored by my family and attending physician as the final expression of my legal right to refuse medical or surgical treatment and accept the consequences for such refusal.

If I have been diagnosed as pregnant and that diagnosis is known to my physician, this directive shall have no force or effect during the course of my pregnancy.

I understand the full import of this declaration and I am emotionally and mentally competent to make this declaration.

(2) An oral statement by the declarant to revoke a declaration shall override any previous written declaration made.

(3) Any such revocation shall become effective immediately. An attending physician shall not be required to administer treatment in accordance with the revocation until such time as he receives notice of the revocation. Upon receiving notice of the revocation, the attending physician shall record, in the declarant's medical record, the time, date and place of such notice receipt.

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) A health care facility, physician or other person acting under the direction of a physician shall not be subject to criminal prosecution or civil liability or be deemed to have engaged in unprofessional conduct as a result of the withholding or the withdrawal of life-prolonging procedures from a patient with a terminal condition in accordance with this Act. A person who authorizes the withholding or withdrawal of life-prolonging procedures from a patient with a terminal condition in accordance with a qualified patient's declaration shall not be subject to criminal prosecution or civil liability for such action.

(2) The provisions of this section shall apply unless it is shown by a preponderance of the evidence that the person authorizing or effectuating the withholding or withdrawal of life-prolonging procedures did not, in good faith, comply with the provisions of this Act. SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

An attending physician who refuses to comply with the declaration of a qualified patient shall make arrangements to remove himself as attending physician for that patient as soon as may be reasonably practicable and shall assist the patient in obtaining another physician.

SECTION 8. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Nothing in this Act shall be construed to condone, authorize or approve mercy killing or euthanasia, or to permit any affirmative or deliberate act or omission to end life other than to permit the natural process of dying.

SECTION 9. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The withholding or withdrawal of life-prolonging procedures from a qualified patient in accordance with the provisions of this Act shall not, for any purpose, constitute a suicide. Nor shall the making of a declaration pursuant to this Act affect the sale, procurement or issuance of any policy of life insurance, nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired or invalidated by the withholding or withdrawal of life-prolonging procedures from an insured qualified patient, notwithstanding any term of the policy to the contrary.

(2) No physician, health facility, or other health care provider shall require any person to make a declaration as a condition for receiving health care services. No contract for health insurance under KRS 304.5-040, disability insurance, credit health insurance or insurance under nonprofit hospital, medical, surgical, dental and health service corporation, self-insured private employer group plan, or health maintenance organization as defined in KRS Chapter 304 shall require any person to make a declaration as a condition for being insured for health care services; neither shall any of the aforementioned health insurance contracts or plans be legally impaired or invalidated in any manner by the making of a declaration or the withholding or withdrawal of life sustaining procedures from an insured qualified patient, notwithstanding any term of the policy to the contrary.

(3) The declaration of any qualified patient, substantially in the form set out in Section 4 of this Act and made prior to the effective date of this Act, shall be given effect as provided in this Act.

SECTION 10. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

The provisions of this Act shall not affect an individual's right to consent or refuse to consent to medical treatment and shall not impair any existing rights or responsibilities which a health care provider, a patient, including a minor or incompetent patient, or a patient's family may have in regard to the withholding or withdrawal of life-prolonging medical procedures under the common law or statutes of the Commonwealth.

SECTION 11. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Any person who willfully conceals, cancels, defaces, obliterates, or damages the declaration of another without the declarant's consent or who falsifies or forges a revocation of the declaration of another, thereby causing life-prolonging procedures to be utilized in contravention of the previously expressed intent of the patient shall be civilly liable.

(2) Any person who falsifies or forges the declaration of another, or willfully conceals or withholds personal knowledge of the revocation of a declaration, with the intent to cause a withholding or withdrawal of life-prolonging procedures, contrary to the wishes of the declarant, and thereby, because of such act, directly causes life-prolonging procedures to be withheld or withdrawn and death to be hastened, shall be guilty of a Class C felony.

under this chapter, shall pay a tax upon the premium received, whether in cash or notes, in this state or on account of business done in this state, for such insurance in this state at the rate of two percent (2%) of the amount of such premium and any additional assessment made pursuant to subsection (2) of this section. Such insurance carriers shall be credited with all cancelled or returned premiums, including dividends paid or credited to policyholders, and the premiums received for reinsurance assumed from companies authorized and licensed to transact business in this state.

(2) If the secretary of finance and administration and the secretary of labor find that the tax on premiums levied pursuant to KRS 342.475 and subsection (1) of this section, are insufficient to meet the maintenance fund level of appropriations and expenditures for all programs in the labor cabinet, the Kentucky occupational safety and health review commission and the uninsured employers' fund as reflected in the enacted budget of the Commonwealth and the joint budget bill enacted by the general assembly, they shall advise the secretary of revenue in writing of such fact prior to the end of each fiscal year. The secretary of revenue may then levy one (1) additional assessment per fiscal year against all insurance companies writing workers' compensation insurance in Kentucky, all self-insurance groups operating under this chapter, and every employer carrying his own risk. The amount of each assessment shall be in the proportion that each assessment payers' "adjusted cost" bears to the total "adjusted cost" of all assessment payers.

(3) Every such insurance carrier shall make an annual return [~~verified by the affidavit~~] of its president and secretary, or other chief officer or agents, to the revenue cabinet, stating the amount of all such premiums and credits during the period covered by that return. Every insurance carrier required to make such return shall file it by March 1, and shall at the same time pay the tax of two dollars ($2.00) on each one hundred dollars ($100) of such premiums ascertained as provided in subsection (1) of this section hereof, less returned premiums, including dividends paid or credited to policyholders, and reinsurance received from other companies licensed to transact business in this state, and shall thereafter pay any additional assessment made pursuant to subsection (2) of this section, at the time and in the manner prescribed by the secretary of revenue.

Section 26. KRS 342.475 is amended to read as follows:

Every employer carrying his own risk under KRS 342.340 shall[~~, under oath,~~] report to the revenue cabinet his "adjusted cost" of operating under the provisions of this chapter during the period covered by such report. Such report shall be made in form prescribed by the revenue cabinet and at the time provided for premium reports by the insurance carriers. The revenue cabinet shall assess against such "adjusted costs" so reported a maintenance fund tax of two percent (2%), and shall make an additional assessment if required by KRS 342.450. Such amount shall not exceed the maintenance fund level of appropriations and expenditures for all programs in the labor cabinet, the Kentucky occupational safety and health review commission and the uninsured employers' fund as reflected in the enacted budget of the Commonwealth enacted by the general assembly.

Section 27. KRS 393.110 is amended to read as follows:

(1) Every person holding funds or other property, tangible or intangible, presumed abandoned under this chapter shall report to the cabinet with respect to the property annually as of July 1. The report shall be filed in the office of the cabinet on or before September 1 of each year for the preceding July 1. The report [~~shall be verified and~~] shall include:

(a) Except with respect to traveler's checks and money orders, the name, if known, and last known address, if any, of each person appearing from the records of the holder to be the owner of any property of value of twenty-five dollars ($25.00) or more presumed abandoned under this chapter and in the case of unclaimed funds of life insurance corporations the full name of the insured or annuitant and his last known address according to the records of the life insurance corporation;

(b) The nature and identifying number, if any, or description of the property and the amount appearing from the records to be due, except that items of value under twenty-five dollars ($25.00) each may be reported in the aggregate. The holder of abandoned property shall maintain its records for a period of five (5) years from the date of its report for items reported in the aggregate. If the owner of property reported in the aggregate makes a valid claim therefor within five (5) years, the holder shall refund the property and deduct the amount refunded from the next report due to the cabinet;

(c) The date when the property became payable, demandable, or returnable, and the date of the last known transaction with the owner with respect to the property if readily available; and

(d) Any other information which the cabinet prescribes by *administrative* [~~rules and~~] regulations necessary for the administration of this chapter. The report shall be made in duplicate; the original shall be retained by the cabinet, and the copy shall be mailed to the sheriff of the county where the property is located or held. It shall be the duty of the sheriff to post for not less than twenty (20) consecutive days said copy on the courthouse door or the courthouse bulletin board, and also to publish said copy pursuant to KRS Chapter 424; except the sheriff shall not be required to publish any item with a fair cash value of twenty-five dollars ($25.00) or less. The list shall be published within thirty (30) days of its receipt by the sheriff and this publication shall constitute compliance with the requirements of KRS Chapter 424. The cost of the publication shall be paid by the state. The sheriff shall immediately certify in writing to the cabinet the dates when the list was posted and published. The list shall be posted and published as required on or before October 1 of the year when it is made, and such posting and publishing shall be constructive notice to all interested parties.

(2) Within sixty (60) days after the receipt of the report required by subsection (1) of this section, the cabinet shall mail notice to each person having an address listed therein who appears to be entitled to property presumed abandoned under this chapter; except the cabinet shall not be required to mail a notice to any person whose name appears on the abandoned property list where the fair cash value of the property is twenty-five dollars ($25.00) or less. The notice shall contain:

(a) A statement that according to a report filed with the cabinet properties being held to which the addressee appears entitled;

(b) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder;

(c) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the date specified in the published notice, the property will be placed in the custody of the cabinet to whom all further claims must be directed.

(3) Any person who has made a report of any estate or property presumed abandoned, as required by this chapter, shall, between November 1 and November 15 of each year, turn over to the cabinet all property so reported; but if the person making the report or the owner of the property shall certify to the cabinet [~~by sworn statement~~] that any or all of the statutory conditions necessary to create a presumption of abandonment no longer exist or never did exist, or shall *report* [~~certify~~] the existence of any fact or circumstance which has a substantial tendency to rebut such presumption, then, the person reporting or holding the property shall not be required to turn the property over to the cabinet except on order of court. If a person files an action in court claiming any property which has been reported under the provisions of this chapter, the person reporting or holding such property shall be under no duty while any such action is pending to turn the property over to the cabinet, but shall have the duty of notifying the cabinet of the pendency of such action.

(4) The person reporting or holding the property or any claimant thereof shall always have the right to a judicial determination of his rights under this chapter and nothing therein shall be construed otherwise; and the Commonwealth may institute an action to recover such property as is presumed abandoned whether it has been reported or not and may include in one (1) petition all such property within the jurisdiction of the court in which the action is brought provided the property of different persons is set out in separate paragraphs.

HB 406, AN ACT relating to water.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 151.110 is amended to read as follows:

The conservation, development and proper use of the water resources of the Commonwealth of Kentucky have become of vital importance as a result of population expansion and concentration, industrial growth, technological advances and an ever increasing demand for water for varied industrial, municipal and recreational uses. It is recognized by the general assembly that excessive rainfall during certain seasons of the year causes damage from overflowing streams. However, prolonged droughts at other seasons curtail industrial, municipal, agricultural and recreational uses of water and seriously threaten the continued growth and economic well-being of the Commonwealth. The advancement of the safety, happiness and welfare of the people and the protection of property require that the power inherent in the people be utilized to promote and to regulate the conservation, development and most beneficial use of the water resources. *Ground and surface waters are interrelated and part of a single hydrologic resource. Uncoordinated development and use of the resource fosters conflicts between competing users, discourages investment and economic development, and prevents the optimal utilization of valuable water resources. Multiple uses of the resource for municipal, industrial, commercial, and rural water supply; navigation; agriculture; hydroelectric power and energy production; recreation; water quality maintenance; and conservation of fish and wildlife are interdependent.* It is hereby declared that the general welfare requires that the water resources of the Commonwealth be put to the beneficial use to the fullest extent of which they are capable, that the waste or nonbeneficial use of water be prevented, and that the conservation and beneficial use of water be exercised in the interest of the people. Therefore, it is declared the policy of the Commonwealth to actively encourage and to provide financial, technical or other support for projects that will control and store our water resources in order that the continued growth and development of the Commonwealth might be assured. To that end, it is declared to be the purpose of KRS chapters 146, 149, 151, *224,* 262 and 350.029 and 433.750 to 433.757 for the Commonwealth to permit, regulate, and participate in the construction or financing of facilities to store surplus surface water for future use; to conserve and develop the ground water resources of the Commonwealth; to protect the rights of all persons equitably and reasonably interested in the use and availability of water; to prohibit the pollution of water resources and to maintain the normal flow of all streams so that the proper quantity and quality of water will be available at all times to the people of the Commonwealth; to provide for the adequate disposition of water among the people of the Commonwealth entitled to its use during severe droughts or times of emergency; to prevent harmful overflows and flooding; to regulate the construction, maintenance and operation of all dams and other barriers of streams; to prevent the obstruction of streams and floodways by the dumping of substances therein; to keep accurate records on the amount of water withdrawal from streams and watercourses and reasonably regulate the amount of withdrawal of public water; and to engage in other activities as may be necessary to conserve and develop the water resources of the Commonwealth of Kentucky.

SECTION 2. A NEW SECTION OF KRS CHAPTER 151.110 TO 151.330 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall develop a comprehensive and systematic planning process for the long-range management and orderly development of the Commonwealth's surface and groundwater resources. The

planning process shall generate over each biennium a plan for the implementation of specific goals and management objectives for the cabinet to achieve in meeting the Commonwealth's water needs. The biennial plan shall serve as the basis for the cabinet's budgeting process in allocating resources to the state's water resource programs. The planning process shall be developed to:

(a) Provide for the conjunctive management of ground and surface waters;

(b) Protect, conserve, develop, and utilize the water resource in a manner consistent with the Commonwealth's duties for management of natural resources, the public's right to unpolluted water, and the preservation of the natural, scenic, cultural, historic, and aesthetic values of the environment;

(c) Provide a coordinated framework for cooperation among federal, interstate, state, and local government agencies in the planning and management of water resources, in a manner consistent with KRS Chapter 147 and KRS 224.033(13);

(d) Be both anticipatory of future needs and reactive to problems;

(e) Provide for public involvement in the establishment of the comprehensive and systematic planning process, in plan development and implementation, and the allocation and prioritizing of resources for water resource management and development; and

(f) Establish a process for the collection and coordination of data regarding surface and ground water availability and quality including the presence of point and non-point sources of pollution, instream flow information, withdrawal and use information, an assessment of flood damage and storm water management problems, and an identification and assessment of future data needs.

(2) The continuous planning process shall include goals and objectives for ground and surface water quantity and quality management in order to assess and formulate a combination of regulations, policies, programs, and projects which shall address the comprehensive water needs of the Commonwealth in the most effective manner.

(1) When a petition for annexation of territory to a district is filed with the commissioner, he shall investigate at once the boundary of the territory proposed to be annexed, and may, at the cost of the district, cause to be made surveys necessary to establish with reasonable accuracy a boundary that will, in his judgment, accomplish the purpose sought by annexation of the territory in a practicable and workable manner, and that will be sufficiently comprehensive to avoid confusion or interference with any other similar district then existing or that may be created. The boundary established by the commissioner need not follow the boundary proposed by the district.

(2) Should it be found desirable to include in the territory to be annexed by a district all or a portion of a city of the second, third, fourth, fifth or sixth class, the governing body of such city shall determine by ordinance whether the city or portion thereof shall be included in the district, or whether the city shall bind itself to pay the charges for the services of the district furnished in such area*, except that districts which include territory in two (2) counties shall maintain all sewerage facilities throughout both counties and shall be responsible for collection, disposal and treatment of all sewage produced in both counties, and cities within each county shall pay the charges for services of the district.*

(3) When the boundaries of the territory proposed to be annexed have been fixed by the commissioner as prescribed in subsection (1) of this section, he shall give notice of the application for annexation of the territory by publication pursuant to KRS chapter 424.

HB 839, AN ACT relating to violations of surface coal mining laws.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.990 is amended to read as follows:

(1) Any person or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided herein, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for said violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which such violation continues, and in addition, may be enjoined from continuing such violations as hereinafter provided in this section; provided, however, that any operator or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for such abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which such violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as a regulation. The secretary or a designated representative, upon his or her own initiative or

upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of such method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. Such penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's office of general counsel, or upon the secretary's request, by the attorney general. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet or by the attorney general on its behalf for the enforcement of the provisions of this chapter or the orders, rules, and regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the state treasury, except those monies collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in a trust and agency account, entitled the abandoned mine land enhancement fund, for the purposes set forth in KRS 355.595. The fund shall be administered by the secretary in accordance with accounting practices as established by the finance and administration cabinet.

(2) Any person who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or regulations promulgated pursuant thereto, or any person who engages in mining operations, without proper authorization as required by the cabinet pursuant to KRS 350.029 or regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing such violations as hereinafter provided. Each day shall constitute a separate violation. However, the penalties provided for in subsection (1) of this section shall apply in lieu of the penalties provided for in this subsection where an operator through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) It shall be the duty of the cabinet's office of general counsel or, upon the secretary's request, of the attorney general to bring an action for the recovery of the penalties herein provided for and to bring an action for a restraining order, temporary or permanent injunction, against any operator or other person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet or by the attorney general on its behalf for the enforcement of the provisions of this chapter or the orders, rules, and regulations of the cabinet promulgated pursuant thereto.

(4) Any person who shall knowingly and willfully violate any of the provisions of this chapter, except as provided in subsection (5) of this chapter or any determination or order promulgated pursuant to the sections of this chapter which have become final shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which such violation occurs may constitute a separate offense.

(5) Any person who, in violation of KRS 350.060, willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet or any person who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or regulations promulgated pursuant thereto, or any person who willfully and knowingly engages in mining operations without proper authorization as required by the cabinet pursuant to KRS 350.029 or regulations promulgated pursuant thereto, with the intent to violate such laws shall be guilty of a Class D felony and upon conviction thereof shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(6) Any person who violates any of the provisions of KRS 350.600 or regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any person who knowingly makes any false statement, representation or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a misdemeanor

and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any person who shall willfully resist, prevent, impede, or interfere with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) Whenever a corporate permittee violates any provision of this chapter or regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of such corporation who willfully and knowingly authorized, ordered, or carried out such violation, failure or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Any person found in violation of KRS 350.060(11) shall be fined not more than five hundred dollars ($500) for each violation, nor less than fifty dollars ($50).

(12) The cabinet, upon written request by any person or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by regulation and in conjunction with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment.

The Committee Amendment No. 1 to HB 839 is as follows:

Amend printed copy of HB 839:

page 7, line 10, by deleting "*in conjunction*" and substituting therefor "*after consultation*" and

on page 7, line 18, after "*assessment.*" add the following:

"*The cabinet division of abandoned lands shall have the authority to approve proposed in-kind projects and to recommend such projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person or operator for the full amount of the assessed penalty. The cabinet is authorized to prepare and promulgate such regulations as are necessary to implement and administer the provisions of this subsection.*"

HB 869, AN ACT relating to coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.032 is amended to read as follows:

(1) In case of refusal to obey a subpoena issued to any person, any circuit court of competent jurisdiction, upon application by any party, may issue to that person an order requiring him to appear before the cabinet, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question; and any failure to obey the order of the court may be punished by the court as a contempt of court.

(2) Any person aggrieved by a final order of the cabinet may obtain a review of the order by filing in the [~~Franklin~~] circuit court *of the county within which the alleged violation occurred*, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part, provided that a surety on a performance bond shall not file such petition until it has complied with subsection (3) of this section. A copy of the petition shall be forthwith served upon the cabinet, and thereupon the cabinet shall certify and file in court a copy of the record before the cabinet, including therein all pleadings, orders,

documentary exhibits and the stenographic transcript of the testimony taken before the cabinet. When these have been filed, the court shall have exclusive jurisdiction to affirm, modify, enforce or set aside the order, in whole or in part. No objection to the order may be considered by the court unless it was urged before the cabinet or there were reasonable grounds for failure to do so. The findings of the cabinet as to the facts, if supported by substantial evidence, are conclusive. If either party applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearings before the cabinet, the court may order that additional evidence be taken before the cabinet in such manner and upon such condition as the court may consider proper. The cabinet may modify its findings as to the facts, by reason of the additional evidence so taken; and it shall file any modified or new findings with the court, which if supported by substantial evidence shall be conclusive, and any recommendation for the modification or setting aside of the original order. The commencement of the proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the cabinet's order. An appeal may be taken from the judgment of the [~~Franklin~~] circuit court to the court of appeals on the same terms and conditions as an appeal is taken in any civil action.

(3) Where the cabinet has ordered forfeiture of a performance bond, the surety shall forward to the cabinet by certified mail a cashier's check for the required amount within seven (7) business days from the effective date of the order. The cabinet shall establish an interest-bearing escrow account and shall deposit therein the full amount of the forfeiture rendered by the surety. The amount shall continue to be held by the cabinet until completion of judicial review as authorized in subsection (2) of this section. If the final decision following the review reverses the order of the secretary of the cabinet, the cabinet shall within thirty (30) days of receipt of such order, refund to the surety the appropriate amount plus all interest accrued from the date of deposit to the date of the final order.

(4) In the case of a proceeding to review any order or decision issued by the secretary under this chapter pertaining to surface coal mining operations, the court may, under such conditions as it may prescribe, grant such temporary relief as it deems appropriate pending final determination of the proceedings if:

(a) All parties to the proceedings have been notified and given an opportunity to be heard on a request for temporary relief;

(b) The person requesting such relief shows that there is a substantial likelihood that he will prevail on the merits of the final determination of the proceeding; and

(c) Such relief will not adversely affect the public health or safety or cause significant imminent environmental harm to land, air, or water resources.

HB 878, AN ACT relating to privatization of drinking water, water and wastewater facilities by cities and other political subdivisions.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 107 IS CREATED TO READ AS FOLLOWS:

The general assembly declares that the policy of this Commonwealth is to assure its citizens adequate public services, at reasonable cost, and that such services are essential to the maintenance and general welfare of the citizens of this Commonwealth and to the continued expansion of the Commonwealth's economy, job market, and industrial base. However, the cost of constructing, owning, and operating capital facilities to meet the demand for those public services is becoming increasingly burdensome to cities, counties, urban counties and improvement districts and it is desirable that innovative financing mechanisms be made available to assist the communities of this Commonwealth in developing drinking water, water and wastewater projects at reasonable cost. Private sector ownership and operation of capital facilities providing public services can result in cost savings to communities contracting for those public services. It is therefore in the best public interest of the Commonwealth and its citizens that cities, counties, urban counties and improvement districts be authorized to cause such services to be provided by private enterprise, and to contract with private owners or private owner/operators for providing the service to the public.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 44 IS CREATED TO READ AS FOLLOWS:

It is the intention of the general assembly to provide the means to enable a person negligently injured by the Commonwealth, any of its cabinets, departments, bureaus or agencies, or any of its officers, agents or employes while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus or agencies to be able to assert their just claims as herein provided. The Commonwealth thereby waives the sovereign immunity defense only in the limited situations as herein set forth. It is further the intention of the general assembly to otherwise expressly preserve the sovereign immunity of the Commonwealth, any of its cabinets, departments, bureaus or agencies or any of its officers, agents or employes while acting in the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus or agencies in all other situations except where sovereign immunity is specifically waived as set forth by statute. The board of claims shall have exclusive jurisdiction to hear claims for damages, except as otherwise specifically set forth by statute, against the Commonwealth, its cabinets, departments, bureaus, agencies or any of its officers, agents or employes while acting within the scope of their employment by the Commonwealth, its cabinets, departments, bureaus or agencies.

SECTION 2. A NEW SECTION OF KRS CHAPTER 44 IS CREATED TO READ AS FOLLOWS:

(2) The board of claims shall have primary and exclusive jurisdiction to make findings of fact, conclusions of law and legal determinations with regard to whether the alleged negligent act was on the part of the Commonwealth, or any of its cabinets, departments, bureaus or agencies, or any officers, agents or employes thereof.

(3) The board of claims shall have primary and exclusive jurisdiction to make findings of fact, conclusions of

law and legal determinations with regard to whether the alleged negligent act was on the part of the Commonwealth or any of its cabinets, departments, bureaus or agencies, or any of its officers, agents or employes while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus or agencies.

(4) No action for negligence against the Commonwealth, any of its cabinets, departments, bureaus or agencies, or any officers, agents or employes thereof may be brought initially in any other court or forum in the Commonwealth except the board of claims until the board of claims makes a determination, that has become final, that the board of claims has or does not have primary and exclusive jurisdiction over the claim.

(5) The determination by the board of claims becomes final only after all appellate rights have been finalized or waived.

(6) Any applicable statute of limitations for bringing negligence actions in any court or forum other than the board of claims shall be tolled pending the final determination that the board of claims does not have primary and exclusive jurisdiction of the negligence claim.

(7) No action for negligence may be brought in any court or forum other than the board of claims against the Commonwealth, any of its cabinets, departments, bureaus or agencies or any of its officers, agents or employes while acting within the scope of their employment by the Commonwealth, or any of its cabinets, departments, bureaus or agencies.

(8) Negligence as used herein includes negligence, gross negligence, or wanton negligence.

(9) The defense of contributory negligence is a complete bar to recovery of plaintiff's claim in the board of claims.

(10) Except as otherwise provided by KRS Chapter 44, nothing contained herein shall be construed to be a waiver of sovereign immunity or any other immunity or privilege maintained by the Commonwealth, its cabinets, departments, bureaus and agencies and its officers, agents and employes.

(11) Except as otherwise specifically set forth by statute and in reference to subsection (10) of this section, no action for damages may be maintained in any court or forum against the Commonwealth, any of its cabinets, departments, bureaus or agencies or any of its officers, agents or employes while acting within their official capacity and scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus or agencies.

(c) Ministerial acts;

(d) Actions in the performance of obligations running to the public as a whole; and

(13) The filing of an action in court or any other forum or the purchase of liability insurance by the Commonwealth, its cabinets, departments, bureaus, or agencies or its agents, officers or employes thereof for a government related purpose or duty shall not be construed as a waiver of sovereign immunity or any other immunity or privilege thereby held. Except as specifically set forth by statute, no counterclaim, set off, recoupment or other form of avoidance of the claim for damages may be asserted by any person when suit is brought against said person by the Commonwealth or any of its cabinets, departments, bureaus or agencies thereof.

(7) The board may at any time recommend the removal of any hearing officer upon filing with the governor a full written statement of its reasons for such removal.

(8) Upon recommendation to the board by the attorney for the Commonwealth, its cabinet, department, bureau, agency or employe thereof, that a settlement has been reached between the parties to the claim, and upon approval by the board that the settlement is reasonable for all parties concerned, the agreed judgment or dismissal may be entered accordingly, even without a party's admission to liability.

(3) All motor vehicles purchased pursuant to this section shall be issued official license plates and shall bear on one (1) door on each side the great seal of the Commonwealth, and the words "For official use only"; provided, however, that the vehicles purchased pursuant to subsections (1) and (4) of this section need not bear the said seal and the said words.

issued regular license plates. Such vehicles shall be used for investigatory purposes only, and for no other purposes.

(6) Any person violating subsections (2) and (4) of this section shall, on conviction thereof, be subject to the penalties prescribed in KRS 44.990.

Section 5. KRS 64.480 is amended to read as follows:

(1) Effective, with respect to the offices of governor on December 11, 1979, [~~and lieutenant governor on the fifth Tuesday following the regular November election in 1975~~] and with respect to the other offices named in this section, on the first Monday in January, 1976, the compensation of the following named officers, payable monthly out of the state treasury, shall be the sum per annum designated for the respective offices, as follows: governor, forty-five thousand dollars ($45,000) until December 11, 1981, then fifty thousand dollars ($50,000) until December 13, 1983, and then sixty thousand dollars ($60,000) until January 1, 1985; [~~lieutenant governor, an amount sufficient, when added to any per diem received during sessions of the general assembly while serving in the capacity of president of the senate, to equal twenty-seven thousand nine hundred dollars ($27,900) per annum, plus any compensation received while acting in the place of the governor;~~] attorney general, superintendent of public instruction, commissioner of agriculture, secretary of state, state treasurer, auditor of public accounts, and clerk of the Supreme Court of Kentucky elected in November, 1975, as clerk of the Court of Appeals, twenty-seven thousand nine hundred dollars ($27,900).

(2) In order to equate or adjust the compensation of the [~~lieutenant governor,~~] attorney general, superintendent of public instruction, commissioner of agriculture, secretary of state, state treasurer, auditor of public accounts, and clerk of the Supreme Court of Kentucky with the purchasing power of the 1949 dollar, the finance and administration cabinet of Kentucky shall compute by the second Friday in February of every year, beginning in 1977, the maximum permissible compensation of the officials mentioned in subsection (2) hereof based precisely upon the consumer price index formula approved in Matthews v. Allen, Kentucky, 360 S.W. 2d 139 (1962). Thus the maximum permissible compensation effective for the entire year of 1977 and subsequent years will be the actual compensation to be paid said officials. The year of adjustment will be the particular full calendar year involved.

(3) It is the intention of the legislature that the constitutionally permissible adjustment of salaries of these officials be framed around equating current salaries with the purchasing power of the dollar in 1949 when section 246 of the Kentucky Constitution was amended. Section 246 of the Constitution, as amended, established a monetary level of twelve thousand dollars ($12,000) per annum for said officials. The formula merely effects an adjustment of the constitutional monetary level in terms of the current consumer price index.

(4) In order to adjust the compensation of the governor to reflect changes in the purchasing power of the dollar, the finance and administration cabinet shall compute by the second Friday in February of every year, beginning in 1985, an adjusted salary of the governor by multiplying sixty thousand dollars ($60,000) by the increase in the consumer price index during the period from January 1, 1984 to the beginning of the then-current calendar year. The actual compensation paid to the governor for the entire calendar year of 1985 and subsequent years shall be the adjusted salary.

The Committee Amendment No. 1 to HB 882 is as follows:

Amend printed copy of HB 882:

On page 2, lines 7 and 8, by deleting the words "*shall not receive a salary, but*"; and

On page 2, line 12, by deleting the word "*while*" and inserting in lieu thereof the words "*Notwithstanding the provisions of any other statute, while*"; and

On page 2, lines 14 and 15, by deleting the words "*be compensated pursuant to the provisions of the appropriate statute*" and inserting in lieu thereof the words "*receive the same compensation he would receive if he were presiding over the state senate*"; and

On page 7, after line 22, by adding a new section which shall read as follows:

"Section 6. The provisions of this Act shall become effective when the lieutenant governor, who is elected at the November 1987 general election, assumes office."

The amount shall continue to be held by the *cabinet* [~~department~~] until completion of judicial review as authorized in subsection (2) of this section. (4) In the case of a proceeding to review any order or decision issued by the secretary under this chapter pertaining to surface coal mining operations, the court may, under such conditions as it may prescribe, grant such temporary relief as it deems appropriate pending final determination of the proceedings if:

(2) Written *instructions* [~~instruction~~] to the trustee to refund the amount of money on deposit, or an affidavit by either the purchaser or one (1) of his heirs or assigns or duly authorized representative, stating that the cemetery merchandise contract is paid in full and after a written request the merchandise was not provided, shall be sufficient authority for the trustee to make refund of the deposit monies to the person submitting the affidavit. The trustee shall not be held responsible for any such refunds made on account of the person's written direction or an affidavit submitted in accord with this section. However, nothing herein contained shall relieve any person from any liability for nonperformance of the contract terms. Except, however, in the event such person cannot deliver the cemetery merchandise sold because of a national emergency, the provision of this *section* [~~paragraph~~] shall not apply.

Section 51. KRS 431.220 is amended to read as follows:

The execution shall take place before sunrise on the day designated in the judgment.

(2) If the condemned person is insane or pregnant with child on the day designated for the execution, the execution shall be suspended until the condemned is restored to sanity or is delivered of child. The execution shall then take place under the warrant of the governor and at the time designated by him, unless stayed by due process of law. If execution is suspended on the ground of insanity, the *secretary* [~~commissioner~~] of corrections

may transfer the condemned person to the state forensic psychiatric facility operated by the [~~bureau of~~] corrections *cabinet* until such time as he is restored to sanity.

(3) If the condemned person escapes from custody and is recaptured after the expiration of the date fixed for the execution, the governor, upon receiving written notice of the recapture from the *warden* [~~superintendent~~] of the penitentiary, shall send his warrant of execution to the *warden* [~~superintendent~~] by special messenger and shall name therein the day of execution. The *warden* [~~superintendent~~] shall then proceed to the execution thereof according to the provisions of KRS 431.215 to 431.270.

In all matters relating to the return of such person to this state, such agent shall have the powers afforded a police officer of this state.

(2) Any deputization pursuant to this section shall be in writing. Any person authorized to act as an agent of this state under the terms of this section shall carry on his person such written evidence of his authorization, and shall display the same upon demand.

Section 55. KRS 440.450 is amended to read as follows:

The agreement on detainers is hereby enacted into law and entered into by the Commonwealth of Kentucky with all other jurisdictions legally joining therein in the form substantially as follows:

The contracting states solemnly agree that:

ARTICLE I

The party states find that charges outstanding against a prisoner, detainers based on untried indictments, informations or complaints, and difficulties in securing speedy trial of persons already incarcerated in other jurisdictions, produce uncertainties which obstruct programs of prisoner treatment and rehabilitation. Accordingly, it is the policy of the party states and the purpose of this agreement to encourage the expeditious and orderly disposition of such charges and determination of the proper status of any and all detainers based on untried indictments, informations or complaints. The party states also find that proceedings with reference to such charges and detainers, when emanating from another jurisdiction, cannot properly be had in the absence of cooperative procedures. It is the further purpose of this agreement to provide such cooperative procedures.

ARTICLE II

As used in this agreement:

(1) "State" shall mean a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; the Commonwealth of Puerto Rico.

(2) "Sending state" shall mean a state in which a prisoner is incarcerated at the time that he initiates a request

for final disposition pursuant to Article III hereof or at the time that a request for custody or availability is initiated pursuant to Article IV hereof.

(3) "Receiving state" shall mean the state in which trial is to be had on an indictment, information or complaint pursuant to Article III or Article IV hereof.

ARTICLE III

(1) Whenever a person has entered upon a term of imprisonment in a penal or correctional institution of a party state, and whenever during the continuance of the term of imprisonment there is pending in any other party state any untried indictment, information or complaint on the basis of which a detainer has been lodged against the prisoner, he shall be brought to trial within one hundred eighty (180) days after he shall have caused to be delivered to the prosecuting officer and the appropriate court of the prosecuting officer's jurisdiction written notice of the place of his imprisonment and his request for a final disposition to be made of the indictment, information or complaint: provided that for good cause shown in open court, the prisoner or his counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance. The request of the prisoner shall be accompanied by a certificate of the appropriate official having custody of the prisoner, stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the amount of good time earned, the time of parole eligibility of the prisoner, and any decisions of the state parole agency relating to the prisoner.

(2) The written notice and request for final disposition referred to in paragraph (1) hereof shall be given or sent by the prisoner to the warden, *secretary* [~~commissioner~~] of corrections or other official having custody of him, who shall promptly forward it together with the certificate to the appropriate prosecuting official and court by certified mail, return receipt requested.

(3) The warden, *secretary* [~~commissioner~~] of corrections or other official having custody of the prisoner shall promptly inform him of the source and contents of any detainer lodged against him and shall also inform him of his right to make a request for final disposition of the indictment, information or complaint on which the detainer is based.

(4) Any request for final disposition made by a prisoner pursuant to paragraph (1) hereof shall operate as a request for final disposition of all untried indictments, informations or complaints on the basis of which detainers have been lodged against the prisoner from the state to whose prosecuting official the request for final disposition is specifically directed. The warden, *secretary* [~~commissioner~~] of corrections or other official having custody of the prisoner shall forthwith notify all appropriate prosecuting officers and courts in the several jurisdictions within the state to which the prisoner's request for final disposition is being sent of the proceeding being initiated by the prisoner. Any notification sent pursuant to this paragraph shall be accompanied by copies of the prisoner's written notice, request, and the certificate. If trial is not had on any indictment, information or complaint contemplated hereby prior to the return of the prisoner to the original place of imprisonment, such indictment, information or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

(5) Any request for final disposition made by a prisoner pursuant to paragraph (1) hereof shall also be deemed to be a waiver of extradition with respect to any charge or proceeding contemplated thereby or included therein by reason of paragraph (4) hereof, and a waiver of extradition to the receiving state to serve any sentence there imposed upon him, after completion of his term of imprisonment in the sending state. The request for final disposition shall also constitute a consent by the prisoner to the production of his body in any court where his presence may be required in order to effectuate the purposes of this agreement and a further consent voluntarily to be returned to the original place of imprisonment in accordance with the provisions of this agreement. Nothing in this paragraph shall prevent the imposition of a concurrent sentence if otherwise permitted by law.

(6) Escape from custody by the prisoner subsequent to his execution of the request for final disposition referred to in paragraph (1) hereof shall void the request.

ARTICLE IV

(1) The appropriate officer of the jurisdiction in which an untried indictment, information or complaint is pending shall be entitled to have a prisoner against whom he has lodged a detainer and who is serving a term of imprisonment in any party state made available in accordance with Article V(1) hereof upon presentation of a

written request for temporary custody or availability to the appropriate authorities of the state in which the prisoner is incarcerated: provided that the court having jurisdiction of such indictment, information or complaint shall have duly approved, recorded and transmitted the request: and provided further that there shall be a period of thirty (30) days after receipt by the appropriate authorities before the request be honored, within which period the governor of the sending state may disapprove the request for temporary custody or availability, either upon his own motion or upon motion of the prisoner.

(2) Upon receipt of the officer's written request as provided in paragraph (1) hereof, the appropriate authorities having the prisoner in custody shall furnish the officer with a certificate stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the amount of good time earned, the time of parole eligibility of the prisoner, and any decisions of the state parole agency relating to the prisoner. Said authorities simultaneously shall furnish all other officers and appropriate courts in the receiving state who have lodged detainers against the prisoner with similar certificates and with notices informing them of the request for custody or availability and of the reasons therefor.

(3) In respect of any proceeding made possible by this Article, trial shall be commenced within one hundred twenty (120) days of the arrival of the prisoner in the receiving state, but for good cause shown in open court, the prisoner or his counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance.

(4) Nothing contained in this Article shall be construed to deprive any prisoner of any right which he may have to contest the legality of his delivery as provided in paragraph (1) hereof, but such delivery may not be opposed or denied on the ground that the executive authority of the sending state has not affirmatively consented to or ordered such delivery.

(5) If trial is not had on any indictment, information or complaint contemplated hereby prior to the prisoner's being returned to the original place of imprisonment pursuant to Article V(5) hereof, such indictment, information or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

ARTICLE V

(1) In response to a request made under Article III or Article IV hereof, the appropriate authority in a sending state shall offer to deliver temporary custody of such prisoner to the appropriate authority in the state where such indictment, information or complaint is pending against such person in order that speedy and efficient prosecution may be had. If the request for final disposition is made by the prisoner, the offer of temporary custody shall accompany the written notice provided for in Article III of this agreement. In the case of a federal prisoner, the appropriate authority in the receiving state shall be entitled to temporary custody as provided by this agreement or to the prisoner's presence in federal custody at the place for trial, whichever custodial arrangement may be approved by the custodian.

(2) The officer or other representative of a state accepting an offer of temporary custody shall present the following upon demand:

(a) Proper identification and evidence of his authority to act for the state into whose temporary custody the prisoner is to be given.

(b) A duly certified copy of the indictment, information or complaint on the basis of which the detainer has been lodged and on the basis of which the request for temporary custody of the prisoner has been made.

(3) If the appropriate authority shall refuse or fail to accept temporary custody of said person, or in the event that an action on the indictment, information or complaint on the basis of which the detainer has been lodged is not brought to trial within the period provided in Article III or Article IV hereof, the appropriate court of the jurisdiction where the indictment, information or complaint has been pending shall enter an order dismissing the same with prejudice, and any detainer based thereon shall cease to be of any force or effect.

(4) The temporary custody referred to in this agreement shall be only for the purpose of permitting prosecution on the charge or charges contained in one (1) or more untried indictments, informations or complaints which form the basis of the detainer or detainers or for prosecution on any other charge or charges arising out of the same transaction. Except for his attendance at court and while being transported to or from

any place at which his presence may be required, the prisoner shall be held in a suitable jail or other facility regularly used for persons awaiting prosecution.

(5) At the earliest practicable time consonant with the purposes of this agreement, the prisoner shall be returned to the sending state.

(6) During the continuance of temporary custody or while the prisoner is otherwise being made available for trial as required by this agreement, time being served on the sentence shall continue to run but good time shall be earned by the prisoner only if, and to the extent that, the law and practice of the jurisdiction which imposed the sentence may allow.

(7) For all purposes other than that for which temporary custody as provided in this agreement is exercised, the prisoner shall be deemed to remain in the custody of and subject to the jurisdiction of the sending state and any escape from temporary custody may be dealt with in the same manner as an escape from the original place of imprisonment or in any other manner permitted by law.

(8) From the time that a party state receives custody of a prisoner pursuant to this agreement until such prisoner is returned to the territory and custody of the sending state, the state in which the one (1) or more untried indictments, informations or complaints are pending or in which trial is being had shall be responsible for the prisoner and shall also pay all costs of transporting, caring for, keeping and returning the prisoner. The provisions of this paragraph shall govern unless the states concerned shall have entered into a supplementary agreement providing for a different allocation of costs and responsibilities as between or among themselves. Nothing herein contained shall be construed to alter or affect any internal relationship among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

ARTICLE VI

(1) In determining the duration and expiration dates of the time periods provided in Articles III and IV of this agreement, the running of said time periods shall be tolled whenever and for as long as the prisoner is unable to stand trial, as determined by the court having jurisdiction of the matter.

(2) No provision of this agreement, and no remedy made available by this agreement, shall apply to any person who is adjudged to be mentally ill.

ARTICLE VII

Each state party to this agreement shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this agreement, and who shall provide, within and without the state, information necessary to the effective operation of this agreement.

ARTICLE VIII

This agreement shall enter into full force and effect as to a party state when such state has enacted the same into law. A state party to this agreement may withdraw herefrom by enacting a statute repealing the same. However, the withdrawal of any state shall not affect the status of any proceedings already initiated by inmates or by state officers at the time such withdrawal takes effect, nor shall it affect their rights in respect thereof.

ARTICLE IX

This agreement shall be liberally construed so as to effectuate its purposes. The provisions of this agreement shall be severable and if any phrase, clause, sentence or provision of this agreement is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this agreement and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this agreement shall be held contrary to the constitution of any state party hereto, the agreement shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

(a) A definite and an indeterminate term shall run concurrently and both sentences shall be satisfied by service of the indeterminate term;

(b) The aggregate of consecutive definite terms shall not exceed one (1) year; and

If the sentence is to an indeterminate term of imprisonment, the time spent in custody prior to the commencement of such sentence shall be considered for all purposes as time served in prison.

(4) If a person has been in custody due to a charge that culminated in a dismissal, acquittal, or other disposition not amounting to a conviction, the amount of time that would have been credited under subsection (3) *of this section* if the defendant had been convicted of that charge shall be credited as provided in subsection (3) *of this section* against any sentence based on a charge for which a warrant or commitment was lodged during the pendency of that custody.

(5) If a person serving a sentence of imprisonment escapes from custody, the escape interrupts the sentence. The interruption continues until the person is returned to the institution from which he escaped or to an

institution administered by the [~~bureau of~~] corrections *cabinet*. Time spent in actual custody prior to return under this subsection shall be credited against the sentence if custody rested solely on an arrest or surrender for the escape itself.

Section 61. KRS 533.040 is amended to read as follows:

(1) A period of probation or conditional discharge commences on the day it is imposed. Multiple periods, whether imposed at the same or different times, run concurrently.

(2) If a court, as authorized by law, determines that a defendant violated the conditions of his probation or conditional discharge but reinstates probation or conditional discharge, the period between the date of the violation and the date of restoration of probation or conditional discharge is not computed as a part of the period of probation or conditional discharge.

(3) A sentence of probation or conditional discharge shall run concurrently with any federal or state jail, prison or parole term for another offense to which the defendant is or becomes subject during the period, unless such sentence of probation or conditional discharge is revoked. Such revocation must take place prior to parole under or expiration of the sentence of imprisonment or within ninety *(90)* days after the grounds for revocation come to the attention of the [~~bureau of~~] corrections *cabinet*, whichever occurs first.

Section 62. KRS 533.060 is amended to read as follows:

(2) When a person has been convicted of a felony and is committed to a correctional facility maintained by the [~~bureau of~~] corrections *cabinet* and released on parole or has been released by the court on probation, shock probation, or conditional discharge, and is convicted or enters a plea of guilty to a felony committed while on parole, probation, shock probation, or conditional discharge, such person shall not be eligible for probation, shock probation, or conditional discharge and the period of confinement for that felony shall not run concurrently with any other sentence.

(3) When a person commits an offense while awaiting trial for another offense, and is subsequently convicted or enters a plea of guilty to the offense committed while awaiting trial, the sentence imposed for the offense committed while awaiting trial shall not run concurrently with confinement for the offense for which said person is awaiting trial.

SECTION 10. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) (a) For the purpose of assuring adequate, economical, and stable supplies of fuel-grade alcohol for the use and benefit of residents and motorists in this state; to preserve and stimulate the existing fuel-grade alcohol industry; and to encourage the establishment and growth of new fuel-grade alcohol facilities, the cabinet is hereby authorized to establish and make available from the revenues collected pursuant to KRS 138.220, a fuel-grade alcohol credit fund, and to use the fund, for and on behalf of the Commonwealth, to partially offset the operating costs of those fuel-grade alcohol producers that contribute to the economy of this state, by participating in and subsidizing the market costs for fuel-grade alcohol offered for sale in this state in the manner and form hereinafter provided; and

(b) Any dealer in gasoline shall receive a credit for each gallon of fuel-grade alcohol, or fuel-grade alcohol contained in a gasoline-alcohol blend, which is blended or purchased by a dealer and on which the tax imposed by KRS 138.220 is due and payable, except as otherwise provided in subsection (6) of this section. The credit shall be in the amount specified in subsection (2) of this section for two (2) annual periods beginning on July 1, 1986, and ending on June 30, 1988. Any such credit shall be reduced by the same amount per gallon as any increase per gallon in the federal excise tax exemption for alcohol fuels effective on the date of such increase.

(2) The total amount of the credit authorized in any annual period by subsection (1) of this section shall not exceed twenty-one million dollars ($21 million) and the per gallon credit to a dealer shall be:

(a) Thirty-five (35) cents for each gallon of fuel-grade alcohol certified to a dealer or a dealer's supplier by a licensed alcohol producer to have been distilled within Kentucky; or,

(b) Twenty-five (25) cents for each gallon of fuel-grade alcohol certified to a dealer or a dealer's supplier by a licensed alcohol producer to be qualified for the credit pursuant to subsection (3) of this section;

(c) Provided that, within ninety (90) days after the end of each annual period the cabinet shall determine if

the total credits authorized pursuant to paragraph (a) plus paragraph (b) of this subsection have exceeded twenty-one million dollars ($21 million). If such limit has been exceeded, the cabinet shall further determine the amount of such excess, if any, by which the credits authorized pursuant to paragraph (a) of this subsection have exceeded eight and one-half million dollars ($8.5 million) and by which the credits authorized pursuant to paragraph (b) of this subsection have exceeded twelve and one-half million dollars ($12.5 million). The cabinet shall assess the amount of each such excess credit, if any, as a reimbursement excise tax to the licensed alcohol producer certifying the fuel-grade alcohol to a dealer or a dealer's supplier in respect of which the excess credit was claimed. The reimbursement excise tax shall be payable within thirty (30) days from the date of assessment and shall be collectable in the manner and form prescribed for taxes assessed pursuant to KRS 138.220.

(d) The cabinet shall maintain during each annual period a cumulative monthly record of all credits authorized pursuant to paragraph (a) and paragraph (b) of this subsection and shall upon request report the status of such record to licensed alcohol producers.

(3) The fuel-grade alcohol or gasoline-alcohol blend eligible for the credit authorized by this section shall be limited to alcohol distilled within this state and region, except as provided by paragraphs (a) and (b) of this subsection. For purposes of this section "distilled within this state and region" shall include alcohol distilled at a plant located in this state or in a bordering state, employing residents of this state to the extent of one-third (1/3) of its total work force, and purchasing one-half (1/2) of its annual requirements of grain or coal from producers within this state:

(a) If the cabinet certifies that another state provides an exemption, credit, or refund from that state's motor fuel excise tax or sales tax that is applicable to fuel-grade alcohol, or a gasoline alcohol blend which contains fuel-grade alcohol distilled in Kentucky, and if the distiller in the other state otherwise meets the requirements of this section and secures the license provided in subsection (2)(b) of this section, then the alcohol distilled in the other state shall be eligible for the credit provided in subsection (2)(b) of this section to the extent that this credit would be allowed by such other state; and

(b) Under no circumstances shall the per gallon value of the credit for alcohol distilled in the other state, as provided by paragraph (a) of this subsection, exceed the per gallon value of the credit for fuel-grade alcohol provided in subsection (2)(b) of this section.

(4) Every dealer claiming a credit authorized by this section shall file his claim as a supplement to the dealer report required by KRS 138.240. The claim shall be made under oath or affirmation on forms the cabinet may prescribe of the total number of gallons of fuel-grade alcohol upon which a credit is claimed and the total amount of the credit claimed. The claim shall include the following information:

(a) An itemized statement of the total number of gallons of fuel-grade alcohol, or fuel-grade alcohol contained in gasoline-alcohol blends, upon which a credit is claimed, showing the date of receipt of each shipment, the name and address of the licensed alcohol producer or supplier of each shipment, the invoice number, the point of origin, the point of destination, the quantity of each purchase or shipment, the method of transportation, and the name and address of the carrier; and if blended by the dealer with received gasoline, the date and place of blending and such details of the sale, distribution or use of the gasoline-alcohol blend as the cabinet may require;

(b) A written certification from a licensed alcohol producer confirming that the fuel-grade alcohol supplied by it to the dealer, or to the dealer's supplier, was distilled by a licensed alcohol producer in conformity with the requirements of this section and is qualified for the credit authorized by subsection (2)(a) or (2)(b) of this section; and

(c) The dealer shall also furnish such other information relating to the purchase, receipt, inventory, transportation, sale, distribution, exchange or use of fuel-grade alcohol or gasoline-alcohol blends as the cabinet may require.

(5) Upon determination by the cabinet of a dealer's right to receive the credit authorized by this section, the credit shall be determined by multiplying the number of gallons of fuel-grade alcohol for which the credit is claimed by the appropriate amount as provided under subsection (2)(a) or (2)(b) of this section. The credit shall be applicable to the dealer's tax liability under KRS 138.220 for the following month but under no circumstances shall the credit exceed the dealer's tax liability for such month. Any residual credit may be carried over to the following month.

(6) (a) The credit provided in this section shall not apply to gasoline-alcohol blend delivered to storage facilities of persons qualifying, under the provisions of KRS 138.341, 138.344, 138.445, and 138.662, for a refund of the tax paid pursuant to the provisions of KRS 138.210 to 138.340;

(b) The revenue cabinet may require the dealer to report such information as is necessary to administer the provisions of this subsection;

(c) Refunds due under the provisions of KRS 138.341, 138.344, 138.445, and 138.662 for tax paid pursuant to the provisions of KRS 138.210 to 138.340 on gasoline-alcohol blend dispensed from storage facilities serving both persons qualifying and not qualifying for the refund due, shall be reduced by the amount of the credit provided for in this section;

(d) Notwithstanding the provisions of any other section to the contrary, the cabinet may require persons applying for a refund under the provisions of KRS 138.341, 138.344, 138.445 and 138.662 to furnish the cabinet such information as is necessary to administer the provisions of this subsection;

(e) The credit provided in this section shall not be allowed in respect of any fuel-grade alcohol improperly certified to a dealer or a dealer's supplier by a licensed alcohol producer, and any such certification which is fraudulent shall constitute cause for the suspension, revocation, cancellation or refusal to renew the license authorized by subsection (7) of this section; and

(7) (a) Any distiller who desires to qualify fuel-grade alcohol distilled by it for purposes of this section shall procure a license and post bond pursuant to regulations prescribed by the cabinet. No such license shall be granted:

1. Unless the cabinet has determined to its satisfaction that the aggregate present and proposed operations and activities of the licensee in this state will significantly assist in providing adequate, economical, and stable supplies of fuel-grade alcohol to dealers in this state and will tend to directly or indirectly confer measurable investment, trade, employment, or other economic or market benefits upon this state;

2. Unless the distillery owned or operated by the licensee is regulated by the United States; and

3. Unless, as a condition precedent for the grant of such license, the licensee shall agree to subject itself to the jurisdiction of this state for the purpose of paying all taxes required by law and filing such reports and permitting such audits of its records and inspection of its premises as the cabinet may prescribe;

(b) Such licensee shall also post and keep in force a continuous surety bond, issued by a surety authorized to do business in this state and approved by the cabinet. The bond shall be in the amount of not less than fifty thousand dollars ($50,000), or such greater amount as may be fixed from time to time by the cabinet having due regard to the quantity of fuel-grade alcohol supplied by the licensee and eligible for credit in this state, and shall be conditioned upon the faithful compliance by the licensee with the requirements of law and with all regulations of the cabinet. No bond shall be required if the distillery of the licensee is located entirely within this state;

(c) Upon the grant of any annual license pursuant to this subsection the licensee shall pay a regulatory license fee to the cabinet in the amount of ten thousand dollars ($10,000), for each annual license period, which shall commence on July 1 and end on June 30 of each year. No annual license fee shall be required if the distillery of the licensee is located within this state; and

(d) The cabinet may revoke, suspend, or cancel the license herein authorized at any time for cause and may for cause refuse to renew any annual license. Any ruling by the cabinet in respect of the refusal to grant such license or the revocation, cancellation, or suspension thereof shall be made by written notice and shall constitute a final ruling of the cabinet for all purposes.

(8) Every licensed alcohol producer selling or distributing fuel-grade alcohol to dealers or dealers' suppliers in this state shall file a report with the cabinet on or before the twenty-fifth day of each month in respect of the production, sale, use, distribution and exchange of fuel-grade alcohol during the immediately preceding calendar month. The report shall be made under oath or affirmation on such forms as the cabinet may prescribe of the total number of gallons of fuel-grade alcohol sold, used, distributed or exchanged and certified by it to dealers or dealers' suppliers in this state as qualified for the credit authorized by this section. The report shall include the following information:

(a) An itemized statement of the total number of gallons of fuel-grade alcohol sold or distributed to dealers or dealers' suppliers in this state or exchanged with another licensed alcohol producer, showing the date of each shipment, the name and address of the dealer or dealer's supplier, or, if exchanged, the name and address of the licensed alcohol producer, the invoice number, the point of origin, the point of destination, the quantity of each purchase, shipment or exchange, the method of transportation, and the name and address of the carrier;

(b) A copy of the written certification furnished by the licensed alcohol producer confirming that the fuel-grade alcohol supplied by it to the dealer, or to the dealer's supplier, was distilled by a licensed alcohol producer in conformity with the requirements of this section and is qualified for the credit authorized by subsection (2)(a) or (2)(b) of this section; and

(c) The licensed alcohol producer shall also furnish such other information relating to the production, purchase, receipt, inventory, transportation, sale, distribution, exchange or use of fuel-grade alcohol or gasoline-alcohol blends, if any, as the cabinet may require.

SECTION 11. A NEW SECTION OF KRS CHAPTER 175 IS CREATED TO READ AS FOLLOWS:

There is hereby created a fund in the road fund of the Commonwealth of Kentucky entitled the debt payment acceleration fund. The fund shall consist of twenty percent (20%) of the revenues to the state road fund provided by the adjustments in KRS 138.220(2) excluding the provisions of KRS 177.320 and 177.365. Annually the transportation cabinet shall use the funds generated to accelerate the payment of debt service including principal and interest, over and above the annual debt service payments appropriated for each fiscal year, for all bonds issued and any refinancings thereof by the Kentucky turnpike authority. The transportation cabinet shall notify the interim joint committee on appropriations and revenue by January 1 of each fiscal year of the debt payments which are to or have been accelerated in the fiscal year. In the event that, due to bond market conditions, the terms of the bonds issued or other factors, the transportation cabinet is unable to accelerate debt service payments, the transportation cabinet shall provide documentation to the interim joint committee on appropriations and revenue that such acceleration is not possible and the reasons therefor. In such an event, the funds not available for debt acceleration shall be placed in a special escrow account in the transportation cabinet. Such funds shall not be expended for any of the lawful purposes of the transportation cabinet but shall be held in the escrow account until such time as the debt acceleration described by this section is possible. The transportation cabinet shall invest the funds allocated to the escrow account and any funds generated from these investments shall remain in the escrow account. Any funds remaining in the escrow account at the close of the fiscal year shall not lapse but shall be carried forward to the next fiscal year for use as provided in this section. In the event that all principal and interest outstanding on any bonds issued or any refinancing thereof by the turnpike authority has been paid, the transportation cabinet shall so report. In that event, any funds remaining in the escrow account shall remain in the fund until such time as the funds are appropriated by the general assembly for any of the lawful purposes of the transportation cabinet.

Section 12. KRS 138.210 is amended to read as follows:

As used in KRS 138.220 to 138.340, unless the context requires otherwise:

(1) "Accountable loss" of gasoline means loss or destruction of "received" gasoline through wrecking of transportation conveyance, explosion, fire, flood or other casualty loss, or "received" gasoline contaminated and returned to storage; provided that any such loss shall have been reported within thirty (30) days after discovery of such loss to the cabinet in a manner and form prescribed by the cabinet, supported by proper evidence which in the sole judgment of the cabinet substantiates the alleged loss or contamination and which is confirmed in writing to the reporting dealer by the cabinet. The cabinet may make any investigation deemed necessary to establish the bona fide claim of the loss.

(2) "Dealer" means any person who:

(a) Imports into this state and stores, or causes to be imported into and stored in this state, gasoline for use, distribution or sale and delivery in this state after it has been stored in this state; provided that the term "dealer" as used in KRS 138.220 to 138.340 shall not include any person who imports gasoline acquired from a refiner or other supplier who, at the time of such importation, is a duly licensed dealer in this state, except as may otherwise be provided under regulations of the cabinet.

(3) "Cabinet" means the revenue cabinet.

(4) "Gasoline" means all liquid fuels, including liquids ordinarily, practically and commercially usable in internal combustion engines for the generation of power, and all distillates of and condensates from petroleum, natural gas, coal, coal tar, vegetable ferments and all other products so usable except propane, butane or other liquefied petroleum gases, kerosene, cleaner solvent, fuel oil, diesel fuel and crude oil.

(5) "Received" or "received gasoline" shall have the following meanings:

For the purpose of the proper administration of this chapter and to prevent the evasion of the tax and to enforce the duty of the dealer to collect the tax, it shall be presumed that all gasoline loaded by any licensed dealer within this state into tank cars or tank trucks is consigned to destinations within this state unless the contrary is established by the dealer pursuant to rules and regulations prescribed by the cabinet.

(b) Gasoline acquired by any dealer in this state, and not delivered into refinery, marine or pipeline terminal storage facilities, shall be deemed to be received when it has been placed into storage tanks or other containers for use or subject to withdrawal for use, delivery, sale or other distribution. Dealers may sell gasoline to licensed bonded dealers in this state in transport truckload, carload or cargo lots, withdrawing such gasoline from refinery, marine, pipeline terminal or bulk storage tanks, without paying the tax on such gasoline. In such instances the licensed bonded dealer purchasing such gasoline shall be deemed to have received such gasoline at the time of withdrawal from the seller's storage facility and shall be responsible to the state for the payment of the tax thereon and shall report and pay the tax on such gasoline purchased and received.

(6) "Refinery" means any place where gasoline is refined, manufactured, compounded or otherwise prepared for use.

(9) "Bulk storage facility" means gasoline storage facilities of not less than twenty thousand (20,000) gallons owned or operated at one (1) location by a single owner or operator for the purpose of storing gasoline for resale or delivery to retail outlets or consumers.

(10) "Average wholesale price" shall mean:

(a) The weighted average per gallon wholesale tank wagon price of gasoline, exclusive of the *nine (9)* [~~four (4)~~] cents per gallon federal tax in effect on January 1, *1984* [~~1980~~], *any increase in the federal gasoline tax after July 1, 1984, and any fee on imported oil imposed by the congress of the United States after July 1, 1986,* as determined by the revenue cabinet from information furnished by licensed gasoline dealers. Dealers shall furnish within twenty (20) days following the end of the first month of each calendar quarter, such information regarding wholesale selling prices for the previous month as may be reasonably required by the cabinet.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, for purposes of the taxes levied in KRS 138.220, 138.565, 138.660 and 234.320, in no case shall "average wholesale price" be deemed to be less than one dollar and eleven cents ($1.11) per gallon, and in no case shall "average wholesale price" be deemed to be more than one dollar and fifty cents ($1.50) per gallon on or before June 30, 1982. In fiscal year 1982-83 the "average wholesale price" shall not be deemed to increase more than ten percent (10%) over the "average wholesale price'' at the close of fiscal year 1981-82; in each subsequent fiscal year the ''average wholesale price'' shall not be deemed to increase more than ten percent (10%) over the ''average wholesale price'' at the close of the previous fiscal year.

(11) ''Gasoline-alcohol blend'' means a mixture of gasoline and fuel-grade alcohol in which the fuel-grade alcohol content is ten percent (10%) or less of the mixture.

(12) ''Fuel-grade alcohol'' means *ethyl* [~~methyl~~] alcohol *which is:*

(a) At least one hundred and ninety-eight (198) proof;

(b) Denatured in accordance with legal requirements;

(c) Derived from United States produced corn, grain, or renewable resources, that is, ground, fermented and distilled by a licensed alcohol producer, in a plant facility that is powered primarily by United States produced coal; and

(13) ''Licensed alcohol producer'' means a distiller of fuel-grade alcohol who is licensed and bonded pursuant to this chapter.

Section 13. KRS 138.220 is amended to read as follows:

(1) An excise tax at the rate of nine percent (9%) of the average wholesale price rounded to the third decimal when computed on a per gallon basis shall be paid on all gasoline received in this state. No other excise or license tax shall be levied or assessed on gasoline by the state or any political subdivision of the state. The tax herein imposed shall be paid by the dealer receiving the gasoline to the state treasurer in the manner and within the time specified in KRS 138.230 to 138.340 and all such tax may be added to the selling price charged by the dealer or other person paying the tax on gasoline sold in this state. Nothing herein contained shall authorize or require the collection of the tax upon any gasoline after it has been once taxed under the provisions of this section.

(2) *In addition to the excise tax provided in subsection (1) of this section, there is hereby levied a supplemental highway user motor fuel tax to be paid in the same manner and at the same time as the tax provided in subsection (1) of this section. Such tax shall be calculated, starting with the quarter beginning July 1, 1986, by taking the excise tax resulting from the calculation provided for in subsection (1) of this section and adjusting such tax calculated, for each quarter, to reflect decreases in the average wholesale price, as defined in KRS 138.210(10)(a). The adjustment shall be made by calculating the difference between the average wholesale price computed for the quarter beginning October 1, 1985, as provided for in subsection (3) of this section, and the average wholesale price computed for the quarter beginning July 1, 1986 and each succeeding quarter, as provided for in subsection (3) of this section. In the event of a decrease in the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that quarter. The upward adjustment shall equal one-half (1/2) of the decrease between the two (2) quarterly periods, rounded to the third decimal. In no case shall the adjustment provided by this subsection result in a supplemental highway user motor fuel tax greater than five (5) cents, and, notwithstanding any adjustment which may be calculated as provided by this subsection, in no case shall the supplemental highway user motor fuel tax for any quarter be less than the previous quarter. The supplemental highway user motor fuel tax provided by this subsection and the provisions of subsection (1) of this section shall constitute the tax on motor fuels imposed by KRS 138.220.*

(3) Effective with the calendar quarter beginning July 1, 1980, the cabinet shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.

(4)[~~(3)~~] Dealers with a tax-paid gasoline inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average

wholesale price for the new quarter. For the purpose of this adjustment, average wholesale price on June 30, 1980, shall be deemed to be one dollar ($1). The cabinet shall promulgate such rules and regulations to properly administer this provision.

Section 14. KRS 138.270 is amended to read as follows:

(1) From the total number of gallons of gasoline received by the dealer within this state during the next preceding calendar month, the following deductions shall be made:

(a) The total number of gallons of gasoline received by the dealer within this state that were sold or otherwise disposed of during the next preceding calendar month as set forth in subsection (2) of KRS 138.240.

In such hearing the judge shall hear additional evidence in extenuation, mitigation, and aggravation of punishment, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant, or the absence of any prior conviction and pleas: Provided, however, that only such evidence in aggravation as the State has made known to the defendant prior to his trial shall be admissible. The judge shall also hear argument by the defendant or his counsel and the prosecuting attorney, as provided by law, regarding the punishment to be imposed. The prosecuting attorney shall open and the defendant shall conclude the argument. In cases in which the death penalty may be imposed, the judge when sitting without a jury shall follow the additional procedure provided in subsection (2) of this section. Upon the conclusion of the evidence and arguments the judge shall impose the sentence or shall recess the trial for the purpose of taking the sentence within the limits prescribed by law. If the trial court is reversed on appeal because of error only in the presentence hearing, the new trial which may be ordered shall apply only to the issue of punishment.

(b) In all cases in which the death penalty may be imposed and which are tried by a jury, upon a return of a verdict of guilty by the jury, the court shall resume the trial and conduct a presentence hearing before the jury. Such hearing shall be conducted in the same manner as presentence hearings conducted before the judge as provided in paragraph (a) of this subsection, *including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant.* Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.

(2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:

(a) Aggravating Circumstances.

1. The offense of murder or kidnapping was committed by a person with a prior record of conviction for a capital offense, or the offense of murder was committed by a person who has a substantial history of serious assaultive criminal convictions.

2. The offense of murder or kidnapping was committed while the offender was engaged in the commission of arson in the first degree, robbery in the first degree, burglary in the first degree, or rape in the first degree, or sodomy in the first degree.

4. The offender committed the offense of murder for himself or another, for the purpose of receiving money or any other thing of monetary value, or for other profit.

5. The offense of murder was committed by a person who was a prisoner and the victim was a prison employe engaged at the time of the act in the performance of his duties.

6. The offender's act or acts of killing were intentional and resulted in multiple deaths.

7. The offender's act of killing was intentional and the victim was a state or local public official or police officer, sheriff, or deputy sheriff engaged at the time of the act in the lawful performance of his duties.

(b) Mitigating Circumstances.

1. The defendant has no significant history of prior criminal activity.

2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime.

3. The victim was a participant in the defendant's criminal conduct or consented to the criminal act.

4. The capital offense was committed under circumstances which the defendant believed to provide a moral justification or extenuation for his conduct even though the circumstances which the defendant believed to provide a moral justification or extenuation for his conduct are not sufficient to constitute a defense to the crime.

5. The defendant was an accomplice in a capital offense committed by another person and his participation in the capital offense was relatively minor.

6. The defendant acted under duress or under the domination of another person even though the duress or the domination of another person is not sufficient to constitute a defense to the crime.

7. At the time of the capital offense the capacity of the defendant to appreciate the criminality of his conduct

to the requirements of law was impaired as a result of mental disease or defect or intoxication even though the impairment of the capacity of the defendant to appreciate the criminality of his conduct or to conform the conduct to the requirements of law is insufficient to constitute a defense to the crime.

8. The youth of the defendant at the time of the crime.

(3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. The jury, if its verdict be a recommendation of death, or imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall designate in writing, signed by the foreman of the jury, the aggravating circumstance or circumstances which it found beyond a reasonable doubt. In non-jury cases the judge shall make such designation. In all cases unless at least one of the statutory aggravating circumstances enumerated in subsection (2) of this section is so found, the death penalty or the sentence to imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall not be imposed.

(i) The value of improvements to real property previously under assessment moratorium.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(j) The value of all unmined minerals appearing on the tax rolls on or before December 31, 1989, shall be considered "real property additions" for each year such value appears on the tax rolls prior to that date.

Beginning January 1, 1990, "real property additions" shall include the value of all unmined minerals added to the tax rolls on or after that date for the year in which such value is added to the tax rolls.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there must be an annual gross income of these amounts within two (2) years of purchase. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(10) "Horticultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least five (5) contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers or ornamental plants, where such activities produced an average annual gross income according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
5 to 30	$1,000 minimum, or	$100.00 per acre, or a fraction thereof, over 5 acres, or whichever amount is greater.

Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops;

(17) "Recreational vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. The basic entities are: travel trailer, camping trailer, truck camper and motor home.

(a) Travel trailer: A vehicular unit, mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use, and of such size or weight as not to require special highway movement permits when drawn by a motorized vehicle, and with a living area of less than two hundred twenty (220) square feet, excluding built-in equipment (such as wardrobes, closets, cabinets, kitchen units or fixtures) and bath and toilet rooms.

The active mining portion of each seam on a parcel is seven hundred fifty (750) acres.

(20) "Active reserves" means the residual part of the unmined mineral seam or seams, on a parcel which is actively being mined, in excess of the active mining acreage of seven hundred fifty (750) acres or the number of acres corresponding to twenty-five (25) years of production, whichever is less.

(21) "Inactive reserves" means those seams of unmined minerals owned, leased, or controlled by a taxpayer in the demonstrated business of leasing or extracting that particular type of unmined mineral but which are not being produced in an active mining operation and which are neither assignable as "active reserve" property nor "barren or unminable" property and shall also mean unmined minerals which have been severed from the surface estate by deed and are not assignable as either "active mining property" or "active reserves."

(22) "Barren or unminable" property means those seams of unmined minerals not being actively mined which have been depleted by prior mining operations or which underlie surface property used for parks, residential, commercial or industrial purposes, and not being actively mined, or from which mining is prohibited by law. (2) An annual ad valorem tax for state purposes of one and one-half (1-1/2) cents upon each one hundred dollars ($100) of value shall be paid upon the following classes of intangible personal properties, when such intangible personal properties have not acquired a taxable situs without this state:

(6)[~~(7)~~] The provisions of subsection (1) of this section notwithstanding, the state tax rate on real property shall be reduced to compensate for any increase in the aggregate assessed value of real property, *exclusive of the increase resulting from the assessment of unmined minerals prior to January 1, 1990,* to the extent that such increase exceeds the preceding year's assessment by more than four percent (4%). In any year in which the aggregate assessed value of real property is less than the preceding year, the state rate shall be increased to the extent necessary to produce the approximate amount of revenue that was produced in the preceding year from real property.

The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, *including unmined minerals,* and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the *surface of the* property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In all of the above cases an attachment of the property omitted from assessment may be procured from the district court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the revenue cabinet making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

SECTION 6. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) On and after January 1, 1986, every corporation, company, association, partnership or person owning or engaged in the business of extracting metalliferous or non-metalliferous ore or owning or engaged in the production of unmined minerals or engaged in the extraction or leasing for extraction of oil, natural gas, or natural gas liquids shall, as of January 1 each year, and by February 1, make and deliver a report to the revenue cabinet showing the following facts:

Other factors which shall be considered by the cabinet include, but are not limited to:

(f) The existence of any lease for the unmined minerals, including any royalty provisions contained therein.

(3) When the valuation has been finally determined, the cabinet shall certify the valuation to the property valuation administrator who shall place the valuation upon the county assessment rolls and give notice to the property owner as provided in KRS 132.450.

SECTION 7. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Such analysis, if so verified, shall be used as evidence of value of the unmined minerals for the surrounding area to the extent that the boundary for such area does not exceed the acceptable standards as set by the United States bureau of mines and the United States geological survey.

(2) If any tract of unmined minerals valued as barren or unmineable property is prepared for extraction, then that tract of unmined minerals shall be subject to revaluation based on the current fair cash value of the tract and the owner shall be liable for taxes based on said fair cash value for the two (2) years immediately preceding the year of revaluation but shall not be liable for deferred taxes for any year prior to the effective date of this Act.

SECTION 8. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Any revenue produced in excess of this amount shall be transferred to the "operating fund group" established by KRS 45.322(1)(a) for the general operations of state government.

(2) In subsequent years, revenue produced pursuant to KRS 132.020(1) from the assessment and levy upon unmined minerals which is adequate to carry out the purposes outlined in paragraph (1) of this section shall be transferred to the "restricted fund group" established by KRS 45.332(1)(e) for use by the revenue cabinet, and the balance, if any, shall be transferred to the "operating fund group" established by KRS 45.322(1)(e) for the general operations of state government.

SECTION 9. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Beginning January 1, 1987, and each January 1 thereafter, the county clerk shall provide a list of all transfers of unmined minerals for the prior year to the revenue cabinet by February 1 each year which shall include references to deed books and page numbers where the record of the transaction may be found.

The minimum tax shall not apply to a taxpayer who only processes coal. *The amount of tax imposed hereby on any given taxpayer during any given fiscal year shall be reduced by the portion of ad valorem taxes for state and local purposes levied on real property which has been classified as "active mining property" or "active reserves," as those terms are defined in KRS 132.010, and which have been paid by the same taxpayer during the preceding fiscal year either to the appropriate government authorities or to the person from whom the taxpayer leases the mineral resources that are under production. The Revenue Cabinet shall promulgate rules and regulations for the implementation of this section.*

Section 12. If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

SECTION 9. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

A hearing ordered by the administrator shall be conducted by a single person designated by the administrator. Formalities of judicial procedure and proof may be waived. No stenographic transcript of the proceedings shall be made except when specifically authorized by the administrator, and in the absence of such authorization the hearing officer shall submit to the administrator his written summary of the proceedings. There shall be no right to written or oral argument; but the administrator may, in his discretion, authorize either.

SECTION 10. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

The burden of proving to the satisfaction of the administrator that a bonus is payable shall in all cases be upon the claimant.

SECTION 11. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

The administrator shall make prompt determination that each application is approved or disapproved for payment of a bonus; and if approved, shall determine the amount to be paid according to the provisions of this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) If a claim is disapproved, the administrator shall send a notice of such decision to the claimant by mail at the address shown in the application. The notice shall be in such form as the administrator may determine, shall contain a designation of the reason for disapproval, shall inform the claimant of his right to seek review, shall have attached such form of request for review as the administrator may prescribe, and shall give information as to procedure for review.

(2) Application for review of the administrator's disapproval shall be made only on the forms prescribed and furnished by the administrator; and shall be received in the office of the administrator by the closing hour in the thirtieth (30th) day after the day upon which the notice of the disapproval is mailed by the administrator, or be forever barred.

(3) Upon receiving an application for review, the administrator shall transmit the same, together with the original application and all papers in the case, to the board of review, hereinafter created.

(4) The board of review shall promptly consider the same evidence which was available to the administrator, and shall promptly enter in the case file its decision either finally affirming the administrator's decision, or finally determining the claim and the amount thereof.

(5) The board of review shall send a notice of its decision to the claimant by registered mail, and shall return the case file to the administrator. The decision of the board of review shall be a final determination of the claim shown in the application.

SECTION 13. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

If the administrator shall disapprove any claim, or if the decision of the board of review be affirmance of the administrator's disapproval of the claim:

(1) No payment of a bonus shall be made,

(2) The administrator, upon receiving advice of the decision, shall note the same in a permanent book or record in his office; shall forthwith return to the claimant the copies of any official records submitted in support of the application; shall finally close the claim file; and may destroy all other papers except the application.

SECTION 14. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) If a claim is approved by the administrator or finally approved upon resort to the board of review, the administrator shall promptly certify to the secretary of finance and administration the names and addresses of persons found entitled to be paid, as shown in the application, and the amount payable to each.

(a) A copy of each such certificate shall be sent to the secretary of revenue, who shall promptly ascertain from the records of his department whether any person proposed to be paid a bonus is delinquent in the payment of any tax liability to the Commonwealth. No delinquency shall be deemed to exist as to any asserted tax liability which is the subject of a bona fide dispute. If any delinquency be found to exist, the secretary of revenue shall within three (3) working days after this receipt of the certificate, furnish the details thereof to the secretary of finance and administration; and if no advice of tax delinquency is received by the secretary of finance and administration before the end of the fourth working day after his receipt of certification from the administrator, he shall, for the purposes of this Act, conclusively presume that no delinquency of tax liability to the Commonwealth exists, but such presumption shall apply only to the existence or absence of a set-off by the Commonwealth against a certified claim for a bonus, and shall not alter the facts as between the Commonwealth and any taxpayer.

(b) If no advice of tax delinquency is received within such allowed time, the secretary of finance and administration may approve payment in accordance with the certificate of the administrator, and may immediately draw a warrant on the state treasury for a check in payment.

(c) Upon receipt of such warrant the state treasurer shall issue a check in accordance therewith payable from funds made available in accordance with this Act, and the same shall promptly be mailed to the payee thereof at the address shown in the certificate.

(2) If the secretary of finance and administration shall, within the allowed time, receive advice from the secretary of revenue of the existence of a delinquency on the part of any person having an approved claim for a bonus, as to any tax liability to the Commonwealth, the secretary of finance and administration shall note the same on the certificate of the administrator, withhold payment, and forthwith send to the claimant by registered mail a notice of the asserted delinquency, and the amount thereof, and that it is proposed that the same be set off against the bonus payment.

(a) If the secretary of finance and administration receives no protest in his office within ten (10) working days after recording such notice, he shall conclusively presume that the proposed set-off is just, shall apply the amount thereof in reduction or extinguishment of the payment certified by the administrator, and shall advise the secretary of revenue of the amount set off against the bonus, which advice shall be noted by the secretary of revenue on the records of his office as a credit upon the delinquent tax liability.

(b) If the tax set-off does not consume the entire amount of the bonus as certified by the administrator, the secretary of finance and administration shall draw a warrant upon the state treasury for a check in the amount of the remainder, and upon receiving such check from the state treasurer shall send the same, together with advice of the set-off, by mail, to the payee at the address shown in the certificate of the director.

(3) If the secretary of finance and administration receives from the claimant a protest of the asserted tax delinquency, within the allowed time, the secretary shall withhold approval for payment, and shall refer the protest to the secretary of revenue for disposition.

(4) If a tax set-off is made, and the claimant shall assert error with regard thereto, the exclusive remedy shall be by seeking refund from the secretary of revenue.

SECTION 15. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) Claims for payment of a bonus shall not be assignable before or after approval thereof; and any attempted or purported assignment received by or tendered to any officer of the Commonwealth shall be void, need not be acknowledged or returned, and may be disregarded.

(2) Payments of the bonus shall be exempt from all taxation by the Commonwealth, its political subdivisions and taxing districts.

(3) No claim for payment of a bonus and no payment made by the Commonwealth under this Act shall give rise to a cause of action against the Commonwealth or any of its officers, agents, or employes, and no claim for payment shall be subject to attachment, levy, garnishment or seizure by or under any legal or equitable process whatever; but this provision shall not extend exemption from legal process to the proceeds of any bonus payment after the same has been received from the Commonwealth.

(3) The chairman and secretary shall devote their full time to the affairs of the board and shall receive compensation at the rate to be fixed in accordance with personnel standards fixed by the commissioner of personnel until the functions of the board are performed and the board is dissolved as hereinafter provided. Other members of the board shall be compensated fifty dollars ($50.00) per diem, but only for actual time served in considering and deciding claims for veterans' bonuses pursuant to designation by the chairman. All members of the board shall be reimbursed for necessary travel to and from their places of residence, and in performance of duties pursuant to assignment, at the rate of twenty-one (21) cents per mile.

(4) Each claim coming before the board shall promptly be considered and decided by the three (3) members designated for that purpose. In every case the board shall either affirm the decision of the administrator, or determine that a Viet Nam veterans' bonus should be paid, and to what persons and in what amounts. No written opinions or recitations of reasons for any decision need be made. A statement of the decision made shall be signed by at least two (2) of the three (3) members designated to decide the claim; and upon concurrence of two (2) members a decision shall be final and not subject to reconsideration.

(5) When, after April 1, 1988, the board of review shall have decided all cases coming before it for decision, the chairman shall report such fact to the governor in writing. The governor shall thereupon declare that the board of review is dissolved, and shall so notify the members, and the functions and duties of the board shall be deemed to have been fully performed.

Section 1. KRS 160.570 is amended to read as follows:

(1) Each board of education shall appoint a bank, trust company or savings and loan association to serve as its depository, and if its annual receipts from all sources exceed one hundred thousand dollars ($100,000) it may designate three (3) depositories except boards of education of school districts in counties containing cities of the first class may designate up to five (5) depositories. *Each board of education shall notify by letter each bank, trust company and savings and loan association in the county or counties encompassing the school district, that the board is accepting bids for banking services.* The depository *or depositories* may be designated for a period not to exceed two (2) years, and before entering upon its duties shall agree with the board as to the rate of interest to be paid on average daily, [~~or~~] monthly *or other available* balances. *When two (2) or more financial institutions are under consideration for selection as depository or depositories for the boards' funds, the board shall select the depository or depositories which agree to pay the highest rate or rates of interest on average daily, monthly or other available balances. Such available balances shall be invested pursuant to KRS 66.480.*

(2) The depository selected shall, before entering upon its duties, execute bond for the faithful performance of its duties, to be approved by the local board of education and the state board of education. The bond shall be guaranteed by at least five (5) solvent personal sureties whose solvency must exceed the amount of the bond, or by a surety company authorized to do business in this state, or through the execution of a collateral bond consistent with the general banking laws of the state and the bonding laws applying to the safeguarding of state funds. The penal sum of the depository bond shall be determined by the board of education in accordance with the rules and regulations of the state board of education. If the board pays the premium, the depository shall allow the board not less than two percent (2%) interest on its average daily or average monthly balances. All depository bond forms shall be prepared by the superintendent of public instruction and approved by the state board of education.

(3) The depository shall hold for the board all funds deposited by the treasurer of the board or its tax collector or duly authorized agent, subject to withdrawal by the board at any time, and shall pay all funds so deposited to such person and in such manner as the board directs. The depository shall keep full and complete accounts of all of the board's funds, and make reports to the board or its authorized agents upon request. The depository shall keep all records relating to the transactions and duties of the office and turn them over to the successor of its office along with all school funds in hand. The board of education may at any time require a due and proper audit of the depository's records of the funds of the board by a competent outside agent.

(4) A board of education may designate as its depository the authorized and bonded depository of the governing authority of the territory which the school district embraces. In such cases, the bond of the depository shall be made to cover specifically the safekeeping of the school board's funds, and all conditions set out in this section shall be carried out.

Section 2. KRS 160.476 is amended to read as follows:

(1) The board of education of any district may, in addition to other taxes for school purposes, levy not less than four (4) cents nor more than twenty (20) cents on each one hundred dollars ($100) valuation of property subject to local taxation, to provide a special fund for the purchase of sites for school buildings and physical education and athletic facilities, for the erection and complete equipping of school buildings and physical education and athletic facilities, and for the major alteration, enlargement and complete equipping of existing buildings and physical education and athletic facilities, provided, however, that such tax shall come within the maximum school tax levy provided by KRS 160.470. In addition to or in lieu of this special tax, any board of education may pay into this special fund at the close of any fiscal year the proceeds from the sale of land or property no longer needed for school purposes and all or any balances remaining in the general fund over and above the amount necessary for discharging obligations for the fiscal year in full.

(2) The special fund provided for herein shall be kept in a separate account designated as "school building fund." The fund shall be kept in a depository selected by the board of education, *and any available balance shall be* [~~or~~] invested *pursuant to the provisions of KRS 66.480* [~~in bonds of the United States, of this state, or county or municipality in this state~~], provided, however, that such investments shall be approved by the state board of education.

(3) All expenditures from such fund shall be made solely for the purposes enumerated herein and shall be made in accordance with the school laws of the state at such times as the board of education determines. The board of education shall cause to be made annually an audit of the building fund by a certified public accountant or by an accountant approved by the state department of education.

(4) Notwithstanding the provisions of any other subsection of this section to the contrary, for the 1966 tax year and for all subsequent years no district board of education shall levy a tax at a rate under the provisions of this section which exceeds the compensating tax rate as defined in KRS 132.010. The superintendent of public instruction shall certify the compensating tax rate to the district board of education.

Section 3. KRS 160.477 is amended to read as follows:

(1) (a) Upon request of the board of education of any school district, the county board of elections shall submit to the qualified voters of the district, the question as to whether a special school building tax rate of not less than five (5) cents nor more than fifty (50) cents as requested by the board shall be levied on each $100 of property subject to local taxation. This tax levy shall be in addition to the maximum school tax levy provided by subsection (2) of KRS 160.470. The income from the tax shall be used for the purchase or lease of school sites and buildings and physical education and athletic facilities, for the erection and complete equipping of new school buildings and physical education and athletic facilities, for the major alteration, enlargement and complete equipping of existing buildings, and physical education and athletic facilities, for the purpose of retiring, directly or through rental payments, school revenue bonds issued for such school improvements, and for the purpose of financing any program for the acquisition, improvement, or building of school improvements. The question shall be so framed that the voter may by his vote answer "for" or "against."

(b) The election shall be held not less than fifteen (15) or more than thirty (30) days from the time the request of the board is filed with the county board of elections, and reasonable notice of the election shall be given. The election shall be conducted and carried out in the school district in all respects as required by the general election laws, and shall be held by the same officers as required by the general election laws. The expense of the election shall be borne by the school district.

(c) If a majority of those voting on the question favor the special school building tax levy, the tax-levying authority shall, when the next tax rate for the district is fixed, levy the special rate specified for the school building fund in addition to the levy provided by subsection (2) of KRS 160.470.

(2) There may be included, in the maximum levy provided for in subsection (2) of KRS 160.470, a special levy for building fund purposes as authorized by KRS 160.476, which shall be in addition to the levy authorized by vote as provided in subsection (1) of this section.

(3) In addition to or in lieu of this special tax, any board of education may pay into this special fund at the close of any fiscal year the proceeds from the sale of land or property no longer needed for school purposes and allow any balances to remain in the general fund over and above the amount necessary for discharging obligations for the fiscal year in full.

(4) The special fund provided for in subsection (1) of this section shall be kept in a separate account designated as "special voted school building fund." The fund shall be kept in *a* [~~the~~] depository selected by the district board of education, *and any available balance shall be* [~~or~~] invested *pursuant to the provisions of KRS 66.480* [~~in bonds of the United States, of this state, or of any county or municipality in this state~~], provided, however, that such investment shall be approved by the state board for elementary and secondary education.

(5) All expenditures from such fund shall be made solely for the purposes enumerated in this section and shall be made in accordance with the school laws of the state at such times as the district board of education determines. The district board of education shall cause to be made annually an audit of the building fund by a certified public accountant or by an accountant approved by the state board for elementary and secondary education.

(6) Notwithstanding the provisions of any other subsection of this section to the contrary, for the 1966 tax year and for all subsequent years no district board of education shall levy a tax at a rate under the provisions of this section which exceeds the compensating tax rate as defined in KRS 132.010, except as provided in subsection (7) of this section, and except that a rate which has been approved by the voters under this section but which was not levied by the district board of education in 1965 may be levied after it has been reduced to the compensating tax rate as defined in KRS 132.010, and except that in any school district where the rate levied in 1965 was less than the maximum rate which had been approved by the voters, the compensating tax rate shall be computed and may be levied as though the maximum approved rate had been levied in 1965 and the amount of revenue which would have been produced from such maximum levy had been derived therefrom.

(7) Notwithstanding the limitations contained in subsection (6) of this section no tax rate shall be set lower

than that necessary to provide such funds as are required to meet principal and interest payments on outstanding bonded indebtedness and payments of rentals in connection with any outstanding school revenue bonds issued under the provisions of KRS chapters 58 and 162.

Section 4. KRS 162.240 is amended to read as follows:

The sinking fund shall be deposited in a depository selected by the governing body of the city. Section 5. KRS 157.420 is amended to read as follows:

Public school foundation program funds made available to the credit of each district during any year, shall be received, held and expended by the district board, subject to the provisions of law and Kentucky administrative regulations of the state board of education. The following restrictions shall govern the expenditure of funds from the public school foundation program fund:

(1) The teachers' salaries allotment for each district from the public school foundation program fund and from local sources shall be used only for teachers holding properly authorized certificates. The average salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days and no teacher shall be paid less than ninety-three percent (93%) of the public school foundation program fund allotment for that rank for full-time service during the regular school year or the allotment under KRS 157.390(4) shall be reduced by an amount equal to the amount by which the district failed to meet the salary requirements.

(2) The state board of education shall not approve any working budget or salary schedule summary for local boards of education for any school year in which the total amount for one hundred eighty-five (185) days on the salary schedule summary for foundation program instructional salaries is not equal to:

(a) The amount for one hundred eighty-five (185) days on the district's salary schedule summary for foundation program instructional salaries the preceding year; plus

(b) The additional amount for instructional salaries to be received by the district under the biennial budget schedule for a one hundred eighty-five (185) day school term by assuming the same classroom units and rank and experience of teachers in the current year as in the preceding year.

(3) The capital outlay allotment for each district from the public school foundation program fund and from local sources shall be kept in a separate fund and may be used by the district only for capital outlay projects approved by the superintendent of public instruction in accordance with requirements of law, and based on a survey made in accordance with Kentucky administrative regulations of the state board of education. These funds shall be used for the following capital outlay purposes:

(a) For direct payment of construction costs;

(b) For debt service on voted and funding bonds;

(c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

(d) For the retirement of any deficit resulting from over-expenditure for capital construction, if such deficit resulted from an emergency declared by the state board of education under KRS 160.550;

(e) As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets; provided, however, if any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the superintendent of public instruction under Kentucky administrative regulations of the state board of education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses.

(4) If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (3) of this section, upon approval of the superintendent of public instruction, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers and other technological hardware to be utilized for educational purposes only.

(5) Any available balance in the capital outlay fund shall be invested pursuant to KRS 66.480.

Section 6. KRS 162.460 is amended to read as follows:

The insurance fund shall be kept on deposit with the treasurer of the board of education, unless by order of the board it is invested in *instruments pursuant to KRS 66.480* [~~United States, state, county, or city bonds~~] that are not payable from assessments, and are registered, if practicable. If the bonds are coupon bonds they shall be kept deposited in a safe deposit vault and be opened only by the business manager or secretary of the board in the presence of a member of the board authorized to represent it. Every vote upon the use or investment of any portion of the fund shall be by call of the yeas and nays and the record shall show how each member voted.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where such services are rendered by paid employes.
